1922-23*

EDWARD PURDON

Irish Civil War 1922-23 Compact Irish History

John O'Beirne Ranelagh

Irish Civil War 1922-23 Compact Irish History:

The Irish Civil War 1922-23 Edward Purdon, 2000 In 1921 Arthur Griffith and Michael Collins signed the document giving 26 counties of Ireland dominion status and a degree of political autonomy Eight months later both were dead This book tells the story of the brothers conflict

The Politics of the Irish Civil War Bill Kissane, 2005-08-25 Based on extensive archival research this book situates the Irish civil war in the general process of decolonization in the twentieth century and explains why divisions over the Anglo Irish Treaty of 1921 proved so formative in the development of the Irish state Each chapter is devoted to a particular aspect of the war and many new areas are explored These include the role the doctrine of self determination played in the Sinn Fein movement the fate of numerous peace initiatives the power struggle between de Valera and Liam Lynch within the IRA and the impact of the civil war on the wider civil society The last three chapters explore how the conflict has been interpreted by the actors themselves as well as by historians Combining perspectives drawn from history and politics this book will interest not only students of Irish history but also those interested in the comparative study of civil wars

The Irish Civil War and Society G. Foster, 2015-02-18 The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war's messy aftermath

Ireland of the Welcomes, 2000 **Marc Blitzstein** Howard Pollack, 2012-10-01 A composer and lyricist of enormous innovation and influence Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces A prominent leftist and social maverick Blitzstein constantly pushed the boundaries of convention in mid century America in both his work and his life Award winning music historian Howard Pollack's new biography covers Blitzstein's life in full from his childhood in Philadelphia to his violent death in Martinique at age 58 The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and his populist principles Indeed Blitzstein developed a unique sound that drew on everything contemporary from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes Pollack captures the astonishing breadth of Blitzstein's work from provocative operas like *The Cradle Will Rock* No for an Answer and *Regina* to the wartime *Airborne Symphony* composed during his years in service to lesser known ballets film scores and stage works A courageous artist Blitzstein translated Bertolt Brecht and Kurt Weill's *The Threepenny Opera* during the heyday of McCarthyism and the red scare and turned it into an off Broadway sensation its *Mack the Knife* becoming one of the era's biggest hits Beautifully written drawing on new interviews with friends and family of the composer and making extensive use of new archival and secondary sources Marc Blitzstein presents the most complete biography of this important American artist

Between Two Hells Diarmaid

Ferriter,2021-09-02 THE IRISH BESTSELLER Ferriter has richly earned his reputation as one of Ireland s leading historians Irish Independent Absorbing A fascinating exploration of the Civil War and its impact on Ireland and Irish politics Irish Times In June 1922 just seven months after Sinn F in negotiators signed a compromise treaty with representatives of the British government to create the Irish Free State Ireland collapsed into civil war While the body count suggests it was far less devastating than other European civil wars it had a harrowing impact on the country and cast a long shadow socially economically and politically which included both public rows and recriminations and deep often private traumas Drawing on many previously unpublished sources and newly released archival material one of Ireland s most renowned historians lays bare the course and impact of the war and how this tragedy shaped modern Ireland **Women and the Irish Revolution**

Linda Connolly,2020-11-23 The narrative of the Irish revolution as a chronology of great men and male militarism with women presumed to have either played a subsidiary role or no role at all requires reconsideration Women and feminists were extremely active in Irish revolutionary causes from 1912 onwards but ultimately it was the men as revolutionary leaders who took all the power and indeed all the credit after independence Women from different backgrounds were activists in significant numbers and women across Ireland were profoundly impacted by the overall violence and tumult of the era but they were then relegated to the private sphere with the memory of their vital political and military role in the revolution forgotten and erased Women and the Irish Revolution examines diverse aspects of women s experiences in the revolution after the Easter Rising The complex role of women as activists the detrimental impact of violence and social and political divisions on women the role of women in the foundation of the new State and dynamics of remembrance and forgetting are explored in detail by leading scholars in sociology history politics and literary studies Important and timely and featuring previously unpublished material this book will prompt essential new public conversations on the experiences of women in the Irish revolution Fathers and Sons at the Abbey Theatre (1904-1938)

