Landscape With A Chainsaw:

Landscape with Chainsaw: Poems James Lasdun, 2003-01-17 Brilliant certainly among the most gifted vivid and deft poets now writing in English Anthony Hecht author of *The Darkness and the Light* An exuberant and bold series of poems drawing on the poet's life in the Catskill Mountains Questions of exile and belonging figure prominently as does the struggle to find a viable relationship with the natural world In the chainsaw the book's central image all manner of human traits are reflected with an intense often comical brilliance **Ouachita National Forest (N.F.), Tiak Unit Plan (OK,AR)**, 1977

Chainsaw Love James Card, 2025-08-19 Behold the mighty chainsaw and discover its history its influence and its people Considered the most powerful of all hand tools the chainsaw has been vital to contemporary life in ways large small and sometimes surprising since it first came on the market in the 1940s In *Chainsaw Love* author James Card celebrates this formidable implement in unflinching style sharing stories and reflections about the world of chainsaws and the people who use and appreciate them Card describes the personal freedom that comes from harvesting your own trees for firewood and introduces readers to lumberjack competitors hot saw builders and the sculpture carvers who take sawing to new heights *Chainsaw Love* asserts the key role chainsaws play in clearing the right of way for powerlines to keep the electrical grid humming in forestry and conservation efforts to maintain desirable ecosystems and in the sciences where ecologists and astronomers use chainsaws to age trees for scientific research Card also considers the chainsaw's place in pop culture from movies to rock songs to presidential photo ops Readers of *Chainsaw Love* will discover the lore and terminology of forests and wood cutting widow makers and windthrows witness trees and barber chairs pumpkin pine devil's forks cat faces and schoolmarms Additionally the book offers insights into chainsaw variations and parts guidelines for saw care and maintenance safety recommendations and other hard won tips and tricks Dozens of photos from the field as well as helpful diagrams add to readers understanding of the saw's evolution and modern use Part homage part social history and part field guide *Chainsaw Love* is the perfect book for chainsaw users of all stripes from loggers to conservationists woodworkers to weekend cabin dwellers and anyone curious about this magnificent and underappreciated machine *Bluestone* James Lasdun, 2015-05-05 A selection of poems spanning the career of noted British poet James Lasdun *Poetry and Displacement* Stan Smith, 2007-01-01 The last hundred years have been an era of unprecedented displacements the accelerated drift of rural populations to the metropolis the spread of these cities into successive empires and the resulting diasporas that have forged the modern United States and any number of smaller nations These processes have fostered a poetry of exile and expatriation intimately bound up with the experience and culture of modernity *Poetry and Displacement* is a thought provoking and challenging examination of globalized displacement in the work of some of our most critically acclaimed poets including Christopher Middleton Philip Larkin and Derek Walcott Recycled Culture in Contemporary Art and Film Vera Dika, 2003-06-09 The reuse of images plots and genres from film history has become prominent in

contemporary culture In this study Vera Dika explores this phenomenon from a broad range of critical perspectives examining works of art and film that resist the pull of the past Dika provides an in depth analysis of works in several media including performance photography Punk film and examples from mainstream American and European cinema Proclaiming the renewed importance of the image and of genre she investigates works as diverse as Cindy Sherman s Untitled Film Stills Amos Poe s The Foreigner Terence Malick s Badlands and Francis Ford Coppola s One from the Heart Her study positions avant garde art work within the context of contemporary mainstream film practice as well as in relationship to their historical moment

Glimmers of Hope Tapiwa N. Mucherera,2013-02-20 Every individual has a story painful or happy and the story will only be complete and meaningful when shared with others willing to listen to it These are the stories of several people who embarked on a journey toward healing from abortion adoption abuse sexual and spousal anger bullying cutting infertility divorce grief people pleasing and fear as well as people struggling to break the chains of psychological colonialism neocolonialism and to survive as orphans This book contains a wealth of knowledge on how transformation of life can take place using Narrative Counseling Most of the stories shared in this book are personal to many of the authors Some share their journey of struggling with hopeless situations to where they regained hope through counseling using the Narrative approach Others such as the orphaned children found relief in just having someone sit with them to listen to their daily struggles of living an orphaned life In this book you will find a place where these stories will somehow intersect with your own story Take a chance read and you will find a glimmer of hope in these stories

