

A desert landscape with a winding path leading up a rocky hill under a starry night sky. The path is illuminated by a soft, golden light, possibly from a low sun or moon, creating a strong contrast with the dark, shadowed areas of the rocks. The sky is a deep blue with numerous stars visible. The overall mood is serene and contemplative.

Mecham,2023-09-05 Start your day with a breath of hope When life throws us curveballs it can be difficult to trust God We may feel like we re stumbling in the dark unsure of where to turn But with each new day we have the opportunity to start fresh Trusting God with Every Breath is a 365 day devotional that offers strength and encouragement to move through the ups and downs of life Each day includes Scripture a devotion and personal reflection to help you draw on God s love power and redemption to breathe new life into your faith journey Trusting God isn t always easy but it s always worth it Surrender fully to him and allow his healing grace to transform your heart **No Order in the Church** Marcia Chambers,2022-06-20 In the closing of this book I am so happy that I got the courage to write it and the people that I am going to bless with it Knowledge is power but Knowledge means nothing if we don t put it in action and when God blesses us with it we have to share it with others I am thankful for the persons who encouraged me to do it We must ask questions Too much misunderstanding caused family coworker and friends to fall apart Let s connect and talk Too much fighting in the church Let s get together and unite We need more love in the church Talk is cheap too much talk and no action Let s fight against drugs Too many of our loved ones and friends lives have been destroyed by drugs We need more order not only in the church but also in the home and school We are supposed to build each other up not tear each other apart Life is a journey that comes with a lot of obstacles but if we put our trust in God we will make it No one should have control over how one should be dressed That is just my opinion Gossip is very dangerous most of the time it is not true and we must stop it Evil thoughts so a man thinks we must cancel and delete these thoughts before they become action We must pray against bondage too many people are in bondage and not even know it We must not be comfortable but always be hungry for more There is always room
