Irish Castles And Fortified Houses

Jacqueline Genet

Irish Castles And Fortified Houses:

Irish Castles and Fortified Houses David Sweetman,1995-01-01 An exploration of the origins features functions of these intriguing relics of another age

Castles in Ireland T.E. McNeill,2005-08-18 The castles of Ireland are an essential part of the story of medieval Europe but were until recently a subject neglected by scholars Dr McNeill weaves the evidence from the castles into the story of lordship and power in medieval Eire

Architecture and Elite Culture in the United Provinces, England and Ireland, 1500-1700 Hanneke Ronnes,2006 This study aims to elucidate concepts of castle in the Netherlands England and Ireland in both past and present times The first part of the book examines current respectively academic national and personal appropriations of castle the second part moves into the past juxtaposing elite culture and the spatial organisation of 16th and 17th century domestic architecture

The Irish tower house Victoria L. McAlister,2019-07-04 This book examines the social role of castles in late medieval and early modern Ireland It uses a multidisciplinary methodology to uncover the lived experience of this historic culture demonstrating the interconnectedness of society economics and the environment Of particular interest is the revelation of how concerned pre modern people were with participation in the economy and the exploitation of the natural environment for economic gain Material culture can shed light on how individuals shaped spaces around themselves and tower houses thanks to their pervasiveness in medieval and modern landscapes represent a unique resource Castles are the definitive building of the European Middle Ages meaning that this book will be of great interest to scholars of both history and archaeology

The Cambridge History of Ireland: Volume 2, 1550-1730 Jane Ohlmeyer,2018-03-31 This volume offers fresh perspectives on the political military religious social cultural intellectual economic and environmental history of early modern Ireland and situates these discussions in global and comparative contexts The opening chapters focus on Politics and Religion and War and offer a chronological narrative informed by the re interpretation of new archives The remaining chapters are more thematic with chapters on Society Culture and Economy and Environment and often respond to wider methodologies and historiographical debates Interdisciplinary cross pollination between on the one hand history and on the other disciplines like anthropology archaeology geography computer science literature and gender and environmental studies informs many of the chapters The volume offers a range of new departures by a generation of scholars who explain in a refreshing and accessible manner how and why people acted as they did in the transformative and tumultuous years between 1550 and 1730

Castles and colonists Eric Klingelhofer,2013-07-19 *Castles and colonists* is the first book to examine life in the leading province of Elizabeth I s nascent empire Klingelhofer shows how an Ireland of colonising English farmers and displaced Irish savages are ruled by an imported Protestant elite from their fortified manors and medieval castles Richly illustrated it displays how a generation of English adventurers including such influential intellectual and political figures as Spenser and Raleigh tried to create a new kind of England one that gave full opportunity to their Renaissance tastes and ambitions Based on decades of

research Castles and colonisers details how archaeology had revealed the traces of a short lived but significant culture which has been until now eclipsed in ideological conflicts between Tudor queens Hapsburg hegemony and native Irish traditions

The Big House in Ireland Jacqueline Genet, 1991-01-01 The Big House has been an element of tragedy in the course of Ireland's history and it is considered such by contemporary novelists such as Aidan Higgins and Jennifer Johnson It has been the crucible in which two civilizations failed to melt and yet became inseparably bound together from the Introduction by Guy Fehlmann Contents Introduction An Historical Survey Guy Fehlmann The Big House in Western Ireland Breand n MacAodha Cast a Cold Eye A Sociological Approach Joy Rudd Distribution Function and Architecture Breand n MacAodha The Beginnings of Big House Fiction Maria Edgeworth Castle Rackrent Bernard Legros Irish Homes in the Work of C R Maturin Claude Fi robe Historical Glimpses John Banim Bernard EscarbeGerald Griffin Michel Flot Le Fanu's Houses Jean Lozes The Golden Age George Moore's Big House Novel A Drama in Muslin Jean No l Joyce Cary Castle Corner A Big House Novel Jacques Emprin Interior and Exterior The Big House and the Irish Landscape in the Work of Elizabeth Bowen Gear id Cronin Elizabeth Bowen's A World of Love Josette Leray The Big House in Se n O Faol in's Fiction Denis Sampson Molly Keane Maurice Elliot Jennifer Johnston Mark Mortimer John Banville and the Subversion of the Big House Novel Gear id Cronin A View from Outside A Shadowless Castle of Treasures Kinalty Castle in Henry Green's Loving Fiona MacPhail Major and Majestic J G Farrell's Troubles Fiona MacPhail Through the Poets Eyes Yeats and the Big Houses Jacqueline Genet The Big House by Paul Muldoon The Approach of the Satirist Dominique Gauthier The Image of the Big House in the Poetry of Derek Mahon and Tom Paulin Caroline MacDonough

