Honeysuckles and Blood Debra Sue Johnson,2005-10 Can a drug be invented that can drain the soul of a human A pain shot through him He curled into a ball and held still until the pain subsided He could feel the cold sweat trickle down the side of his nose He hated the pain When would it be over When could he drink The pain stopped He felt his body relax The pains were getting closer He knew he would be feeding soon Elliot closed his eyes Yes there was a presence in the room with him but not someone he could see Who was this person Soon he would find out and get rid of her Her Yes the presence was a female When he was well he would search for her Then drain her soul He laughed What a wonderful drug he possessed He would get even with the ones who told him no **Honeysuckle** Joel F.