Fabio Luppi,2018-03-15 Fathers and Sons at the Abbey Theatre demonstrates how the literary archetype of the clash between fathers and sons and the subsequent depiction of anti oedipal figures become a major concern for the playwrights writing in a specific and crucial moment of Irish history 1904 1938 The father can be conceived both as a historical political metaphor as well as a real father in a specific historical and social context The classical models employed as theoretical tools to nuance the argument Laius and Oedipus Ulysses and Telemachus Aeneas and Anchises Priam and Hector Hector and Astyanax are challenged by the Christian example of Abraham and Isaac subversively adjusted by Yeats to provide a tragic reading of post colonial Ireland All of these pairings provide archetypes for the understanding of complex personal and familial dynamics The book takes into consideration not only the most famous figures of the Irish National Theatre as W B Yeats J M Synge Augusta Gregory and Sean O Casey but also overlooked authors such as T C Murray Padraic Colum Paul Vincent Carroll Lennox Robinson Denis Johnston George Shiels St John Ervine Teresa Deevy Many commentators have written about the playwrights of the Abbey Theatre mainly

focusing on politics social classes Irish identity cultural issues and linguistic aspects no thorough analysis of the clash between generations has been published so far Those who have tackled the issue have devoted their attention to a single author or to a single aspect this study aims to demonstrate that the repeated occurrence of anti oedipal figures and of the archetype of the clash between fathers and sons a clear manifestation of the need of emancipation from oppressive authorities and of change in Irish society must be read as a common phenomenon and as a shared concern The book is written for people interested in Irish studies post colonial studies and theatre studies

The Irish Republican Brotherhood, 1914-1924 John O'Beirne Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924 With the aid of new documentation Ranelagh unravels the true influence of the oath bound society without which the 1916 Rising might never have taken shape For Michael Collins the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to but its legacy remains obscured by its intense secrecy This book re introduces the IRB as the organisation that created and furnished the IRA influenced the result of the critical 1918 election and changed the face of Irish history From amon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien Emmett Dalton et al testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence A fascinating exploration of secret societies political manoeuvres and personal sacrifices The Irish Republican Brotherhood 1914 1924 casts new light on a pivotal chapter in Ireland's quest for independence

The West and the Philippines (1521-1857): a parallel history Rhett G. Daza, Bernard Karganilla, 2025-03-11 A walk through Western history as seen from the perspective of the Philippines its most distant colony European history filtered through Spain brought religious transformation world trade the rise of capitalism the industrial revolution and the challenges of a nation state to the islands Later under the United States a world war would impact the Philippines and its future The country would have its own unique response and contribution to all these challenges coming from the West Understanding the historical dynamic provides a context to make sense of the Philippine present

Informers in 20th Century Ireland Angela Duffy, 2018-07-04 Informers have been active during many periods of unrest in Ireland but until Tudor times they had never been an organized phenomenon until the twentieth century The decision or refusal to inform is dangerous thus the motives of the informers are compelling as is their ability to deceive themselves Drawing on firsthand and newspaper accounts of the Easter Rising and other events this book provides a history of the gradual development of informing in Ireland Each informer's story details their life and secrets and the outcome of their actions All of them have shared two experiences the accusation of informing whether true or false and betrayal whether committed or endured

De Valera and Roosevelt Bernadette Whelan, 2020-12-10 How did Irish and American diplomacy operate in Washington DC and Dublin during the 1930s era of economic depression rising fascism and Nazism How did the Anglo American relationship affect American Irish diplomatic

relations Why and how did amon de Valera and Franklin D Roosevelt move their countries towards neutrality in 1939 This first comprehensive history of American and Irish diplomacy during the 1930s focuses on formal and informal diplomacy examining all aspects of diplomatic life to explain the relationship between the two administrations from 1932 to 1939 Bernadette Whelan reveals how diplomats worked on behalf of their governments to implement Franklin D Roosevelt and amon de Valera s foreign policies particularly when amon de Valera believed in the existence of a special transatlantic relationship but Franklin D Roosevelt increasingly favoured a strong relationship with Britain Drawing on a wide range of under used sources this is a major new contribution to the history of American and Irish diplomacy and revises our understanding of the importance of Ireland to a US administration

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett,2018-04-26 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

The Routledge Dictionary of Modern British History John Plowright,2006-09-27 From the Romantic age to the twenty first century The Routledge Dictionary of Modern British History is an essential guide to 250 years of history that have seen this sceptr d isle rise fall and rise again as a major world power A colourful highly readable text The Routledge Dictionary of Modern British History covers Prime Ministers from William Pitt to Winston Churchill and Tony Blair protest movements from Chartism to CND the Troubles and the journey towards a fragile peace in Northern Ireland military conflict from the Crimea to Iraq historic turning points from the Great Reform Act to the Poll Tax riots An important and user friendly resource this comprehensive reference is ideal for A Level students and first year undergraduates as well as anyone interested in the history of the United Kingdom

