Evergreen Citizen:

Honoring the Civil War Dead John R. Neff, 2005-02-14 By the end of the Civil War fatalities from that conflict had far exceeded previous American experience devastating families and communities alike As John Neff shows commemorating the 620 000 lives lost proved to be a persistent obstacle to the hard work of reuniting the nation as every memorial observation compelled painful recollections of the war Neff contends that the significance of the Civil War dead has been largely overlooked and that the literature on the war has so far failed to note how commemorations of the dead provide a means for both expressing lingering animosities and discouraging reconciliation Commemoration from private mourning to the often extravagant public remembrances exemplified in cemeteries monuments and Memorial Day observances provided Americans the quintessential forum for engaging the war s meaning Additionally Neff suggests a special significance for the ways in which the commemoration of the dead shaped Northern memory In his estimation Northerners were just as active in myth making after the war Crafting a Cause Victorious myth that was every bit as resonant and powerful as the much better known Lost Cause myth cherished by Southerners the North asserted through commemorations the existence of a loyal and reunified nation long before it was actually a fact Neff reveals that as Northerners and Southerners honored their separate dead they did so in ways that underscore the limits of reconciliation between Union and Confederate veterans whose mutual animosities lingered for many decades after the end of the war Ultimately Neff argues that the process of reunion and reconciliation that has been so much the focus of recent literature either neglects or dismisses the persistent reluctance of both Northerners and Southerners to forgive and forget especially where their war dead were concerned Despite reunification the continuing imperative of commemoration reflects a more complex resolution to the war than is even now apparent His book provides a compelling account of this conflict that marks a major contribution to our understanding of the war and its many meanings *Cemetery Citizens* Adam Rosenblatt, 2024-04-30 Across the United States groups of grassroots volunteers gather in overgrown systemically neglected cemeteries As they rake clean headstones and research silenced histories they offer care to individuals who were denied basic rights and forms of belonging in life and in death Cemetery Citizens is the first book length study of this emerging form of social justice work It focuses on how racial disparities shape the fates of the dead and asks what kinds of repair are still possible Drawing on interviews activist anthropology poems and drawings Adam Rosenblatt takes us to gravesite reclamation efforts in three prominent American cities Cemetery Citizens dives into the ethical quandaries and practical complexities of cemetery reclamation showing how volunteers build community across social boundaries craft new ideas about citizenship and ancestry and expose injustices that would otherwise be suppressed Ultimately Rosenblatt argues that an ethic of reclamation must honor the presence of the dead treating them as fellow cemetery citizens who share our histories landscapes and need for care *The Nightingale* (Director's Score) Andy Beck, Brian Fisher, Steve Herold, 2006-10-04 In this classic tale by famous children s writer Hans

Christian Andersen an emperor's special friendship with a singing nightingale is tested when she flees his beautiful porcelain palace to return to her home in the Chinese forest Feature your entire chorus as the Citizens of China your best comedic performers as the royal Courtiers and a special student as the non speaking non singing Gongkeeper in this 40 minute literature based musical The dramatic story is musically and theatrically strong throughout but especially effective when the Nightingale and the Emperor are reunited at the powerful end Recommended for grades 4 and up Performance time approximately 40 minutes Staging Notes included

Senior Citizen Services Charles B. Montney,1992-12 Until now it's been difficult to access the right local government and private agencies and organizations providing care services for ageing seniors within the United States With Senior Citizens Services locating the appropriate help for senior citizens is made much easier This is the volume devoted to the Midwest of the United States in the biennial four volume regional directory containing descriptive listings for 57 state and 670 local area agencies concerned with providing care services for ageing people in the United States Included from the private sector are some 21 000 organizations that provide such services as adult day care case management home delivered meals home repair vision services hearing impaired services legal assistance and more

Publication ,1991 **Administrative History** Harlan D. Unrau,1991 **The Circle of Knowledge: A Classified, Simplified, Visualized Book of Answers** Various,2022-06-02 The Circle of Knowledge is an informative book that was designed in 1917 to be both inspiring and entertaining The book represents the modern progressive spirit which fits that time in its forms of expression and its editorship The purpose of this work is to answer the why who what when where how of the wide majority of curious minds both young and adult and encourage them to raise further questions Special measures were taken in creating this work to isolate essentials from non essentials to differentiate human interest subjects of universal significance from those of little concern to deliver living truths instead of dead vocabulary and finally to bring the whole within the knowledge of the intermediate reader without regard to age in an acceptable and exciting form The use of visual outlines and tables maps drawings and diagrams the illustrated works of great painters sculptors and architects all are used to give the reader the valuable and cultural knowledge of past and present

Victor Fung, Lisa J. Lehmborg, 2016 Music for Life Music Participation and Quality of Life of Senior Citizens presents a fresh new exploration of the impact of musical experiences on the quality of life of senior citizens and charts a new direction in the facilitation of the musical lives of people of all ages Authors Fung and Lehmborg clearly define the issues surrounding music education music participation quality of life and senior citizens discussing the most relevant research from the fields of music education adult learning lifelong learning gerontology medicine music therapy and interdisciplinary studies At the heart of the book is Evergreen Town a retirement community in the southeastern U S A that serves as the backdrop for three original research studies The first of these is in two phases a survey and a focus group interview that examines the histories and rationales for the music participations and non participations of community residents The second and third case studies take an in depth look at a church choir and a bluegrass group two prominent musical groups in the community and include the perspectives of the authors themselves as group members and participant observers Fung and Lehmborg conclude with a challenge for the profession of music

education to act on this research and on the current advances in the field to enable all people to benefit from the richness of music as a substantial contributor to quality of life
