Language Culture And Communication In Contemporary Europe:

Language, Culture and Communication in Contemporary Europe Charlotte Hoffmann, 1996 This book offers a multidisciplinary approach to the consideration of aspects of Europe's linguistic and cultural heritage The ten contributions explore the relationship between language culture and modern communication either taking Europe as a whole or looking at specific countries The authors' backgrounds and expertise span a number of disciplines from linguistics sociolinguistics and translation studies to information technology and cultural studies BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Modern Languages** Alison Phipps, Mike Gonzalez, 2004-05-24 This accessible book is written by teachers of modern languages and tackles the specifics of the discipline while situating it within the literature on teaching Modern Languages in Higher Education **Language, Culture, and Hegemony in Modern France** Freeman G. Henry, 2008 In this panoramic study Freeman Henry chronicles the rise to prominence of French language and culture He meticulously analyzes the protracted government sponsored efforts to foster and maintain that status and ultimately the latter day challenges to France's national linguistic identity posed by Anglocentric globalization and a multicentric European Union The internal history of the language is closely intertwined with its external history phonology morphology lexicography and orthography come alive against a backdrop of political cultural and institutional manifestations A felicitous blend of documentary evidence and critical analysis serves to elucidate crucial stages events and concepts 16th century exuberance 17th century foundations 18th century expansionism Revolutionary ideology Restoration restructuring and commercialization the advent of linguistic science the coming of the media age encroaching technocracy and clamors for linguistic parity Individual chapter focus on the plight of minority linguistic communities such as the blind and the deaf language monitoring policies and legislation such as the Loi Toubon as well as the feminization project legitimizing Madame la ministre Publisher description **Bridging Languages and Cultures** Guntars Dreijers, Agnese Dubova, Jānis Veckrācis, 2019-03-11 Translation Studies already face new tasks in order to take account of and to discuss the changing translation environment in order to seek new approaches and tools for description analysis and teaching activities This volume of selected papers of the conference Bridging Languages and Cultures brings together current viewpoints in Translation Studies Linguistics and Intercultural Communication it provides both specific focus on certain aspects and developments and a more general overview of research landscape Distinguished authors discuss translation of LSP texts lexicological and lexicographic modules of bridging history and methodology of Translation Studies aesthetic and interactional aspects of translation and intercultural phenomena in the context of translation **An Intercultural Approach to English Language Teaching** John Corbett, 2003-11-11 Intercultural language education has redefined the modern languages agenda in Europe and North America Now intercultural learning is also beginning to impact on English Language Teaching This accessible book introduces teachers of EFL to intercultural language education by describing its history and

theoretical principles and by giving examples of classroom tasks Context and Culture in Language Teaching and Learning Michael Byram, Peter Grundy, 2003 The chapters in this book all address the significance of the relationship between the aims and methods of language teaching and the contexts in which it takes place Some consider the implications for the ways in which we research language teaching others present the results of research and development work *Critical Pedagogy* Alison M. Phipps, Manuela Guilherme, 2004 Teaching and learning Languages and Intercultural Communication is not a neutral enterprise Critical Pedagogy as a movement and an intellectual field engages with the political and ideological questions raised in educational practices In this book the respective fields of languages intercultural communication and critical pedagogy are brought into dialogue dissent and reflection **The Languages of Israel** Bernard Spolsky, Elana Goldberg Shohamy, 1999 The practice and ideology of the treatment of the languages of Israel are examined in this book It asks about the extent to which the present linguistic pattern may be attributed to explicit language planning activities

Vernacular Palaver Moradewun Adejunmobi, 2004-01-01 Adejunmobi highlights the continuing appeal of local identities for participants in social networks where communication occurs in languages that are not mother tongues He shows how in West Africa notions of localness locality remain important despite the growing prominence of global languages

Specialised Translation M. Rogers, 2015-05-26 This book shifts the common perception of specialised or LSP translation as necessarily banal and straightforward towards a more realistic understanding of it as a complex and multilayered phenomenon which belies its standard negative binary definition as non literary *Language and Identity* J. Joseph, 2004-05-28 Offering a uniquely broad based overview of the role of language choice in the construction of national ethnic and religious identity this textbook examines a wide range of specific cases from various parts of the world in order to arrive at some general principles concerning the links between language and identity It will benefit students and researchers in a wide range of fields where identity is an important issue and who currently lack a single source to turn to for an overview of sociolinguistics Cultural Identity in Transition Jari Kupiainen, Erkki Sevänen, John Stotesbury, 2004 Cultural Identity In Transition Analyses The Challenges That Globalisation And Modernisation Have Brought To Cultural Identity In Recent Years This Collection Of Articles Highlights Some Of The Central Theoretical Ideas And Models Currently Used In The Analysis Of Cultural Identity In The Social And Cultural Sciences While The Book S Main Regional Focus Is On Northern Europe This Is Complemented By Several Case Studies Addressing Issues Of Cultural Identity In Indigenous And Ethnic Communities In Literary And Artistic Expression And In Terms Of National Politics Around The World The Book Discusses In Detail The Questions Like What Is At Stake In The Global Culture Industry In Terms Of Cultural Identity How Do The Internet And Information Technology In General Empower Local Communities What Kinds Of Political Struggles And Conflicts Can Be Associated With The Processes Of Cultural Identity Cultural Identities Are In Transition But In What Direction Are They Moving Cultural Identity In Transition Will Be Essential Reading For University Students And Researchers In Sociology

