Killing Yourself to Live RANDY LEE. RUBLE, 2018-02-08 This is a story of a man's struggle with drug and alcohol abuse suicide attempts mental ward admissions DUIs overdoses and police arrests starting at the age of sixteen It is one of triumph in the end though his life has been a test Nothing in life happens without a reason and Jesus is there even when we do not want him in our lives

Escape Velocity Crazy Horse, 2016-03-08 In the movie version I start to merge with the car The shifter grows into my hand which quickly becomes metal Wiry tentacles grow out of the back of the seat and attach themselves to my brain stem My eyes discover a Terminator like Heads Up Display and my foot grows into the accelerator pedal My heart beats in synch with the tach and all the gauges register across my face I'm becoming one with the machine There's no telling where the Firebird ends and I begin I am the car The car is me I am the road The journey is the destination There's nowhere to go and yet no turning back There is only the drive the car and the driver and all are one

How to Commit Suicide Without Killing Yourself Ethan Cornfield, The Human Condition of Loneliness casts its shadow over all of us The sting of mental health issues pricks us all These are a collection of practices implemented by one individual's perspective on the absurdity of existence We all want to be understood while understanding no one can experience life the exact same way we can It's what gives our unique perspective such value and weight The biggest illusion of this world is the illusion of separation From beyond the veil can we start to lift the curtain and become Whole One at a time This is one idea on how to overcome even your darkest demons

The President's Parasite Jim Musgrave, 2006-06-06 In The President's Parasite Jim Musgrave resurrects all that has gone missing in today's literature originality The title story is a Kafkaesque piece from the point of view of an intellectual tapeworm trapped inside a moronic president and the satirical impact is worthy of Swift The other stories range from a widower trapped inside the Clock Tower in Baghdad that he constructed to a baseball pitcher who becomes a living vegetable after a batted ball strikes his head All in all there is something for everyone in this collection of 30 eye popping stories from a truly gifted author

Integrity Is a Lost Art, How Not to Kill Yourself Clancy Martin, 2024-03-26 FINALIST FOR THE KIRKUS PRIZE FOR NONFICTION ONE OF TIME'S 100 MUST READ BOOKS OF THE YEAR ONE OF THE NEW YORK TIMES BOOK REVIEW'S CRITICS PICKS ONE OF THE BOSTON GLOBE'S 55 BOOKS WE LOVED THIS YEAR ONE OF KIRKUS'S BEST NONFICTION BOOKS OF THE YEAR An intimate insightful at times even humorous blend of memoir and philosophy that examines why the thought of death is so compulsive for some while demonstrating that there's always another solution from the acclaimed writer and philosophy professor based on his viral essay I'm Still Here A deep meditation that searches through Martin's past looking for answers about why he is the way he is while also examining the role suicide has played in our culture for centuries how it has evolved and how philosophers have

examined it Esquire A rock for people who've been troubled by suicidal ideation or have someone in their lives who is The New York Times If you're going to write a book about suicide you have to be willing to say the true things the scary things the humiliating things Because everybody who is being honest with themselves knows at least a little bit about the subject If you lie or if you fudge the reader will know The last time Clancy Martin tried to kill himself was in his basement with a dog leash It was one of over ten attempts throughout the course of his life But he didn't die and like many who consider taking their own lives he hid the attempt from his wife family coworkers and students slipping back into his daily life with a hoarse voice a raw neck and series of vague explanations In *How Not to Kill Yourself* Martin chronicles his multiple suicide attempts in an intimate depiction of the mindset of someone obsessed with self destruction He argues that for the vast majority of suicides an attempt does not just come out of the blue nor is it merely a violent reaction to a particular crisis or failure but is the culmination of a host of long standing issues He also looks at the thinking of a number of great writers who have attempted suicide and detailed their experiences such as David Foster Wallace Yiyun Li Akutagawa Nelly Arcan and others at what the history of philosophy has to say both for and against suicide and at the experiences of those who have reached out to him across the years to share their own struggles The result combines memoir with critical inquiry to powerfully give voice to what for many has long been incomprehensible while showing those presently grappling with suicidal thoughts that they are not alone and that the desire to kill oneself like other self destructive desires is almost always temporary and avoidable
