American Vikings Martyn Whittock,2023-11-07 A vivid and illuminating new history separate fact from fiction myth from legend exploring the early Vikings settlements in North America Vikings are an enduring subject of fascination The combination of adventure mythology violence and

exploration continues to grip our attention As a result for more than a millennium the Vikings have traveled far and wide not least across the turbulent seas of our minds and imaginations The geographical reach of the Norse was extraordinary For centuries medieval sagas first recorded in Iceland claimed that Vikings reached North America around the year 1000 This book explores that claim separating fact from fiction and myth from mischief to assess the enduring legacy of this claim in America The search for American Vikings connects a vast range of different areas from the latest archaeological evidence for their actual settlement in North America to the myth making of nineteenth century Scandinavian pioneers in the Midwest and from ancient adventurers to the political ideologies in the twenty first century It is a journey from the high seas of a millennium ago to the swirling waters and dark undercurrents of the online world of today No doubt the warlike Vikings would have understood how their image could be weaponized In the same way they would probably have grasped how their dramatic violent passionate and discordant mythologies could appeal to our era and cultural setting They might though have been more surprised at how their image has been commercialized and commodified A vivid new history by a master of the form American Vikings explores how the Norse first sailed into the lands and then into the imaginations of America **Los Angeles Magazine** ,2003-06 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

A Celebration of Animation Martin Gitlin,Joseph Wos,2018-03-15 Few morose thoughts permeate the brain when Yosemite Sam calls Bugs Bunny a long eared galut or a frustrated Homer Simpson blurts out his famous catch word D oh A Celebration of Animation explores the best of the best cartoon characters from the 1920s to the 21st century Casting a wide net it includes characters both serious and humorous and ranging from silly to malevolent But all the greats gracing this book are sure to trigger nostalgic memories of carefree Saturday mornings or after school hours with family and friends in front of the TV set **Prime Time Animation** Carol Stabile,2013-09-13 In September 1960 a television show emerged from the mists of prehistoric time to take its place as the mother of all animated sitcoms The Flintstones spawned dozens of imitations just as two decades later The Simpsons sparked a renaissance of primetime animation This fascinating book explores the landscape of television animation from Bedrock to Springfield and beyond The contributors critically examine the key issues and questions including How do we explain the animation explosion of the 1960s Why did it take nearly twenty years following the cancellation of The Flintstones for animation to find its feet again as primetime fare In addressing these questions as well as many others essays examine the relation between earlier made for cinema animated production such as the Warner Looney Toons shorts and television based animation the role of animation in the economies of broadcast and

cable television and the links between animation production and brand image Contributors also examine specific programmes like The Powerpuff Girls Daria Ren and Stimpy and South Park from the perspective of fans exploring fan cybercommunities investigating how ideas of class and taste apply to recent TV animation and addressing themes such as irony alienation and representations of the family
