## Iron Foxhole:

Pioneers, Passionate Ladies, and Private Eyes Larry E Sullivan, Lydia C Schurman, 2013-02-01 Despite efforts of contemporary reformers to curb the availability of dime novels series books and paperbacks *Pioneers Passionate Ladies and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self empowerment These literary genres whose value has long been underestimated provide fascinating insight into the formation of American popular culture and identity Through these mass produced widely read books Deadwood Dick Old Sleuth and Jessie James became popular heroes that fed the public s imagination for the last western frontier detective tales and the myth of the outlaw Women particularly those who were poor and endured hard lives used the literature as means of escape from the social economic and cultural suppression they experienced in the nineteenth century In addition to the insight this book provides into texts such as *The Bride of the Tomb* the Nick Carter Series and Edward Stratemeyer s rendition of the Lizzie Borden case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green s endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott s pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress *Pioneers Passionate Ladies and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life     *Hans Sturm* GORDON WILLIAMSON, 2017-01-20 There are many biographies of former soldiers of the German Wehrmacht many of whom had fascinating stories to tell and several of whom were highly decorated Few however can match Hans Sturm in his astonishing rise from a mere private in an infantry regiment thrown into the bloody maelstrom of the Eastern Front to becoming a glorified war hero whose role brought him into direct regular contact with Prominenten of the Third Reich This young man s fearless heroism in combat earned him some of Germany s highest military awards and yet he was pugnaciously outspoken about bullying and injustice From striking a member of the feared Sicherheitsdienst in defence of a Jewish woman to refusing to wear a decoration he felt was tainted by its encouragement of inhumane treatment of enemy partisans Sturm repeatedly stuck to his moral values no matter what the risk But even when the war was finally over his travails did not end he was held in a number of Soviet labour camps before finally being released in 1953 *Hans Sturm A Soldier s Odyssey on the Eastern Front* is an engaging reconstruction of events based on exchanges of correspondence and reminiscences between the author and Hans Sturm himself It vividly portrays not only a German soldier s experience on the Eastern Front but the intriguing trajectories that success in the battlefield yielded for him at home under the Nazi regime     *Stratigraphical System of Organized Fossils* William Smith, 1817     **Shattered Jade** Larry Alexander, 2024-03-19 From New York Times bestselling author Larry Alexander comes a gritty historical novel of World War II told through the eyes of soldiers on both sides of the firing line

Tarawa was hell but Saipan is worse For Sergeant Pete Hardball Talbot recently returned from being wounded on Tarawa seven months earlier Saipan is just another battle as the United States leaps island to island toward an invasion of the Japanese homeland But the Japanese have learned all too well how to defend their islands with carefully constructed and concealed bunkers and machine gun nests Talbot and the dozen men of Second Squad have no idea they are running headlong into thirty five thousand Japanese soldiers who have sworn to fight to the last man In vivid startling detail Shattered Jade explores the strategy and horror of battle in one of World War II s most brutal conflicts and illuminates the extraordinary courage of ordinary young men      Official catalogue Great exhibition, 1851,1851      The U.S. Army Sniper & Rifle Manual U.S. Department of Defense,2022-11-13 The U S Army Sniper Rifle Manual serves as a comprehensive guide to the art and science of marksmanship detailing techniques strategies and equipment vital for snipers and riflemen in diverse combat scenarios Written in the clear instructional prose characteristic of military training documents this manual reflects a meticulous attention to detail and pragmatic approach consistent with the U S Army s commitment to operational effectiveness The content spans fundamental shooting principles ballistics and advanced marksmanship concepts set against the backdrop of military necessity where precision and discipline are paramount Created by the U S Department of Defense this manual is a culmination of years of military research and field experience crafted by experts who understand the implications of marksmanship on the battlefield The guidelines provided are not only a reflection of evolving military tactics but also an embodiment of the ethos that drives soldiers to achieve excellence in their craft The collaborative effort between seasoned veterans and military trainers contributes to a rich contextual framework from which this manual draws its authority I highly recommend The U S Army Sniper Rifle Manual to anyone interested in the technical aspects of firearms marksmanship and military strategies This authoritative text serves not only as an essential reference for service members but also as an intriguing insight for civilian enthusiasts and scholars of military history      **Kicker** R. Grey Hoover,2012-07 This is the story of a family caught in the throes of war a family with a 165 year tradition of service to their country Sam is torn between his love for his family and his sense of duty to his country His decision takes him from the quiet hills of Pennsylvania to the torrid jungles of Burma While his family struggles with shortages and rationing he fights to survive the terrors of war This story is based on actual experiences and official records from World War II      **American International Pictures** Rob Craig,2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by