The League of Ireland Conor Curran,2022-12-30 2021 saw the centenary of the formation of the League of Ireland the Republic of Ireland s primary professional association football league This new collection draws on the work of a number of leading historians of Irish soccer and seeks to examine a number of previously under researched aspects relating to the league The book examines the initial growth of clubs in Dublin and the Free State League s early turbulent history while the impact of Irish players and administrators on the development of soccer clubs at home and abroad is also assessed Following the partition of Ireland in 1921 players continued to move from Dublin clubs to those in Northern Ireland and this is also discussed particularly in light of the Troubles of 1968 1998 Despite the migration of

many Irish born players to Britain the League of Ireland has also attracted internationally based players and the impact of this is also examined The role of the league in the provision of players for the Irish Olympic team is also explored as is the work of SARI in its attempts to eradicate racism from Irish sport This publication aims to commemorate some of those who have strived to maintain the League of Ireland's presence against the backdrop of what has become the world's most attractive football league located in Ireland's neighbour England It will be of interest to researchers and advanced students of Sports History Sociology and Politics This book was originally published as a special issue of the journal Soccer Society

Everything Irish Lelia Ruckenstein, James O'Malley, 2013-11-20 Here in one complete volume is the depth and breadth of the great island nation and its people represented in an easily browsed friendly format From the Abbey Theatre to the Dublin storyteller Zozimus from the origin of the Troubles to the origin of the limerick from the stunning beauty of Connemara to the shattering tragedy of Bloody Sunday from the greatest writers of the English language to the confrontational television of Gay Byrne's The Late Late Show every aspect of Irish culture geography and history is collected and annotated in more than 900 entries from A to Z Readers will encounter heroes and terrorists poets and politicians all of Ireland's counties ancient myths and pivotal events all expertly and succinctly described and explained With entries written by some of the world's leading authorities on Ireland Everything Irish is perfect for everyone from the inquiring reader to the serious student You can spend a few minutes learning about the much maligned Travelers and then move on to the equally contentious in its time medieval tithe Visit the majestic Cliffs of Moher and then delve into an analysis of paramilitary groups like the Irish Republican Army and the Ulster Volunteer Force Explore the ruins of a Romanesque castle or experience the piercing light of the winter solstice inside prehistoric Newgrange a passage grave older than the pyramids Across centuries and across counties the rich landscape of Irish life and heritage springs to life in these pages An indispensable source of fascinating information and captivating anecdote this is one book that will never be far from the hands of those with curious minds or an adventurous spirit

Labour and the Politics of Disloyalty in Belfast, 1921-39 Christopher J. V. Loughlin, 2018-02-05 This book provides the first history from below of the inter war Belfast labour movement It is a social history of the politics of Belfast labour and applies methodology from history sociology and political science Christopher J V Loughlin questions previous narratives that asserted the centrality of religion and sectarian conflict in the establishment of Northern Ireland Labour and the Politics of Disloyalty in Belfast 1921-39 suggests that political division and violence were key to the foundation and maintenance of the democratic ancien régime in Northern Ireland It examines the relationship between Belfast Labour sectarianism electoral politics security and industrial relations policy and women's politics in the city

Ireland For Dummies Elizabeth Albertson, 2007-02-27 Explores the geography history culture and beliefs of Ireland and its people *Illustrated Dictionary of Irish History* Guy De la Bédoyère, 2001 The Irish people have a great sense of national identity drawn from a history that mixes oppression and emancipation This reference offers a complete A to Z journey

through a turbulent past which has shaped the country It provides a comprehensive background to and a deeper understanding of a great many characters and events From the mythology of Fionn mac Cumhail and the Giant s Causeway to the legendary modern political figures of de Valera and Collins from the barren limestone cliffs of the Aran Islands to the vibrant city life of Dublin every aspect of Irish history is covered in these extensively cross referenced A to Z entries **John McGahern** John Singleton, 2023-11-17 John McGahern 1934-2006 believed that fiction could act as a window on the world Such windows however frame our fields of vision alter and shape our perspectives Far from being static the artist s perspective must continually evolve This book provides a literary analysis of John McGahern s artistic and poetic vision his ways of looking examining the shifting focus of this vision how and why it develops what effects such developments have on the work s forms and how these forms evolve at what times and in response to what stimuli This volume demonstrates that such developments mirror an analogous social expansion during the latter half of the twentieth century and argues that McGahern s literary spaces relate to his efforts to realise a more accommodating form to envelop the structureless society While the number of critical studies on McGahern has increased markedly in recent years research still tends to fall into the well established camps of social realism or literary aestheticism This text aims to explore the common ground between the material context and social worlds of each work and the hermeneutics of a traditional literary investigation It traverses such divides through close readings of McGahern s work with attention to the topopoetical production of images of the house the home and the family unit The book ultimately shows how attention to McGahern s literary spaces provides a greater understanding of the aesthetic vision and form of each novel and allows us to understand those aspects relative to the social cultural and political undercurrents of the works individually and collectively

Uncover the mysteries within Crafted by is enigmatic creation, **Irish Civil War 192223 Compact Irish History** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation.
