The Hole in Our Holiness Kevin DeYoung, 2014-01-31 The hole in our holiness is that we don't care much about holiness Or at the very least we don't understand it And we all have our reasons too Maybe the pursuit of holiness seems legalistic Maybe it feels like one more thing to worry about in your already overwhelming life Maybe the emphasis on effort in the Christian life appears unspiritual Or maybe you've been trying really hard to be holy and it's just not working Whatever the case the problem is clear too few Christians look like Christ and too many don't seem all that concerned about it This is a book for those of us who are ready to take holiness seriously ready to be more like Jesus ready to live in light of the grace that produces godliness This is a book about God's power to help us grow in personal holiness and to enjoy the process of transformation

The War Within Robert Daniels, 2005 Who is the Faithful and Discreet Slave If you are a Jehovah's Witness no doubt you have a deep love for the truth Chances are you would also agree that no matter how much Bible reading we have done we would never have learned the truth on our own *The Watchtower* December 1 1990 p 19 Most of what you know about Jehovah God and his Word you learned from the faithful and discreet slave class This is why you go door to door to share what you have learned with others But isn't it possible that some of the Watchtower Society's teachings could be wrong After all they've been wrong in the past Wasn't C T Russell wrong when he expected to be taken to heaven in 1914 Wasn't J F Rutherford wrong when he predicted that men like Moses and David would soon be resurrected and live in the Watchtower's mansion in San Diego And isn't it possible that N H Knorr and F W Franz were wrong in saying that the generation of 1914 would live to see the end of this wicked system of things If God's organization was wrong about these things shouldn't we consider the possibility that

they are still wrong about other more important doctrines as well Why is it then that most Witnesses will never question the Society's teachings even when they teach commands of men as doctrines Matthew 15 9 What gives them this kind of authority As you know their claim to authority rests entirely on their interpretation of Jesus parable of the faithful and discreet slave Who really is the faithful and discreet slave whom his master appointed over his domestics to give them their food at the proper time Happy is that slave if his master on arriving finds him doing so Truly I say to you He will appoint him over all his belongings Matthew 24 45 47 They believe this text makes them God's channel for providing spiritual food to his people In 1919 that slave was identified as the remnant of anointed Christians Since then as represented by the Governing Body of Jehovah's Witnesses it has been the center of theocracy on earth The Watchtower January 15 1994 p 16 Since so much rests on this passage it is only right that we examine just what Jesus meant in this parable The Society insists that Jesus was speaking not of individuals but of a group of people who are members of an organization The problem is in Luke's account Jesus specifically applies the parable to individuals Indeed everyone to whom much was given much will be demanded of him and the one whom people put in charge of much they will demand more than usual of him Luke 12 48 The parable has to do with Christian stewardship In fact it follows the same pattern as the parable of the talents Matthew 25 14 30 or minas Luke 19 12 27 A master departs leaving work for his slaves When he returns he evaluates their faithfulness and rewards or punishes them accordingly It's interesting that the Society applies these parables to individuals while applying the faithful and discreet slave parable Matthew 24 45 51 to an organization Their interpretation is inconsistent This teaching on the faithful stewardship of individuals is reflected elsewhere in Scripture In proportion as each one has received a gift use it in ministering to one another as fine stewards of God's undeserved kindness expressed in various ways 1 Peter 4 10 Let a man so appraise us as being subordinates of Christ and stewards of sacred secrets of God Besides in this case what is looked for in stewards is for a man to be found faithful 1 Corinthians 4 1 2 Can you say that Jesus is your Master If so think about what it says of your stewardship when you accept the Watchtower's teachings without question knowing that the Bible never approves of such a practice Have you noticed that the Society often encourages others to examine their religion but discourages you from doing the same How ironic that the Society's first president C T Russell wrote If any one knows anything better let him take it If any of you ever find anything better we hope you will tell us The Watchtower December 1 1990 p 19 We think we have something better We encourage you to compare the teachings of the Watchtower Society with those of solid evangelical Christians Otherwise how will you know you've really been feeding on the best spiritual food As a suggestion start by reading a book like Systematic Theology by Wayne Grudem which examines the biblical basis for the different views of all the major doctrines We pray that Jehovah will guide you as you seek to be a faithful slave of our Lord Jesus Christ [The End of Justice, Form #11.416](#) James Bowers Johnson, 2016-12-01 Why America is the most incarcerated country in the world SEDM has the express written permission of the author to publish this work *Political Islam* Karl

