

# TIMELINE OF MAJOR EVENTS IN IRISH HISTORY

## 20<sup>TH</sup> CENTURY

**1913**

The Dublin Lock-out was a major industrial dispute between 20,000 workers and 300 employers in Dublin city.

**1914**

Home Rule is passed allowing Ireland to govern itself but is postponed when World War 1 begins.

**1914**

World War 1 begins - 210,000 Irish men in total join the British Army. It is estimated that between 35,000 and 50,000 Irish soldiers died during the four year war.

**1916**

The 1916 Rising was mounted by Irish republicans to end British rule in Ireland. The British Army execute many of the leaders of the 1916 Easter Rising. Public outrage at the executions helps increase Irish nationalism and support for independence.

**1918**

December - Irish women have the right to vote for the first time in the 1918 General Election. Constance Markievicz becomes the first woman ever elected to the British Parliament. In 1919 Markievicz would become the first woman in the world to hold a cabinet position.

**1919**

The First Dail Eireann of the Irish Republic meets and issues a Declaration of Independence from the UK. Eamon de Valera becomes the President of the Dail.

**1919**

Irish War of Independence begins. Michael Collins is one of the main leaders during the war.

**1921**

Northern Ireland is established.

**1921**

The War of Independence ends when the Anglo-Irish Treaty is signed allowing the creation of the Irish Free State.

**1922**

Irish Civil War begins between Pro-Treaty forces and Anti-Treaty forces. The civil war would last until May 1923.

**1922**

Michael Collins is shot dead during an ambush by Anti-Treaty soldiers. It is estimated that 500,000 people attended his funeral in Dublin.

**1927**

Eamon de Valera introduces the Irish Constitution. It guarantees certain fundamental rights for Irish citizens.

**1938**

Douglas Hyde becomes the first President of Ireland.

**1939**

World War 2 breaks out in Europe but Ireland stays neutral. It is referred to as "The Emergency" in Ireland.

**1949**

The Republic of Ireland Act is signed by the President of Ireland.

**1972**

Bloody Sunday (1972) was an incident during the Northern Ireland Troubles when British soldiers shot 26 unarmed civilians during a protest march against internment in Derry. 14 civilians died that day.

**1973**

Ireland joins the European Community along with Britain and Denmark.

**1990**

Mary Robinson becomes the first female President of Ireland.

**1998**

The Belfast Agreement (Good Friday Agreement) is signed allowing power sharing between Nationalist and Unionist sides in Northern Ireland.

## 21<sup>ST</sup> CENTURY

**2002**

The Euro is introduced into circulation and replaces the Punt as the currency in Ireland.

**2005**

The Irish language is officially recognised as a working language in the European Union.

**2015**

Ireland becomes the first country to legalise same-sex marriage by popular vote.

## Irish History:

*A Chronology of Irish History Since 1500* J. E. Doherty, D. J. Hickey, 1989      Early Irish History and Chronology Dáibhí Ó Cróinín, 2003 This book is a collection of fourteen of Professor Cróinín's articles on Old Irish and early Irish history centering mainly on the calculation of Easter in the Christian calendar      **Phases of Irish History** Eoin Mac Neill, 1920

*Eighty-five Years of Irish History, 1800-1885* William J. O'Neill Daunt, 1888      *Irish History and Irish Character* Goldwin Smith, 2022-05-08 Reprint of the original first published in 1862      *Irish History and the Irish Question* Goldwin Smith, 1905

**A Short History of Ireland** John Ranelagh, 2012-10-11 This third edition of John O Beirne Ranelagh's classic history of Ireland incorporates contemporary political and economic events as well as the latest archaeological and DNA discoveries. Comprehensively revised and updated throughout it considers Irish history from the earliest times through the Celts, Cromwell plantations, famine, Independence, the Omagh bomb, peace initiatives and financial collapse. It profiles the key players in Irish history from Diarmuid MacMurrough to Gerry Adams and casts new light on the events North and South that have shaped Ireland today. Ireland's place in the modern world and its relationship with Britain, the USA and Europe is also examined with a fresh and original eye. Worldwide interest in Ireland continues to increase but whereas it once focused on violence in Northern Ireland, the tumultuous financial events in the South have opened fresh debates and drawn fresh interest. This is a new history for a new era      **The Cambridge History of Ireland: Volume 2, 1550-1730** Jane

Ohlmeyer, 2018-03-31 This volume offers fresh perspectives on the political, military, religious, social, cultural, intellectual, economic and environmental history of early modern Ireland and situates these discussions in global and comparative contexts. The opening chapters focus on Politics and Religion and War and offer a chronological narrative informed by the re-interpretation of new archives. The remaining chapters are more thematic with chapters on Society, Culture and Economy and Environment and often respond to wider methodologies and historiographical debates. Interdisciplinary cross-pollination between on the one hand history and on the other disciplines like anthropology, archaeology, geography, computer science, literature and gender and environmental studies informs many of the chapters. The volume offers a range of new departures by a generation of scholars who explain in a refreshing and accessible manner how and why people acted as they did in the transformative and tumultuous years between 1550 and 1730      The World History Highway Dennis A. Trinkle, Scott A.

