

A photograph of a narrow, paved path winding through a lush forest. Large, mature trees with thick, gnarled trunks line the path, their branches reaching over it. Sunlight filters through the dense green canopy, creating a dappled light effect on the path and the surrounding foliage. The overall atmosphere is serene and natural.

Travels in Ireland Part 1 Johann Georg Kohl, 2016 This is the opening part of *Travels in Ireland* by J G Kohl first published in 1844. It gives a glimpse of life in the years after Catholic Emancipation and immediately before the Great Irish Famine. Part One takes us from Dublin through Edgeworthstown The Shannon Limerick Edenvale and Kilrush. We get a contemporary view of landlords both resident and absentee and how the latter contributed to the neglect and hardship of the rural Irish peasantry. Developments on the Shannon are examined promising improvements for the West of Ireland and the desperate plight of the peasantry. Kohl's interest in the people ballads and folklore of Ireland gives us a final glimpse of an aspect of life which had resisted colonial oppression only to be devastated by the great calamity of the Irish Famine which finally destroyed a vibrant peasant culture. This book makes a considerable contribution to our understanding of both local and family histories and is most welcome in print form. *Irish Proverbs and Sayings* Padraic O'Farrell, 2017 Unleash the power of Irish wit and wisdom with this collection of quotes proverbs and blessings from Padraic O'Farrell.
