McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today's ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies The Stars of Ballymenone, New Edition Henry Glassie, 2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories

and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life

**Uisneach or the Center of Ireland** Frédéric Armao, 2022-12-30 The hill of Uisneach lies almost exactly at the geographical center of Ireland Remarkably a fraction at least of the ancient Irish population was aware of that fact There is no doubt that the place of Uisneach in Irish mythology and more broadly speaking the Celtic world was of utmost importance Uisneach was and probably still is best defined as a sacred hill at the center of Ireland possibly the sacred hill of the center of Ireland Uisneach or the Center of Ireland explores the medieval documents connected with the hill and compares them with both archeological data and modern Irish folklore In the early 21st century a Fire Festival started being held on Uisneach in connection with the festival of Bealtaine in early May arguably in an attempt to echo more ancient traditions the celebration was attended by Michael D Higgins the current president of Ireland who lit the fire of Uisneach on 6 May 2017 This book argues that the symbolic significance of the hill has echoed the evolution of Irish society through time be it in political spiritual and religious terms or perhaps more accurately in terms of identity and Irishness It is relevant for scholars and advanced students in the fields of cultural history Irish history and cultural studies