Merriman, 2002 CD-ROM contains Electronic version of text pdf format with links to resources in text      *Ireland in Transition, 1867-1921* David George Boyce, Alan O'Day, 2004 This book explores the efforts made by British governments, Irish politicians and Irish cultural organisations to master and shape Ireland in an age of increasingly rapid change and explain the process and outcome of these endeavours      The Irish Women's Movement Linda Connolly, 2001-11-12 This book provides a comprehensive analysis of the emergence, consolidation and development of the Irish women's movement as a social movement in the course of the twentieth century. It seeks to address several lacunae in Irish studies by illuminating the

processes through which the movement and in particular networks of constituent organisations came to fruition as agencies of social change The central argument advanced is that when viewed historically the Irish women s movement is characterised by its interconnectedness and continuity the central tensions themes and organising strategies of the movement connects diverse organisations and constituencies over time and space This book will be essential reading for those interested in Irish studies sociology history women s studies and politics *Irish History* Edward F. Berry,1858 **A Companion to the Early Middle Ages** Pauline Stafford,2013-03-26 Drawing on 28 original essays A Companion to the Early Middle Ages takes an inclusive approach to the history of Britain and Ireland from c 500 to c 1100 to overcome artificial distinctions of modern national boundaries A collaborative history from leading scholars covering the key debates and issues Surveys the building blocks of political society and considers whether there were fundamental differences across Britain and Ireland Considers potential factors for change including the economy Christianisation and the Vikings **Ireland, Sweden, and the Great European Migration, 1815-1914** Donald Harman Akenson,2011-08-23 This book is the product of Donald Akenson s decades of research and writing on Irish social history and its relationship to the Irish diaspora it is also the product of a lifetime of trying to figure out where Swedish America actually came from and why These two matters Akenson shows are intimately related Ireland and Sweden each provide a tight case study of a larger phenomenon one that for better or worse shaped the modern world the Great European Diaspora of the true nineteenth century Akenson s book parts company with the great bulk of recent emigration research by employing sharp transnational comparisons and by situating the two case studies in the larger context of the Great European Migration and of what determines the physics of a diaspora no small matter as the concept of diaspora has become central to twenty first century transnational studies He argues against the increasing refusal of mainstream historians to use empirical databases that the history community still has a lot to learn from economic historians and simultaneously that despite the self confidence of their proponents narrow economically based explanations of the Great European Migration leave out many of the most important aspects of the whole complex transaction Akenson believes that culture and economic matters both count and that leaving either one on the margins of explanation yields no valid explanation at all *A critical examination of Irish history, from the Elizabethan conquest to 1800* Thomas Dunbar Ingram,1900 **The stirring incidents of Irish history** Irish history,1885 **English Historical Documents, 1874-1914** David Charles Douglas,W. D. Handcock,1996 English Historical Documents is the most ambitious impressive and comprehensive collection of documents on English history ever published An authoritative work of primary evidence each volume presents material with exemplary scholarly accuracy Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military

dispatches diaries declarations newspaper articles government and cabinet proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records Volumes are furnished with lavish extra apparatus including genealogical tables lists of officials chronologies diagrams graphs and maps      **A Critical**

**Examination of Irish History** Thomas Dunbar Ingram,1900      The European History Highway Larry N. Gerston,2007

Understanding federalism the form of political organization that unites separate polities within an overarching political system so that all maintain their political integrity is central to the study of democratic government in the United States Yet many political scientists treat federalism as a set of abstract principles or a maze of budgetary transfers with little connection to real political life This concise and engaging book boils the discussion down to its essence federalism is about power specifically the tug for power among and within the various levels of government Author      **The European History**

### **Irish History Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Irish History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Irish History has opened up a world of possibilities. Downloading Irish History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Irish History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Irish History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Irish History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Irish History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Irish History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

## FAQs About Irish History Books

**What is a Irish History PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Irish History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Irish History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Irish History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Irish History PDF?** Most PDF editing software allows you to add password protection.
