**The Middle Way**, 1991 **Lojong Mind Training in Seven Points** , **The Keys to the Kingdom** Andi Sulistiadi, 2025-07-21 This is not merely another theological discourse nor a rehashing of ancient dogmas This is an audacious journey into the heart of the divine mystery an unsealing of truths hidden in plain sight within the parables the summons to repentance and the elusive Keys of the Kingdom found in the Gospel We will cast aside the encrustations of centuries of interpretation the limitations of singular perspectives and the divisions born of human understanding Our quest is rooted deeply in the spirit of the ancient Heritage Kingdom of Nusantara a land where profound spiritual quests have always intertwined with daily life and where the search for divine wisdom has shaped civilizations *Subject Guide to Books in Print* , 1997 **Zen Keys** Thich Nhat Hanh, 1994-12-01 Thich Nhat Hanh brings his warmth and clarity to this unique

explication of Zen Buddhism Beginning with a discussion of daily life in a Zen monastery Nhat Hanh illustrates the character of Zen as practiced in Vietnam and gives the reader clear explanations of the central elements of Zen practice and philosophy Thorough attention is given to concepts such as Awareness and Impermanence and to contemporary issues such as the conflicts between modern technology and spirituality The final section includes a set of 43 koans from the 13th century Vietnamese master Tran Thai Tong which are translated here for the first time into English Originally published in 1974 Zen Keys has been unavailable for several years but is now reissued by popular demand Readers will find it as fresh today as when it was first written and will be struck by the timelessness of its insights What makes this work particularly compelling is that Nhat Hanh is able to invigorate what in other presentations may seem like empty abstract principles The example he has set in his own life as a relentless advocate for peace brings strength and a realistic understanding to idealistic Buddhist goals In Zen Keys Thich Nhat Hanh presents the philosophy which has enabled him to be mindful of peace in every moment An excellent introduction from Philip Kapleau author of the classic Three Pillars Of Zen provides background on the emerging American Zen tradition