Routledge International Handbook of Green Criminology Nigel South,Avi

Brisman,2013-08-29 Academic and general interest in environmental crimes harms and threats as well as in environmental legislation and regulation has grown sharply in recent years The Routledge International Handbook of Green Criminology is the most in depth and comprehensive volume on these issues to date With contributions from leading international green criminologists and scholars in related fields the Handbook examines a wide range of substantive issues including climate change corporate criminality and impacts on the environment environmental justice media representations pollution e g air water questions of responsibility and risk wildlife trafficking The chapters explore green criminology in depth its theory history and development as well as methodological concerns for this area of academic interest With examples of environmental crimes harms and threats from Africa Asia Australia Eastern Europe South America the United Kingdom and the United States this book will serve as a vital resource for international scholars and students in criminology sociology law and socio legal studies as well as environmental science environmental studies politics and international relations Fear of Aging João Paulo Guimarães,2025-02-27 In the genre of horror elderly people are often used as a trope to evoke both a fear of death and a fear of aging Old age is therefore equated with bodily mental or social decline The contributors of this book investigate what exactly we are afraid of when we posit old age as a source of horror The aim is to harness the thrills and pleasures of horror to think about how quality of life can be improved in old age and how elderly people can be better integrated in our ever fearful and suspicious societies **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Videogames and Horror** Dawn Stobbert,2019-10-01 Videogames are full of horrors and of horror a facet of the media that has been largely overlooked by the academic community in terms of lengthy studies in the fast growing field of videogame scholarship This book engages with the research of prominent scholars across the humanities to explore the presence role and function of horror in videogames and in doing so it demonstrates how videogames enter discussion on horror and offer a unique radical space that horror is particularly suited to fill The topics covered include the construction of stories in videogames the role of the monster and of course how death is treated as a learning tool and as a facet of horror *Something New Under the Sun* J. R. McNeill,2001-04-17 One of those rare books that s both sweeping and specific scholarly and readable What makes the book stand out is its wealth of historical detail Elizabeth Kolbert The New Yorker The history of the twentieth century is most often told through its world wars the rise and fall of communism or its economic upheavals In his startling book J R McNeill gives us our first general account of what may prove to be the most significant dimension of the twentieth century its environmental history To a degree unprecedented in human history we have refashioned the earth s air water and soil and the biosphere of which we are a part Based on exhaustive research McNeill s story a compelling blend of anecdotes data and shrewd analysis never preaches it is our definitive account This is a volume in The Global Century Series general editor Paul Kennedy *Contested Countryside Cultures* Paul Cloke,Jo Little,2005-08-12 This book charts the experiences of marginalised groups living in and visiting the

countryside revealing how notions of the rural have been created to reflect and reinforce divisions among those living there

Conserving Cultural Landscapes Ken Taylor, Archer St. Clair, Nora J. Mitchell, 2014-09-19 New approaches to both cultural landscapes and historic urban landscapes increasingly recognize the need to guide future change rather than simply protecting the fabric of the past Challenging traditional notions of historic preservation **Conserving Cultural Landscapes** takes a dynamic multifaceted approach to conservation It builds on the premise that a successful approach to urban and cultural landscape conservation recognizes cultural as well as natural values sustains traditional connections to place and engages people in stewardship where they live and work It brings together academics within the humanities and humanistic social sciences conservation and preservation professionals practitioners and stakeholders to rethink the meaning and practice of cultural heritage conservation encourage international cooperation and stimulate collaborative research and scholarship
