Reflections of a Healing Heart T. Monique, 2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged [The Heart's Journey: Healing Hearts Oracle Cards & Guidebook](#) Megan Edge, 2016-02-02 The Hearts Journey Healing Hearts Oracle Cards Guidebook and Journal was born out of author and Master Healer Megan Edges personal journey of transformation and healing This is a story of a major transition in Megans life and how she navigated this transition with the help of the beautiful hearts in nature that crossed her path These hearts and the powerful messages they had for her to follow her heart above all other voices are now available to anyone seeking a deeper understanding of the relationships in their lives Your heart holds all the wisdom you will ever need to love fully as you navigate each of your relationships With the guidance and wisdom shared in The Hearts Journey Healing Hearts Oracle Cards and Guidebook The Hearts Journey Healing Hearts Journal and the 42 full colour Healing Hearts Oracle Cards you will find yourself opening to all of your hearts intelligence and insight giving you the ability to heal your heart wounds love more deeply and connect authentically with others Included in this beautiful boxed set is everything you need to connect to and heal your own Hearts Journey The Hearts Journey Healing Hearts Oracle Cards and Guidebook a 118 page full colour guidebook sharing Megan Edges personal story how to work with The Healing Hearts Oracle Cards and full explanations of each of the Healing Heart cards The Healing Hearts Oracle Cards 42 full colour oracle cards in a hardcover storage box The Hearts Journey Healing Hearts Journal 120 page full colour journal complete with inspirational quotes and photos by the

Internal Revenue Code of 1986 ,1993 **The Healing Heart** Bruno Cortis,2015-03-24 In the United States more than two thousand people die every day from heart disease while those who survive often suffer in pain and debilitating fear as they begin to cope with their own mortality and loss of independence As a practicing cardiologist for three decades Bruno Cortis MD has been personally touched by many of these cases But he has also found that when you re dealing with the spiritual center of the body there is healing to be found far beyond what simple medical care can provide The heart is where you detect the deepest of emotions and where you feel the presence of God So it s no wonder that heart disease often reflects not just a physical wound but a spiritual one and that so many writings throughout the Bible reference this part of the body In *The Healing Heart* Dr Cortis sheds light on many of these references incorporating their profound wisdom into exercises meditations and prayers designed for self healing Along with its discussions of affirmations visualizations and techniques for communicating directly with your heart this groundbreaking and inspirational look at the connection between body and soul has the ability to touch hearts and change lives
