Eve And The Women Of The Hebrew Scriptures:

Encyclopedia of Women in the Ancient World Joyce E. Salisbury, 2001-05-16 An extensive and fascinating collection of stories featuring both famous and everyday women giving a well rounded view of the lives of women in the ancient world When did women first become rulers athletes soldiers heroines and villains They always were observes historian Judith Salisbury From Mesopotamian priestesses and poets to Egyptian queens and consorts there was never a time when women did not participate in all aspects of society Salisbury tells the stories of 150 women from the ancient world ranging from the very famous such as Cleopatra VII immortalized by Hollywood to the barely remembered such as the Roman poet Nossis Writing for a general audience Salisbury begins by painting each woman into her historical context then recounts each woman s story describing the choices she made as she looked for happiness wealth power or well being for herself and her family stories much like our own In entries on general themes clothing cosmetics work sexuality prostitution gynecology Salisbury analyzes the commonalties in the lives of these women of antiquity from a cross cultural perspective **The Bible According to Eve** Hadassah Alderson, 2020-02-27 The Bible According to Eve The Women of the Torah retells the stories of the women of the Hebrew Bible in the first five books It begins with a poem about the Eve of the books moves through the story of Eve s loss in Cain s murder of Abel and the tale of Noah s wife to the stories of the patriarchs wives of Genesis It follows with poems relating to the stories of Moses s family and laws of Leviticus Numbers and the other books of the Pentateuch Boldly told from an all female perspective The Bible According to Eve is a more exhaustive treatment of the Bible s women than The Red Tent or After Abel and Other Stories on top of being easy to understand and a joy to read **The Oxford Handbook of Feminist Approaches to the Hebrew Bible** Susanne Scholz, 2020-10-01 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field The topics of analysis focus heavily on gender and queer identity with essays touching on African Korean and European feminist hermeneutics womanist and interreligious readings ecofeminist and animal biblical studies migration biblical studies the role of gender binary voices in evangelical egalitarian approaches and the examination of scripture in light of trans women s voices The volume also includes essays examining the Old Testament as recited in music literature film and video games The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally hermeneutically and exegetically cutting edge path for the ongoing development of biblical studies grounded in feminist womanist gender and queer perspectives **Eve's Bible** Sarah S. Forth, 2009-05-26 Eve s Bible is for every woman who has ever said I ve always wanted to read the Bible but Whatever the reason it s too complicated too big too old too many men and too few women and anyway I don t know whether I believe it or not Eve s Bible helps readers explore the Old Testament

regardless of religious affiliation Eve's Bible challenges conventional ideas about women in the Bible and shows readers how to draw upon their own truth to interpret the Bible in new and liberating ways With Eve's Bible as their companion readers will Recognize and read the Old Testament's literary building blocks Learn how women in the biblical era lived Learn why the biblical Deity is such a complex character Derive meaning from scripture by balancing left brained inquiry with heart felt intuition Become their own authority on the Bible A friendly guide that anticipates readers questions and concerns Eve's Bible helps readers find their way through the Bible with intelligence and verve *Human-Divine Interactions in the Hebrew Scriptures* Berel Dov Lerner, 2023-09-22 Rabbi Sacks Book Prize Finalist 2024 This book addresses central theological issues and biblical narratives in terms of a bold thesis regarding relations between God and humans that the actions of God and the actions of humans are informed by independently valid moral viewpoints which do not entirely overlap The author suggests that God's plans and actions reflect the interests and obligations appropriate to His goal of creating a worthy world but not necessarily our world In contrast humans must attend to special obligations grounded in their dependence on their existing created world and in their particular places in the human family However in acts of grace God voluntarily takes on special obligations toward the created world by entering covenants with its inhabitants When the covenant involves reciprocal obligations as in the case of God's covenant with Israel it also recruits human beings to play conscious roles in God's larger plans These covenants frame the moral parameters of human divine interaction and cooperation in which each party strains to negotiate conflicts between its original duties and the new obligations generated by covenants The interpretive discussions in this book involve close readings of the Hebrew text and are also informed by rabbinic tradition and Western philosophy They address major issues that are of relevance to scholars of the bible theology and philosophy of religion including the relationship between divine commands and morality God's responsibility for human suffering God's role in history and the intersection between politics and religion