Anthropology And Cultural And Literary Studies **Esperanto and Its Rivals** Roberto Garvía Soto, Roberto Garvía, 2015-06-04 Roberto Garvía explores the history of artificial spoken or written languages and the people who fought for them Taking the three most prominent Volapük Esperanto and Ido Garvía investigates what drove so many to invest incredible energy and time to learn and promote them *Community and Communication* Sue Wright, 2000-01-01 This book considers the issue of language in the European Union Without a community of communication the EU must remain a trading association run in an autocratic way by bilingual patrician technocrats with a community of communication the European Union could develop democratic structures and legitimacy and give meaning to its policies of free movement How to achieve that community of communication is the biggest challenge facing Europe today Concise Encyclopedia of the Original Literature of Esperanto, 1887-2007 Geoffrey Sutton, 2008 Illustrating the development of Esperanto literature from its humble beginnings in 1887 to its worldwide use in every literary genre today this text includes over 300 individual articles on the most important Esperanto authors *Language, Politics, and Society* Sue Wright, Linda Hantrais, Jolyon Howorth, 2000 The thirteen essays in this volume are dedicated to Professor Dennis Ager on his retirement Their range is eloquent testimony to the catholicity and openness of Professor Ager's approach to what was originally called Area Studies They celebrate the diversity over which he presided as head of the French department and head of the faculty of Modern Languages at Aston University in the period 1971-1998 Developing Intercultural Competence in Practice Michael Byram, Adam Nichols, David Stevens, 2001-07-25 It is now widely recognised that learning a language should not just involve linguistic competence but also intercultural competence It is also clear that intercultural competence can be developed through related subjects such as geography history mother tongue teaching This book takes this as a given and provides practical help for teachers who wish to help their learners acquire intercultural competence in the ordinary classroom It contains descriptions of lessons and materials from a wide range of classrooms in several countries and for beginners to advanced learners New State Formations in Education Policy Laura Engel, 2009-01-01 New State Formations in Education Policy Reflections from Spain explores globalization shifting state spaces and education in relation to a diverse set of processes including democratization decentralization and Europeanization The book offers a unique perspective on education policy formation in the modern nation state in which education policy makers have to take into account and negotiate not only pressures related to devolution and regionalization but also policy ideas emanating from the developing European agenda and notions circulating within the global space In this way education policy concepts are not only formed in relation to national regional dynamics but are influenced more broadly by a complex set of supranational and global considerations While the book focuses on Spain this study reflects the growing influence of globalization on national systems of education The book therefore will be of interest to those engaged in studies of globalization and education and those with an interest in the contemporary political cultural and educational context of Europe Cross-Cultural Perspectives on

Technology-Enhanced Language Learning Tafazoli, Dara, Gomez Parra, M. Elena, Huertas-Abril, Cristina A., 2018-06-08 The ability to effectively communicate with individuals from different linguistic and cultural backgrounds is an invaluable asset. Learning a second language proves useful as students navigate the culturally diverse world; however, studying a second language can be difficult for learners who are not immersed in the real and natural environment of the foreign language. Also, changes in education and advancements in information and communication technologies pose a number of challenges for implementing and maintaining sound practices within technology-enhanced language learning. TELL Cross Cultural Perspectives on Technology Enhanced Language Learning provides information on educational technologies that enable language learners to have access to authentic and useful language resources. Readers will explore themes such as language pedagogy, how specific and universal cultural contexts influence audio-visual media used in technology-enhanced language learning, TELL and the use of English video games to promote foreign language learning. This book is a valuable resource for academicians, education practitioners, advanced level students, and school administrators seeking to improve language learning through technology-based resources.

Audible Difference Jennifer Miller, 2003-01-01 A study of the relationship between learning English as an additional language and the ways in which immigrant students are able to represent their identities at school. In high schools, how such students are heard by others may be just as important as how they speak. This text raises questions about language and identity in schools and should be of interest to researchers, teachers, and students. It seeks to build a bridge between SLA and sociocultural approaches to discourse and identity.
