How To Be Healed Using Spiritual Warfare:

How to be Healed Using Spiritual Warfare Jay Snell, 1980 **Spiritual Warfare** Jerry Piscopo, Sherill Piscopo, 2009-09

God's healing and delivering power are at work in the lives of Christians today. He desires to set people free from their painful past and deliver them from the snares of the enemy. With more than 30 years of experience conducting spiritual warfare seminars and testimonies from thousands proclaiming their freedom, Jerry and Sherill Piscopo have written a groundbreaking definitive guide to spiritual warfare deliverance and personal healing. With scriptural foundation and revelation, they provide straightforward understanding and help for Christians everywhere. A powerful link exists between bitter root judgments, unforgiveness, curses, and personal healing. There are direct correlations between strongholds, yokes, bondages, and spiritual oppression. The Piscopos dispel myths about deliverance and give balanced insights on personal healing. They explain the biblical interaction of body, soul, and spirit and spiritual forces. With sound doctrine and teaching, they take the mystery and stigma out of spiritual warfare. Every Christian and ordained minister needs to read this book and gain greater ability to bring inner healing to oneself and to God's people. Dr. Bill Hamon, Christian International Ministries Network and bestselling author, Decades of experience combined with a rare grasp of the scriptures have prepared the Piscopos to equip your life and inspire your faith as few others can. Dr. David Cannistraci, GateWay City Church, San Jose, California, put the book to work in small group ministry; the contents contain a ready-made curriculum dealing with aspects of character that can be studied week by week. John and Paula Sandford, Elijah House Ministries and bestselling authors, Drs. Jerry and Sherill Piscopo oversee Evangel Christian Churches. Evangel Ministries International are founders of Evangel Association of Churches and Ministries and chancellors of Destiny Schools of Ministry. All schools are licensed by the State of Michigan and accredited by Accredited Commission International.

, **HEALING THE INCURABLE THROUGH SPIRITUAL WARFARE** Hlompho Phamodi, 2016-12-11. There is really no such thing as an incurable disease. Unfortunately, we live in a world that is natural and does not accept anything else outside their knowledge. In this book, by the help of the Holy Spirit, you are going to change your mindset around your healing and God's will about your condition. No matter what your Theology is about healing, I beseech you to put all that aside. Nothing has worked for you in the past; you tried them all, but nothing has succeeded to heal you. All I am asking you is to pay attention to what is in this book and release your faith to God through the message provided and the prayers and see what the Lord will do for you.

Native Christians Aparecida Vilaça,2016-04-29 Native Christians reflects on the modes and effects of Christianity among indigenous peoples of the Americas drawing on comparative analysis of ethnographic and historical cases Christianity in this region has been part of the process of conquest and domination through the association usually made between civilizing and converting While Catholic missions have emphasized the civilizing process teaching the Indians the skills which they were expected to exercise within the context of a new societal model the Protestants have centered their work on promoting a deep internal change or

conversion based on the recognition of God's existence. Various ethnologists and scholars of indigenous societies have focused their interest on understanding the nature of the transformations produced by the adoption of Christianity. The contributors in this volume take native thought as the starting point, looking at the need to relativize these transformations. Each author examines different ethnographic cases throughout the Americas, both historical and contemporary, enabling the reader to understand the indigenous points of view in the processes of adoption and transformation of new practices, objects, ideas, and values.

Monuments, Empires, and Resistance Tom D. Dillehay, 2007-04-30 From AD 1550 to 1850 the Araucanian polity in southern Chile was a center of political resistance to the intruding Spanish empire. In this book Tom D. Dillehay examines the resistance strategies of the Araucanians and how they used mound building and other sacred monuments to reorganize their political and culture life in order to unite against the Spanish. Drawing on anthropological research conducted over three decades, Dillehay focuses on the development of leadership, shamanism, ritual, and power relations. His study combines developments in social theory with the archaeological, ethnographic, and historical records. Both theoretically and empirically informed, this book is a fascinating account of the only indigenous ethnic group to successfully resist outsiders for more than three centuries and to flourish under these conditions.

Five Minutes with Jesus Randal A. Wiedemann, 2015-10-29 Today's culture is overscheduled, typically characterized by short attention spans. We want to compress our lives into small bite-sized pieces. The longer we spend with Him, the more His divinely radioactive life infuses ours with the power of an endless life. The irony of the book title is that five minutes with Jesus is never enough. Five Minutes with Jesus presents a daily devotional that focuses on meeting with Jesus in ways that may be new to some Christians.
