Kill Me While I Cry:

Cry with Me: Part 1 Mabel Ann Pike, 2006-09 Cry With Me is a moving and heartrending personal account by the author about how she grew up and suffered untold hardships and injustices in a war torn and corrupt African country Zimbabwe and how she finally took the courageous step to seek asylum in Britain Mabel who writes from the heart recreates the loving relationship she had as a child with her Shona grandmother a practical woman who though married to a white British man lived simply preferring to sleep on the floor by the stove and eat her bush meals than live by western standards The warm loving relationship with her family her parents and her children shine through the various tragedies and hardships She is ruthlessly honest in describing the inhuman cruelties of the guerrillas freedom fighters or war veterans who murdered and raped her cousin and the Zimbabwean police who arrested and abused her throwing her into a stinking prison when she was nine months pregnant The ultimate poignancy comes from the anguish with which she recreates her sweet daughter Aida's plight dying from a kidney infection in the unhygienic and unbelievably filthy conditions of hospitals in Zimbabwe Though Mabel proved herself to be an enterprising and resourceful businesswoman the persistent harassment of government officials the unrelenting havoc of crime and plunder eventually drove her to seek a new life in Britain the home of her forefathers However the five year long and ongoing delay in granting her asylum with the prospect of her appeal being refused and her being returned to the Zimbabwe hell hole at the age of 53 has been a sword of Damocles over her life resulting in stress and ill health

"we'll Kill You If You Cry: , Kill Me Slowly Kate Bridges, Nicole Johnson was five when she first dreamed of becoming a vet Now at 24 that dream was her reality Surrounded by tiny helpless creatures she dedicated her life to helping them with all her heart Life was simple fulfilling and she had every intention of spending the rest of her years doing what she loved caring for animals She couldn't have asked for a better life But fate had other plans It was just another long night at the clinic one where Nicole decided to stay late catching up on paperwork her only company the soft rustle of animals in the back rooms She never imagined that this one quiet evening would change everything What she didn't know was that the world outside her small clinic was about to collide with her own in the form of Christopher Harris the most feared man in the underworld Christopher Harris A name that sent chills down the spine of anyone who dared speak it At 28 he was next in line to take over the Mafia empire His face was handsome enough to charm any woman and his body was sculpted by years of violence and dominance But none of that mattered His reputation as The Devil kept even the most powerful men at bay A man of darkness ruthlessness and aggression Christopher was known for one thing destroying anything in his path Yet behind the mask of cruelty and the legend of his evil ways there was a secret buried deep within him something even he didn't know When their paths cross on that fateful night Christopher is drawn to Nicole in a way he can't explain For the first time something inside of him stirs an emotion he's never felt He doesn't know if it's love or something darker but he's certain of one thing he can't walk away from her For Nicole meeting him is like stepping into the eye of a

storm His presence is dangerous overwhelming but somehow she can't pull herself away She is everything he's never had a glimpse of light in his otherwise bleak existence But his world is poison and she's the one person who might not survive it Will the Devil let himself be redeemed through her Or will his dark past drag her down with him into the hell he's created In a game where emotions can be deadly they will both face a choice surrender to love or watch it destroy everything they've ever known Prepare for a passionate intense and heart stopping journey where love meets darkness and redemption comes at a price
