

One Cold Lonely Night

**One cold lonely night
One full moon that shines so bright
No bright stars above tonight.
To share with moon's lonely light.**

**Yesterday I felt like it is forever.
But now it is all comes to never.
How can I go on with a life like this?
When my life, that is you whom I'll always miss.**

**Now I'm sharing moons loneliness.
Without you here everything is sadness.
Then the clean velvet sky is now filled with dark cloud.
And the moon is now covered with that enigmatic shroud.**

**The heaven cries as the drops of rain falls.
And so as my eyes and in my cheek it gently rolls.**

Every Lonely Night And Other Poems:

Every Lonely Night Maurice R. Draggon, 2000-10-17 An epic journey through the varying thoughts of a young man Every Lonely Night and other poems leads you on a personal yet universal saga of love betrayal and life and its meaning

Yggdrassil, and Other Poems John Campbell (writer of poetry.), 1898 *The Complete Poetry: The Watchman and Other Poems + Uncollected Poems* Lucy Maud Montgomery, *Lonely Nights and Wild Women* Frank Cebulski, 2011-11 I have written many Concrete Visual and Shaped CVS poems over the years Most of them were designed to be broadsides or poster poems large and impressive by their size and presence Most of them however were never published commercially because the cost of the artwork and print runs were too expensive for me It is also difficult to find printers who want to set up and run a limited edition of 500 or fewer broadside or poster poems especially if they require careful color registration and special printing and paper The only poem that was printed in the manner I envisioned and planned was *Lonely Nights Wild Women Auto Poem State Four* This I printed under the imprint of my own press Light Gravity which I founded in 1970 Artwork and camera ready versions were also completed for two other poems included here *Elbow* and *Voyageurs Metropolitains* Ten of the CVS poems in this collection were privately printed and distributed by me in 2006 in a special edition I prepared for my friends under the imprint of my own press Light Gravity Berkeley California That was their first limited public appearance Friends who knew about these CVS poems requested that I provide copies for them which I did Some of the recipients of the limited edition are listed in the acknowledgements to this edition For the privately printed edition individually numbered and signed I selected ten CVS poems that I created and designed entirely myself and provided a brief history and background for each poem and an essay on *How to Read* which I have also included here This commercial edition includes four additional poems previously published in my other books of poems but which I think important to add to this collection of my CVS poems **The Miracle, and Other Poems** Virna Sheard, 2019-12-12 In *The Miracle and Other Poems* Virna Sheard delivers a collection that navigates the complexities of human emotion spirituality and existential inquiry through her finely crafted verses Her lyrical style resonates with the natural imagery and metaphysical explorations found in early 20th century Canadian poetry This anthology enriched by vivid metaphors and an introspective tone invites readers to contemplate the nuances of faith and nature reflecting a profound connection to the lived experience and the intangible forces that shape it Virna Sheard a prominent Canadian poet and novelist in the early 1900s was known for her deep engagement with themes of identity and spirituality influenced by her own life experiences and the societal movements of her time A member of the Toronto literary community Sheard's work emerged amidst a growing recognition of women's voices in literature allowing her to express the delicate balance between personal and universal truths Her background and context provide depth to her reflections on life's miracles inviting readers to immerse themselves in her thoughtful portrayals of the human condition This collection is a must read for anyone seeking to explore the interplay between doubt and belief the

tangible and the ethereal Sheard's poems serve not only as artistic expressions but also as philosophical reflections that provoke thought and inspire. *The Miracle and Other Poems* stands as a testament to the enduring power of poetry to illuminate the often unspoken complexities of existence. *The Bird of Nothing & Other Poems* Próspero Saíz, 1993 *The country minister, a poem, with other poems* Jacob Brettell, 1827 **Poetry For All Seasons** Paterika Hengreaves, 2007-10-03 Poetry for all Seasons accomplishes four goals all in one neat package. As she started writing her first poem it made her realize how blessed she was that she survived those days that she felt so lost. The main goal of this book is to inspire other people to write and find their purpose through writing. She hopes this book can reach a lot of people who need guides in their lives and find starting points of their new beginnings. *An Index to Poetry and Recitations* Edith Granger, 1918 *My Anthology of Poetry and Songs* Edward O. The Poetry of Class Patrick Eiden-Offe, 2023-09-25 In the early 19th century a new social collective emerged out of impoverished artisans urban rabble wandering rural lower classes bankrupt aristocrats and precarious intellectuals one that would soon be called the proletariat But this did not yet exist as a unified homogeneous class with affiliated political parties The motley appearance the dreams and longings of these figures torn from all economic certainties found new forms of narration in romantic novellas reportages social statistical studies and monthly bulletins But soon enough these disorderly violent nostalgic errant and utopian figures were denigrated as reactionary and anarchic by the heads of the labour movement since they did not fit into their grand linear vision of progress In this book Patrick Eiden Offe tells their story tracing the making of the proletariat in V rmarz Germany 1815-1848 through the writings of figures like Ludwig Tieck Moses Hess Wilhelm Weitling Georg Weerth Friedrich Engels Louise Otto Peters Ernst Willkomm and Georg B chner and in so doing revealing a striking similarity to the disorderly classes of today
