The Honour Code of Greed Michael Jones, 2013 **Payback** Mike Nicol, 2011-04-21 Across the city bombs are blowing out nightclubs where drugs go down faster than drinks Working the scene are slick American dealers trading crack for arms And arms for blood diamonds The thin shield between Cape Town's streets and the easy luxury of the famous and the rich is a pro tection company called Complete Security But Mace and his partner Pylon Buso are taking strain For the one time gunrunners now in the muscle business keeping the beautiful people safe the past has a long and dangerous reach So does the present It's payback time Gender and Change Alexandra Shepard, Garthine Walker, 2009-06-08 Through a collection of essays by leading scholars on women s history and gender history Gender and Change Agency Chronology and Periodisation questions conventional chronologies while reassessing the relationship between gender agency continuity and change Celebrates 20 years of the publication of the journal Gender History Reflects the extent to which gender analysis suggests alternatives to conventional periodisation For example whether the European Renaissance can be classified as the same period of great cultural advance when viewed from the perspective of women Offers innovative historiographical and theoretical reflection on approaches to gender agency and change Locke and Rousseau Laurie M. Johnson, 2012-04-26 Laurie Johnson investigates two Enlightenment era reactions to honor in Locke and Rousseau She provides an in depth analysis of how political philosophers John Locke and Jean Jacques Rousseau react differently to the place and importance of honor in society Locke continues the trend of rejecting honor as a means of achieving order and justice in society preferring instead the modern motivation of rational self interest Johnson explores the possibility of an honor code that is compatible with Lockean liberalism but also points out the problems inherent in such a project She then turns to Rousseau whose reaction to Enlightenment ideas reveals our own divided mood Rousseau s worries and ambivalence about honor are our worries and ambivalence and his failed attempt to revise honor in a way that works within the modern system highlights how difficult any project to resurrect the value of honor will be This book will interest anyone who wonders what happened to honor in our world today including students of communitarianism Johnson warns us that we cannot simply look to the past to the ideals of Locke or other Enlightenment thinkers such as the American founders for answers to our current family social and economic problems because our problems at least partly stem from Enlightenment liberal thought Instead we must fully recognize this connection before we can start to formulate a definition of honor that can work for us today A Study Guide to "The Remains of the Day" Essaka Joshua, 2004 <u>Dressed to Kill</u> Elizabeth Rhodes, 2011-01-01 The noble wives in Mar a de Zayas s Desenga os suffer terrible fates one is beheaded another poisoned one is cemented into a chimney while yet another is locked into a tiny wall closet where she dies The hallmark of Zayas s aesthetics these characters are the central reason why her fiction has increased in popularity through the ages Yet their stories pose an apparent contradiction between the author's profemale rhetoric and her gusto for killing model women then beautifying their mutilated cadavers Dressed to
