Elementary and Secondary Education Amendments of 1966 United States. Congress. House Education and Labor, 1966 How Much Does a Great School Cost? Barbara J. Smith, 2021-04-01 After examining budgets from all kinds of schools over the past three decades two key findings emerged school budgets reflect school values intentionally or not and there are noteworthy ways to reduce the costs of operating schools This text addresses two ways to gain insight and shed light on the question How much does a great school cost Sixteen educators were asked about their perceptions of greatness in schools innovations worthy of pursuit and barriers to change This examination unpacks the expenditures and revenue options in