Making Empire Jane Ohlmeyer, 2023-10-10 Ireland was England's oldest colony Making Empire revisits the history of empire in Ireland in a time of Brexit the culture wars and the campaigns around Black Lives Matter and Statues must fall to better understand how it has formed the present and how it might shape the future Empire and imperial frameworks policies practices and cultures have shaped the history of the world for the last two millennia It is nation states that are the blip on the historical horizon Making Empire re examines empire as process and Ireland's role in it through the lens of early modernity It covers the two hundred years between the mid sixteenth century and the mid eighteenth century that equate roughly to the timespan of the First English Empire c 1550 c 1770s Ireland was England's oldest colony How then did the English empire actually function in early modern Ireland and how did this change over time What did access to European empires mean for people living in Ireland This book answers these questions by interrogating four interconnected themes First that Ireland formed an integral part of the English imperial system Second that the Irish operated as agents of empire's Third Ireland served as laboratory in and for the English empire Finally it examines the impact that empire's had on people living in early modern Ireland Even though the book's focus will be on Ireland and the English empire the Irish were trans imperial and engaged with all of the early modern imperial powers It is therefore critical where possible and appropriate to look to other European and global empires for meaningful comparisons

and connections in this era of expansionism What becomes clear is that colonisation was not a single occurrence but an iterative and durable process that impacted different parts of Ireland at different times and in different ways That imperialism was about the exercise of power violence coercion and expropriation Strategies about how best to turn conquest into profit to mobilise and control Ireland s natural resources especially land and labour varied but the reality of everyday life did not change and provoked a wide variety of responses ranging from acceptance and assimilation to resistance This book based on the 2021 James Ford Lectures Oxford University suggests that the moment has come revisit the history of empire if only to better understand how it has formed the present and how this might shape the future

A History of the Early Medieval Siege, C. 450-1220 Peter Fraser Purton, 2009 Byblos Lebanon An early twelfth century crusader castle with donjon Book Jacket

The Journal of the Royal Society of Antiquaries of Ireland, 1892 **Architect**, 1870 *The Architect*, 1870

Antiquities of Ireland Edward Ledwich (LL.B), 1804 *Irish Kingship in the Eleventh and Twelfth Centuries* Ronan Mulhaire, 2025-05-23 Irish Kingship in the Eleventh and Twelfth Centuries examines the power of medieval Irish kings but treats power as a complex concept worthy of study in its own right It starts from the premise that historians of medieval Ireland have interpreted power in a narrow way This book engages with the rich corpus of literature on power produced by political scientists and sociologists which reveals the sheer complexity and vicissitudes of power as a concept Where there is power there is resistance Hence drawing on evidence from medieval Irish chronicles hagiographies saga literature and advice texts this book explores the largely ignored phenomena of revolt resistance and violence in eleventh and twelfth century Ireland It argues against a panoptic narrative of royal centralisation and suggests that the existence of a multiplicity of kings and non royal lords has proven to be more of a problem for historians than it was for the Irish kings themselves This book will appeal to scholars and students of medieval Ireland as well as those interested in the history of kingship power and resistance

Journal Cork Historical and Archaeological Society, 1909 *Journal of the Cork Historical and Archaeological Society* Cork Historical and Archaeological Society, 1895 Includes lists of members

The Antiquities of Ireland Edward Ledwich, 1804 [An Inventory of the Ancient Monuments in Glamorgan](#) Royal Commission on the Ancient and Historical Monuments in Wales, 1988 The Royal Commission on the Ancient and Historical Monuments of Wales has a leading national role in developing and promoting understanding of the archaeological built and maritime heritage of Wales as the originator curator and supplier of authoritative information for individual corporate and governmental decision makers researchers and the general public
