Enjoying Your Preschooler:

Enjoying Your Preschooler Robin Worthington, 1977-08
Severe, 2004-06-01 Dr Sal Severe established himself as a leading childcare and parenting expert with his phenomenally successful *How to Behave So Your Children Will Too*. Now he focuses on raising children between the ages of three and six. Based on Dr Severe's philosophy that children's behavior often reflects that of their parents, this book teaches readers how to better handle a host of issues from fussing at bedtime and temper tantrums to toilet training and sibling rivalry. Instead of focusing on what children do wrong, Severe teaches parents what they can do right by emphasizing the positive, being consistent, and being more patient. Filled with checklists, an extensive resource guide to books that parents can read with their preschoolers, and plenty of inspiration, this goldmine of helpful advice is certain to become a bible for stressed-out parents everywhere.

Homeschooling For Dummies Jennifer Kaufeld, 2020-08-06 Homeschool with confidence with help from this book. Curious about homeschooling? From setting up an education space, selecting a curriculum, and creating a daily schedule to connecting with other homeschoolers in your community, *Homeschooling For Dummies* has you covered. *Homeschooling For Dummies* 2nd Edition is packed with everything you need to create the homeschool experience you want for your family, including: Deciding if homeschooling is right for you; Developing curricula for different grade levels and abilities; Organizing and allocating finances; Creating and/or joining a homeschooling community; Encouraging socialization; Special concerns for children with unique needs. Perfect for any current or aspiring homeschoolers, *Homeschooling For Dummies* 2nd Edition belongs on the bookshelf of anyone with even a passing interest in homeschooling as an alternative to or supplement for traditional education.

The Self-Driven Child William Stixrud, PhD, Ned Johnson, 2019-02-12 Instead of trusting kids with choices, many parents insist on micromanaging everything from homework to friendships. For these parents, Stixrud and Johnson have a simple message: Stop. NPR. This humane, thoughtful book turns the latest brain science into valuable practical advice for parents. Paul Tough, New York Times bestselling author of *How Children Succeed*. A few years ago, Bill Stixrud and Ned Johnson started noticing the same problem from different angles. Even high-performing kids were coming to them acutely stressed and lacking motivation. Many complained they had no control over their lives. Some stumbled in high school or hit college and unraveled. Bill is a clinical neuropsychologist who helps kids gripped by anxiety or struggling to learn. Ned is a motivational coach who runs an elite tutoring service. Together they discovered that the best antidote to stress is to give kids more of a sense of control over their lives. But this doesn't mean giving up your authority as a parent. In this groundbreaking book, they reveal how you can actively help your child to sculpt a

brain that is resilient and ready to take on new challenges The Self Driven Child offers a combination of cutting edge brain science the latest discoveries in behavioral therapy and case studies drawn from the thousands of kids and teens Bill and Ned have helped over the years to teach you how to set your child on the real road to success As parents we can only drive our kids so far At some point they will have to take the wheel and map out their own path But there is a lot you can do before then to help them tackle the road ahead with resilience and imagination The Rules to Raise Happy, Healthy Children (Collection) Richard Templar,Roni Jay,Stephen Briers,2013-04-27 A brand new collection of great parenting advice fun non judgmental and amazingly helpful 3 great books help you become a better happier parent and raise happier less stressed more successful children When it comes to parenting nobody s perfect nobody can do it all and nobody can guarantee results Not you Not anyone So how do you do the things you can do The things most likely to help your children enjoy their lives and grow into healthy confident successful happy adults These three books bring together invaluable advice help that s fun friendly non judgmental realistic and above all useful Richard Templar s The Rules of Parenting Expanded Edition serves up 100 flexible tips and adaptable Rules for your family starting with the most important Rule of them all RELAX Here s all you need to know from toddler to first boyfriend girlfriend driving lessons through college and beyond help with attitude discipline siblings school teenage life crises grown children and above all staying sane Next in Nobody Told Me That Roni Jay offers great advice for raising kids who are more confident resilient ethical loving competent responsible fulfilled engaged and enthusiastic Jay identifies what the most successful parents do distills those insights into 10 core principles and shows how to actually apply them in your own family Finally in How Your Child Thinks world renowned child psychologist Dr Stephen Briers goes inside your child s mind and helps you give them the skills tactics and strategies they ll need to manage their own lives Briers teaches powerful proactive techniques that don t simply respond to bad behavior but keep it from happening in the first place Drawing on compelling new research on positive psychology he shows how to cultivate specific habits of thought that nurture resilience and help inoculate against depressive illness promote happiness and well being cultivate personal competence and social confidence boost problem solving skills and more With these eBooks you and your kids will enjoy each other more and they ll grow up with the solid foundation they need to find their own paths build their own lives and thrive From world renowned family happiness experts Richard Templar Roni Jay and Stephen Briers
