**Chicago's Historic Irish Pubs** Mike Danahey, Allison Hantschel, 2011 From dancing at Hanley's House of Happiness to raising pints at Kelly's Pub on St Patrick's Day the history of the Irish community in Chicago is told through stories of its gathering places Families are drawn to the pub after Sunday church in the midst of sporting events following funerals and during weddings In good times and bad the pub has been a source of comfort instruction and joy a constant in a changing world Based on interviews with tavern owners musicians bartenders and scholars Chicago's Historic Irish Pubs explores the way the Irish pub defines its block its neighborhood and its city What Parish Are You From? Eileen M.

McMahon, 2021-12-14 For Irish Americans as well as for Chicago's other ethnic groups the local parish once formed the nucleus of daily life Focusing on the parish of St Sabina's in the southwest Chicago neighborhood of Auburn Gresham Eileen McMahon takes a penetrating look at the response of Catholic ethnics to life in twentieth century America She reveals the role the parish church played in achieving a cohesive and vital ethnic neighborhood and shows how ethno religious distinctions gave way to racial differences as a central point of identity and conflict For most of this century the parish served as an important mechanism for helping Irish Catholics cope with a dominant Protestant American culture Anti Catholicism in the society at large contributed to dependency on parishes and to a desire for separateness from the American mainstream As much as Catholics may have wanted to insulate themselves in their parish communities however Chicago demographics and the fluid nature of the larger society made this ultimately impossible Despite efforts at integration attempted by St Sabina's liberal clergy white parishioners viewed black migration into their neighborhood as a threat to their way of life and resisted it even as they relocated to the suburbs The transition from white to black neighborhoods and parishes is a major theme of twentieth century urban history The experience of St Sabina's which changed from a predominantly Irish parish to a vibrant African American Catholic community provides insights into this social trend and suggests how the interplay between faith and ethnicity contributes to a resistance to change BIOGRAPHICAL HIST OF THE AMER Charles Ffrench, 2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base
