Even Greater Things Hope And Challenge After Vatican II:

Even Greater Things Bernard Michael Daly, Remi J. De Roo, Mae Daly, 1999 *Vatican II* Gilles Routhier, Michael Attridge, Catherine E. Clifford, 2011 Une tude savante compl te de l histoire de la r ception et de l impact de Vatican II au Canada A thorough scholarly examination of the history reception and impact of Vatican II in Canada The Church in the Making Richard R. Gaillardetz, 2006 Vatican II has become a place marker in the ecclesiastical and ideological geography of contemporary Catholicism Yet forty years later few who refer to the council and its teachings whether with approval or criticism demonstrate a solid grasp of those teachings Even fewer are aware of the important debates that have taken place in the past four decades regarding the council s authentic reception and implementation of its documents History of Canadian Catholics Terence J. Fay, 2002 A history of the first 400 years of Catholic life in Canada Arc , 1999

Canadian Periodical Index , 2000 **Egalitarianism and Local Liturgical Practice** Elizabeth Marie Harmatys Park, 2006 *Quill & Quire* , 1999 **Canadian Books in Print 2002** Marian Butler, 2002-02 *Sessions D'étude* Canadian Catholic Historical Association, 1999 **Western Oblate Studies** , 2000 **The Reception of Vatican II** Matthew L. Lamb, Matthew Levering, 2017 A sequel to Vatican II Renewal within Tradition OUP 2008 The Reception of Vatican II shows how the Council has been received and interpreted over the course of the more than fifty years since it concluded The meaning of the Second Vatican Council has been fiercely contested since before it was even over and since its completion has seen a battle for the soul of the Church waged through the interpretation of Council documents Each essay in this volume looks at how one of those documents has been interpreted in the post Vatican II era and points the way forward for its future reception The Tablet , 1875 *Canadian Books in Print* , 2003 **Archbishop Fulton J. Sheen** Cheryl D. Hughes, 2024-11-30 Venerable Fulton J Sheen was one of the greatest spiritual leaders and entertainers in America s tumultuous twentieth century His television shows for which he eventually won an Emmy Award reached millions of viewers and in the 1950s and 60s Fulton Sheen was a household name But his greatest gift was in finding lost sheep Through his thought wit and compassion many thousands of people likely entered the Church from all walks of life This in depth work by historian Cheryl C D Hughes lets readers inhabit the postwar America where Bishop Fulton Sheen thrived in order to reveal what made him such a magnetic figure in his own era It peers into the complex lives of the celebrities and fallen stars who saw in the warm brilliant bishop a sign of God s grace and it offers a study in the inner dynamics of conversion **Vatican II and Phenomenology** J.F. Kobler, 2012-12-06 The thesis of this essay may be stated quite briefly Vatican II is a demonstration model of the phenomenological method employed on an international scale It exemplifies the final developmental stage postulated by Husserl of an inter subjective phenomenology which would take its point of departure not from individual subjectivity but from transcendental intersubjectivity Vatican II accordingly offers a unique application of a universal transcendental philosophy in the field of religious reflection for the practical purposes of moral and socio cultural

renewal Phenomenology as a distinctively European development is relatively unknown in America at least in its pure form. Our contact with this style of intuitive reflection is usually filtered through psychology or sociology. However, Edmund Husserl, the Father of Phenomenology, was originally trained in mathematics and he entered the field of philosophy because he recognized that the theoretical foundations of modern science were disintegrating. He foresaw that unless this situation were rectified, modern men would eventually slip into an attitude of absolute scepticism, relativism, and pragmatism. After the First World War, he saw this theoretical problem mirrored more and more in the social turbulence of Europe, and his thoughts turned to the need for a renewal at all levels of life. In 1937, when Nazism was triumphant in Germany and Europe on the brink of World War II, he wrote his last major work, *The Crisis of European Sciences and Transcendental Philosophy*. **Key Questions about Christian Faith** John Goldingay, 2010-11. A biblical theologian explores what the Old Testament says about twenty-five important questions of the Christian faith, drawing practical, sensible applications for today's church. **The Surprising Pope** Maciej Zięba, 2000-01-01. On the wave of Pope John Paul II's recent extraordinary journeys to places such as Cuba and Israel comes this new accessible survey of his teachings from one of his closest associates. Father Maciej Zięba, a Pole who came back to Catholicism after studies in physics and activist efforts with Solidarność, was ordained as a Dominican priest. Young, media savvy, and down to earth as well as erudite and profound, Father Zięba has become known in Poland as an engaging interpreter of the Pope's teachings. Published here in English are eleven conversations originally conducted for a series of programs on Polish television on the most important points of John Paul II's teachings. Journalist Adam Pawłowicz represents the reader in dialogue with Zięba, who not only clarifies these teachings but also confronts contemporary critiques. Tackling such complex issues as freedom, democracy, ecumenicalism, and sexuality with grace and equanimity, *The Surprising Pope* is a major contribution to our understanding of the papacy of John Paul II. **Witness to Hope** George Weigel, 2009-10-13. This definitive biography of Pope John Paul II explores his historic influence on the world stage. A tremendous achievement. *Washington Post*. As head of the Catholic Church from 1978 until his death in 2005, John Paul II was one of the world's most transformational figures. With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life, George Weigel offers a groundbreaking portrait of him as a man, a thinker, and a leader whose religious convictions defined a new approach to world politics and changed the course of history. The Pope played a crucial yet underexplored role in some of the most momentous events of his time, including the collapse of European communism, the quest for peace in the Middle East, and the democratic transformation of Latin America. With an updated preface, this edition of *Witness to Hope* explains how this man from a far country did all of that and much more, and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world. *A Pope and a President* Paul Kengor, 2023-07-18. Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War, they have failed to recognize the depth or significance of the bond that

developed between the two leaders Acclaimed scholar and bestselling author Paul Kengor changes that In this fascinating book he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century Soviet communism Reagan and John Paul II almost didn't have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins But their strikingly similar near death experiences brought them close together to Moscow's dismay Based on Kengor's tireless archival digging and his unique access to Reagan insiders A Pope and a President is full of revelations It takes you inside private meetings between Reagan and John Paul II and into the Oval Office the Vatican the CIA the Kremlin and many points beyond Nancy Reagan called John Paul II her husband's closest friend Reagan himself told Polish visitors that the pope was his best friend When you read this book you will understand why As kindred spirits Ronald Reagan and John Paul II united in pursuit of a supreme objective and in doing so they changed history
