

5 WAYS

TO HOOK YOUR AUDIENCE'S ATTENTION

NUMBER PLAYS

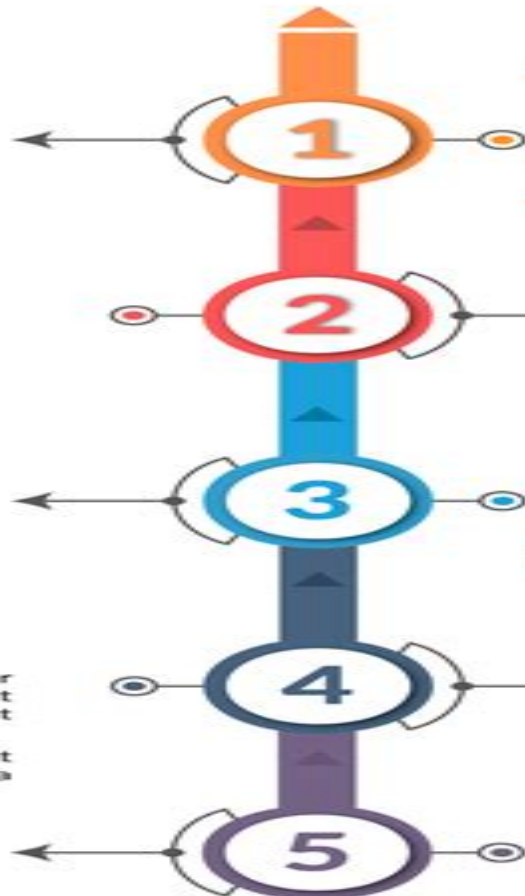

- Identify 3 numbers in a scenario that relates to the point you're trying to make.
- Write them down and say, "There's an interesting story around these 3 numbers."

PROPS

- Pick a 3D object that reminds your prospect of a conversation that you've had around an important point.
- What's the landing point you want to deliver? Find a prop that tells a story around that.

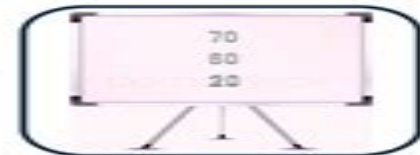

YOU!

STORYTELLING

Break the ice and build rapport. *Tell a personal story!*

- Start with the end in mind. What's the problem that you're going to solve in your prospect's world?
- What is at the root of that problem?
- Find a similar problem that shows up in your world.
- Tell a story about how you were able to resolve it.

WORD PLAYS

- Think of what point you're trying to make and where that shows up in the world.
- Pick 3 words that relate to your example and ask, "What do these 3 words have in common?"

YOU-PHRASING

- The use of "you" engages the person you're speaking to within a sales conversation more than "we" or "I".
- X** "I'm going to show you how to increase your sales"
- ✓** "What if you could increase your sales?"

MASTER MESSAGING

Hook Your Audience