founders James H Nicholson and Samuel Z Arkoff after they left the company      **Memoirs of the Geological Survey of Great Britain and of the Museum of Practical Geology** Robert Hunt, 2023-07-23 Reprint of the original first published in 1873 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature

**Voices of the Waffen SS - The Assault Generation** Gerry Villani,2018-04-16 They called themselves Legionnaires of the Waffen SS the new European Army They came from all nations of Europe and they were wearing the same uniform to fight for the same cause fighting the strong Russian Armed Forces Almost one million of these young men fought next to the Wehrmacht during WWII It was during this era that the ideal of a united Europe was born There is no other period in history that has been documented like the 6 years that ranged from the invasion of Poland in 1939 to the capitulation in Berlin in 1945 They left their homes families and friends with their heart full of joy and pride They had to endure extreme weather from 40 to 50 while fighting on several fronts They were battle hardened because of this They became good soldiers because they knew how to survive in any situation These young men were prepared to give their lives for Germany and in their eyes for a better Europe

Half-Assed Marines Seamon Glass,2010-07 Half Assed Marines by novelist Seamon Glass follows World War II teen Marine Sherman Glossman as he tries to play his patriotic duty to fight fascism and battle against the Japanese Empire s incursions into the Pacific theatre Anxious to see action Sherman and his unit of like minded young warriors find that getting into the war is harder than they thought as they face trials tribulations unwarlike adventures and their share of romance everywhere but on the battlefield Moving from island to island and adventure to adventure Sherman and his cohorts come of age during one of the pivotal wars of the millennium and despite their frustration at not being on the front lines they are all changed forever being part of this unlikely band of brothers Written in masterful and engrossing prose author Glass captures the zeitgeist of an era and has written a coming of age war epic that ranks with the best in the genre Filled with rich settings multi dimensional characters and action packed subplots Half Assed Marines will be sure to please military fiction buffs and anyone who just loves a great story well told

Field Manual United States. Department of the Army,1959 **The Mining Journal, Railway and Commercial Gazette** ,1895 *The Kirkus Service* ,1968 **Fortress Europe** J.E. Kaufmann,H.W. Kaufmann,2022-06-02 A few of the fortifications and fortified lines of the world wars are well known and have often been written about illustrated and studied But they tend to distract attention from the wide range of fixed defenses constructed across Europe on an enormous scale after the Franco Prussian War of 1870 71 during a period of insecurity and aggression That is why this new highly illustrated study which covers the entire continent is so valuable The authors examine the major

fortified positions and describe their strategic purpose their design and construction and the role they played in military planning and operations The outstanding contribution of the major military architects of the time is a key theme The work of S r de Rivi res Brialmont and others had a major influence on the course of the First World War and on the fortifications built before and during the Second World War Their approach is visible in the designs for the Maginot Line the East and West walls of Germany the Vallo Alpino in Italy the Soviet Stalin and Molotov lines the Mannerheim and Salpa lines of Finland the Greek Metaxas Line the Bene Line of Czechoslovakia as well as the defenses built by the Dutch and Scandinavians The breadth of the coverage the degree of detail and the numerous illustrations make the book essential reading and reference for anyone who has a special interest in the world wars and the history of fortifications