Women in the Bible for Progressive Christians (Hebrew Scriptures) Donald Schmidt, 2021-06-15 Women make up over one half of the world's population yet throughout history women have been kept out of power they have been oppressed and disregarded and have often had their stories ignored This is a tragedy not only for women but for all humankind because we all have much to gain by hearing one another's stories and by experiencing one another in all of our rich fullness not from a preconceived notion that one group or sex is superior to another This is important to note at the beginning because history has largely been told by men In particular the stories we have preserved from ancient times tell things from a male perspective and often ignore women Thus we often need to read between the lines and behind the words to really hear the stories of the women who played such a significant role in the events described in the biblical stories and by extension in our tradition Of course there are real differences between women and men just as there are real differences between men and between women We are not all the same as individuals we are all different from each other Rather than a problem however we can see this as one of the

greatest gifts God has given us the wonderful and amazing gift of difference The sessions in this study will invite you to explore the stories of some amazing biblical women to get to know them and to learn from them How might we live our lives in response to that Helpmates, Harlots, and Heroes, Second Edition Alice Ogden Bellis,2007-07-03 This best selling book now revised and updated shares the work of many feminist biblical scholars who have examined women s stories for several years These stories are powerful accounts of women in the Old Testament stories that have profoundly affected how women understand themselves as well as men s perception of them Here Alice Bellis shares the research of feminist biblical scholarship during a quarter of a century which renders a vast amount of refreshing exciting sometimes disturbing material

Introducing the Women's Hebrew Bible Susanne Scholz,2017-08-10 Introducing the Women s Hebrew Bible is an up to date feminist introduction to the historical socio political and academic developments of feminist biblical scholarship In the second edition of this popular text Susanne Scholz offers new insights into the diverse field of feminist studies on the Hebrew Bible Scholz provides a new introductory survey of the history of feminism more broadly giving context to its rise in biblical studies before looking at the history and issues as they relate specifically to feminist readings and readers of the Hebrew Bible Scholz then presents the life and work of several influential feminist scholars of the Bible outlining their career paths and the characteristics of their work The volume also outlines how to relate the Bible to sexual violence and feminist postcolonial demands Two new chapters further delineate recent developments in feminist biblical studies One chapter addresses the relationship between feminist exegesis and queer theory as well as masculinity studies Another chapter problematizes the gender discourse as it has emerged in the Christian Right s approaches to the Old Testament **The**

Living Church ,2004 **Eve's Pilgrimage** Tina Beattie,2002-04-01 In this original book the author journeys through Rome following biblical events and themes in works of art from Genesis in the Sistine Chapel through Incarnation in the Pantheon and Resurrection in Michaelangelo s Last Judgement She touches on many themes in her journey including violence and power at the Colloseum social injustice at St Mary Major and motherhood at the icon of Our Lady in Perpetual Succour Writing as an intelligent Christian feminist Beattie doesn t resort to clichés and has a clear elegant style which makes this a very readable book *The Women of Israel; Or, Characters and Sketches from the Holy Scriptures and Jewish History* Grace

Aguilar,1876 *"The" Women of Israel, Or, Characters and Sketches from the Holy Scriptures and Jewish History, Illustrative of the Past History, Present Duties, and Future Destiny of the Hebrew Females, as Based on the Word of God* Grace Aguilar,1889 Balancing the Scales Marie A. Conn,Therese Benedict McGuire,2003 Balancing the Scales a book of essays by faculty members of Chestnut Hill College in Philadelphia is an exploration of the manipulation and transformation of symbolic concepts of women A multidisciplinary collection representing Art History English Spanish Language and Literature Psychology and Theology this book hopes to raise awareness of the historical perception of women before and after the so called patriarchal revolution In the eighth century BCE the Greek poet Hesiod changed the character of Pandora

a manifestation of the Great Earth Mother into Pandora the bringer of evil This fundamental change in the nature of the female archetype influenced the biblical writers and their depiction of Eve In the medieval period artistic renderings of the Whore of Babylon and the Woman Clothed with the Sun resulted in cultic images of women as either whore Eve or pure virgin Mary The apparitions and miraculous images of the Black Madonna at Montserrat and Guadalupe show the persistence of the divine feminine in popular culture even as institutional religion denies her existence The story of Cleopatra breaks open the question of why strong women are seen as frightening The essays conclude with psychological study of the imbalance induced by millennia of patriarchal domination resulting in the loss of the sacred feminine **Radical Love**

Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians Biblical Portraits of Exile Abi Doukhan, 2016-05-26 Exile constitutes one of the most central experiences in the Bible notably in the book of Genesis The question has rarely been asked however as to why exile plays such an important role in the lives of Biblical characters Biblical Portraits of Exile proposes a philosophical reading largely inspired by the philosophy of Emmanuel Levinas of the experience of exile in the book of Genesis Focusing on the 8 central figures of exile Adam Eve Cain the sons of Shem Abraham Rebekah Jacob and the sons of Levi the book draws out the ethical and redemptive implications of exile and thereby paves the way for a renewed description of the human subject one that situates ethics at its very core Christianity: A Brief Survey Michael D. Robinson, 2022-05-13 Christianity is a way of life centered on the person life teaching death and resurrection of Jesus the Christ As a religious way of life Christianity is multifaceted involving numerous beliefs and practices This book explores many of the varied facets of the Christian faith including its foundations in the story of Israel the person of Jesus the early Christian community and the sacred text called the Bible In turn Robinson's book examines Christianity's core doctrines ethical norms and worship practices rounding out the study by considering four key contemporary challenges faced by Christian believers namely the problem of evil the relationship of Christianity to other religions and to science and the role of women in church and society Among the strengths of this book is that it addresses these multiple features of Christianity in a single volume it is aptly titled Christianity A Brief Survey Her Image of Salvation Gail Paterson Corrington, Gail Corrington Streete, 1992-01-01 Corrington examines the image of the savior and the experience of salvation two concepts that are inextricably entwined The

author asserts that Christianity set aside female images of salvation by emphasizing the maleness of Jesus She draws on solid knowledge of Jewish and classical Greek sources to show that the image of God could be seen as both male and female

Eve's Revenge Lilian Calles Barger, 2003-03-01 Botox Plastic surgery Make up Women sometimes go to desperate lengths to distort mold and fashion their bodies into that of the ideal woman They live with the reality of the body from its reproductive implications to the pressures from the media to look a certain way They are intimately connected to their bodies but often find it difficult to link their experience of the female body with their desire for Christian spirituality Lillian Barger presents Eve's Revenge to help women see how their understanding of their bodies impacts spirituality Not a self help book it describes the tension women experience between their bodies and their desire for a spiritual life Barger suggests the possibility of viewing women as unified not split between body and soul This model offered through the life and work of Jesus Christ provides insight into how Christian women ought to live in the world and in their own skin Christian women struggling with a body soul tension and those interested in the social and spiritual meaning of the female body will find this engaging book enlightening and helpful

Abuse of Christian Women in India Jane A McNally, A. Berkeley Mickelsen, Alvera Mickelsen, 2005-06 Remedy in 12 Biblical Studies on Equality of Man and Woman This little book on the abuse of Christian women in India and the remedy which lies in understanding and promoting the true biblical and God given relationship of woman and man deserves our careful attention Jane McNally who spent most of her life in India uncovers the problem of abuse in Indian Christian homes with accuracy and authority as well as with pain and passion The outlined Bible studies help the reader to understand the true biblical and God given relationship of woman and man which is the only hope for the redemption of family life in India and the world

Women, Salvation, and Childbearing Kenneth L. Waters Sr., 2022-07-11 This book offers a completely original groundbreaking interpretation of one of the most difficult passages in the Bible For too long a closed circle of voices has dominated the discussion about the meaning of 1 Timothy 2 11-15 Ministry leaders have continued to struggle with inadequate solutions to the problems posed by the text and women especially those called to ministerial service have suffered from missteps in its interpretation Kenneth Waters uncovers what he argues is a long hidden key to understanding the comments about women salvation and childbearing in this controversial passage He maintains that although it was a truth known to the original hearers of this letter it has been hidden from later generations of readers
