Dosick,Ellen Dosick Kaufman,2009-03-01 Since the 1980s people have been writing about the indigo children Today many believe that nearly 80 percent of all children born are indigos These are exceedingly creative high energy perceptive kids who often don t fit in They seem to have an awareness that is light years beyond their age and quite often they are labeled as ADD ADHD or ODD when in actuality they are in the words of the Dosicks simply children of spirit What sets this book apart from other books is that it approaches the issues facing indigos on a spiritual energetic rather than purely cognitive level and it is prescriptive teaching a specially developed set of games that can help heal indigo children both in their own bodies and in

their earthly relationships Here the Dosicks name seventeen particular emotional wounds indigos hold in their bodies and give specific exercises for healing each one The games have proven enormously helpful to these often troubled kids even preteens and teenagers They celebrate the children s different ways of perception and calm their agitation The games involve some hands on healing techniques some scripted meditations and other quick and simple techniques Each game takes no more than two minutes to play and this book features 101 black and white photographs showing parents exactly how to use the practices
