Lanterns For The Dead:

Death Nicolae Sfetcu, 2016-05-06 About death grief mourning life after death and immortality Why should we die like humans to survive as a species No one wants to die Even people who want to go to heaven don't want to die to get there And yet death is the destination we all share No one has ever escaped it And that is as it should be because Death is very likely the single best invention of Life It is Life's change agent It clears out the old to make way for the new Steve Jobs For sponsorship opportunities please contact me [Library of Congress Subject Headings](#) Library of Congress, 1997 *Library of Congress Subject Headings* Library of Congress.
