**Everybody's Historic London** Jonathan Kiek,1984 *The Historian* ,1987 Bulletin Special Libraries Association. Geography and Map Division,1985 **Before You Go to Great Britain** James Wilson Brown,Shirley N. Brown,1986 **American Bookseller** ,1984 **Everybody's** ,1926 *The Times London History Atlas* Hugh D. Clout,1991 Walford's Guide to Reference Material Marilyn Mulla,1989 **History in Practice 2nd edition** Ludmilla Jordanova,2016-07-28 History in Practice explores the discipline s breadth its complexities and the tasks it takes on This study by one of the liveliest and most acute practitioners in the field demystifies what historians do It looks at history as an academic discipline but also engages with the use of historical ideas in the wider world Historical work has public consequences and draws considerable energy from contemporary preoccupations For this new edition of her respected and widely used book Ludmilla Jordanova has revised the text and added a new chapter that takes into account recent world events She discusses the role of the internet globalisation world history and the current enthusiasm for military history This book is essential reading for all students needing an understanding of history as a discipline **Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion** Albert John Walford,Marilyn Mulla,Priscilla Schlicke,Library Association,1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional material in economics business and management **The British National Bibliography** Arthur James Wells,2000 *Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion* Alan Day,Marilyn Mulla,Priscilla Schlicke,Joan M. Harvey,1993 **Old and new London: a narrative of its history, its people and its places, by W. Thornbury (E. Walford).** George Walter Thornbury,1880 **Documents of Lady Jane Grey** ,2004 Published information on Lady Jane is scant and contradictory here primary sources including JaneOCOs own letters illustrate the drama of a high born high minded and intelligent young lady sacrificed on the pyre of ambition by her kin The teenaged Lady Bibliography of Printed Works on London History to 1939 Heather Creaton,Tony Trowles,1994 The history of London is so important in national and indeed international terms it seems extraordinary that this is the first general bibliography of the subject to appear It contains over 22 000 selected references to books and articles on the history of London from the Dark Ages to the beginning of the Second World War The whole of the former GLC area plus the City is covered Arrangement is by subject and there is a substantial analytical index Material for the bibliography was collected from specialist libraries all over London and beyond It is a starting point for any enquiry about London s development over the centuries whether from the academic historian the amateur or the general enquirer A supplement is planned to cover new material on the period The Publishers Weekly ,1902 *Publishers'*

*Weekly*, 1896      **Everybody's Magazine**, 1919      Everybody Else Sarah Potter, 2014-03-15 In the popular imagination the twenty years after World War II are associated with simpler happier more family focused living We think of stereotypical baby boom families like the Cleavers white suburban and well on their way to middle class affluence For these couples and their children a happy stable family life provided an antidote to the anxieties and uncertainties of the emerging nuclear age But not everyone looked or lived like the Cleavers For those who could not have children or have as many children as they wanted the postwar baby boom proved a source of social stigma and personal pain Further in 1950 roughly one in three Americans made below middle class incomes and over fifteen million lived under Jim Crow segregation For these individuals home life was not an oasis but a challenge intimately connected to the era's many political and social upheavals Everybody Else provides a comparative analysis of diverse postwar families and examines the lives and case records of men and women who applied to adopt or provide pre adoptive foster care in the 1940s and 1950s It considers an array of individuals both black and white middle and working class who found themselves on the margins of a social world that privileged family membership These couples wanted adoptive and foster children in order to achieve a sense of personal mission and meaning as well as a deeper feeling of belonging to their communities But their quest for parenthood also highlighted the many inequities of that era These individuals experiences seeking children reveal that the baby boom family was about much more than togetherness or a quiet house in the suburbs it also shaped people's ideas about the promises and perils of getting ahead in postwar America      *Fun for everybody, a collection of stories [&c.] by English and American writers* Fun, 1880
