**Ireland Executive** National Geographic Maps, National Geographic Maps - Reference, 2017-06-21 National Geographic Maps new Ireland wall map is one of the most authoritative maps yet published of the Emerald Isle. Of the nearly 1 000 place names shown on this map, all within the Republic of Ireland, adhere to that nation's constitution that the Irish and English language share official status. Thus Gaelic Irish place names along with their English variants in parentheses are shown within Irish speaking regions, while English place names along with their Gaelic variants are shown outside these areas. Ireland Executive is ideal for those researching their Irish ancestry, a perfect tool for business reference, and a beautiful addition to any décor. It's one of the largest and most detailed wall maps specifically for Ireland available today. Shown on the map are over 1 000 named places, including primary and secondary towns, counties, political boundaries, infrastructure, and selected historical sites for both Ireland and Northern Ireland. This executive style wall map contains National Geographic's world recognized proprietary fonts and a rich antique inspired color palette. Map is printed on premium quality paper, stock laminated, rolled, and packaged in a clear plastic sleeve.