Antony,2013-12-09 Main Important Point is Islamic Terrorism Which its Believers commit many atrocious crimes all over the world especially in the Western World in the name of God **Ethics, Value, and Reality** Aurel Kolnai,2017-09-29 Ethics Value and Reality is a collection of essays written after Kolnai settled in England in 1955 These essays from Kolnai s mature years sit atop a remarkable gestation of moral and political thinking At the heart of his thought is the special role of privilege in a good social order Kolnai relies heavily on the work of late nineteenth and early twentieth century value theorists such as Alexius Meinong Nicolai Hartmann and Max Scheler He blends this continental tradition of ethics with British intuitionism and Scottish Enlightenment articulations For Kolnai ethical life cannot be adequately understood except by reference to moral emphasis and thus Kolnai can be thought of as a liberal conservative He acknowledges myriad values moral and non moral and accepts that all can have some claim upon us Low values as much as high values have a legitimate claim His is a tolerant conservatism though not for a moment does he forgo the necessity of judgment a readily graspable hierarchy keeps the respective demands of values in proportion Kolnai welcomes the call to seriousness which is the hallmark of existentialism The ground of Kolnai s thought is the idea of emotion as cognitive He saw the typical analytical philosopher s fascination with simplicity of explanation not only thoroughly refuted by the gains in understanding wrought by phenomenological method with its deference to the richness of phenomena but sensed in the monistic inclination he dreaded a harbinger of totalitarianism Never denying his emotionalism he nonetheless made his points well enough by adopting an analytical approach to philosophy and ethics This is a major work crossing moral and political philosophy The Nietzsche Dictionary Douglas Burnham,2014-11-20 Nietzsche is not difficult to read but he is famously difficult to understand This is because of the bewildering array of words phrases or metaphors that he uses The Nietzsche Dictionary aims to help by giving readers a road map to Nietzsche s language and how his terminology and images relate together forming an overall philosophical picture The Dictionary also includes synopses of Nietzsche s key works and short articles on the main philosophical and cultural influences leading up to and resulting from Nietzsche Easy to use and navigate the book treats all entries thematically and arranges them into seven types Influences on or the contemporary context of Nietzsche Major influences of Nietzsche Key concepts Key metaphors or images Alternative translations Other words or phrases found in Nietzsche that are cross referenced to a main entry Synopses of major works by Nietzsche Designed to be a resource that all readers of Nietzsche will find invaluable this text is an essential tool for everyone from beginners to the more advanced

Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God s will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God s will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God s will was biblically deficient Maybe there was a better way to understand HOW God guides

Codes of Ethics for Private Security Management and Private Security Employees United States. Private Security Advisory Council,1976 **The Principles of Information Ethics** Richard Severson,2015-05-11 This text presents the author s model of following principled ethics together with by chapters on each of the guiding principles respect for intellectual property principle of fair representation privacy and the principle of nonmalfeasance It avoids the use of technical jargon Good Business James O'Toole,Don Mayer,2013-05-13 This illuminating and practical collection of essays addresses the increasingly important topics of corporate ethics social responsibility and sustainability in the context of effective global business strategies Instead of condemning business or exhorting corporate leaders to do good the authors deal with the hot button issues of our time in a cool and rational manner seeing them as opportunities rather than as problems As the authors illustrate there is no necessary trade off between business leaders doing the right thing on one hand and the profitable thing on the other They demonstrate that ethics is not peripheral or in addition to the central concerns of business To the contrary ethics and good citizenship are at the heart of all good business strategies decisions and organizational cultures These essays offer useful examples of how executives can create strategies and cultures that are both and at the same time ethical and effective the essence of GOOD BUSINESS A PUBLICATION OF THE INSTITUTE FOR ENTERPRISE ETHICS Daniels College of Business University of Denver

Malthus, Medicine & Morality Brian Dolan,2000 Thomas Robert Malthus s reputation has lately been rehabilitated in the fields of social biology demography environmentalism and economics In the midst of this current interest and with the

chance to mark the occasion of the bicentenary of the first edition of the *Essay on Population* 1798 the contributors to this volume take this timely opportunity to examine the historical conditions in which Malthus constructed his theory and in which the concept of a Malthusian and Neo Malthusian philosophy first emerged The essays redress the balance between Malthus's original argument the immediate responses to Malthus by medics and theologians in Britain and on the Continent and some of the ways that his ideas were later attacked appropriated or misrepresented Included here are essays that not only re-evaluate the development of Malthus's theory but also offer critical perspectives on the generation of the Malthusian league and debates about birth control in Britain and on the Continent and Malthus's influence on the emergence of social science and Darwinian evolutionary biology
