*I Want to Be Free* Carl H. Leonard,2010-12-30

able to relate at the time this was all I wanted Once I felt that I had poured enough of my pain into the pages I laid down my pen There was nothing more for me to write so I thought After a while I began to notice that my situation hadn t changed I was still moving from job to job With only an 11th grade education there wasn t really much I could do except to go back to school but that had been years ago I really felt that I was better off teaching myself I would look for things to write about digest them analyze them and put them in my own words how I saw them and what I felt This is when it began to take shape far beyond just words of heartache I could see things that no one else saw
