Is Bible Gods Word:

Is the Bible God's Word? Kyle Butt, 2021 In a world of shifting values uncertain standards and rampant skepticism the message of the Bible has remained unchanged for millennia But the Bible has not been without its enemies Can those who believe the Bible ably defend it against the incessant attacks of modern day critics Does the Bible contain prophecies that came true hundreds of years after they were spoken How does the Bible s authenticity compare to that of other ancient books Is there proof that the Bible is accurate Can the Christian really provide evidence that the Bible is God s Word What makes the Bible different from other books that claim to be inspired Aside from proving the existence of God and the deity of Christ nothing is more fundamental for a Christian to be able to prove than the divine inspiration of the Bible The sixty six books of the Bible are the most impressive awe inspiring works of literature ever penned Is the Bible from God presents a well documented persuasive case for the accuracy authenticity and inspiration of the Bible The honest reader will be compelled to conclude that all Scripture is given by the inspiration of God God's Words James Innell Packer, 1981 *And God Spake These Words* William Henry Griffith Thomas, 1926 **The Bible or the Bible Society? The Corruption of God's Word in the Italian Version of Martini, as published by the British and Foreign Bible Society, examined and exposed** John Dixon HALES, 1862 *Is My Bible the Inspired Word of God?* Edward W. Goodrick, 2007-05-15 Evangelical Christians vigorously defend the Bible as the inspired Word of God yet we limit that term just to the autographs those original writings of the Scriptures that no longer exist What does this say for the reliability of your Bible Can you honestly and truthfully claim that your Bible translation is the inspired Word of God Ed Goodrick believes that we need to adjust our thinking about inspiration a change that argues that the Bible that you actually hold in your hand is also rightly described as the inspired Word of God His enlightening discussion of the nature of God s revelation the accurate copying of these original writings the careful comparison of the manuscripts textual criticism and their translation into contemporary languages will give you a renewed confidence in the trustworthiness of your Bible Goodrick also explores the issues that surround interpreting the Bible for if it is misused by present day readers it does little good practically to assert its divine origin Ray Lubeck has sought to bring this very important work back into print for a new generation of believers who now need more than ever in this increasingly postmodern culture to learn that the Bible is worthy of your trust commitment study and confidence Though Goodrick s arguments are timeless his wording and sources have now been completely updated giving the second edition of *Is My Bible the Inspired Word of God* an easy to read style for today **Is the Bible God's Word?** Ahmad Deedat, 1981-06-01 A brief rebuttal to several points of Biblical theology by this well known debater is the subject of this booklet which is one of the authors most popular books The unity and harmony in God's word, as found in the Bible, the world, and man John Coutts (of Highbury.), 1881 **God's Word for Today's World** John Stott, 2015-01-14 Nothing is more important than hearing understanding and obeying God s Word Our lives and local churches depend on this for their life

health and growth John Stott is well known worldwide for the commitment he had to the Bible both in his preaching and in his living In this persuasive book Stott concisely demonstrates the power authority and relevance of the Bible for every Christian in every culture and generation What is the purpose of God's Word How does it point us to Christ What is its relationship to the Holy Spirit How does it shape the church And what does it mean for Christian discipleship The author answers these questions with simplicity and clarity urging us to hear and obey God's Word in today's world **Is the Bible God's Word ?** Paul E. Little, **Hearing God's Words** Peter Adam, 2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume *Is the Bible the Inerrant Word of God* R. A. Torrey, 2004-08-26 R A Torrey was an American pastor and writer of Christian books Torrey was good friends with Dwight L Moody another popular religious figure in the late 19th century and became superintendent of what is now known as the Moody Bible Institute Torrey's writings are still popular among Christians today Torrey wrote a devotional on the importance of the Bible and how it improves our relationship with God *Basis of Preaching Biblical Message: Preach the Word* Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humorous while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

God's Word: Preserved Jean Coggins, 2009-03-04 In this day in which we live there is much talk and controversy over which Bible is the right Bible This book is written for the serious seeker of truth There is only one place to find truth that is

within the pages of God's Word. How wise we are to just let God be the one to show us these treasures, precious treasures that can only be discovered as the Holy Spirit teaches and leads us into all truth. My prayer for the reader is that he or she will approach this book with an open mind and a willingness to know the truth as recorded in God's Word on the matter of verbal plenary and preserved inspiration in the King James Version of the Bible.

The Word is Very Near You Fr. Wilfrid Stinissen, O.C.D., 2020. My wish, writes Father Wilfrid Stinissen, is to give some simple advice on how we can draw nearer to God's Word and let it

penetrate us in order that it will bear fruit in our lives The acclaimed spiritual writer and Carmelite priest says that all Christian literature and preaching are nothing more than an attempt to explain and interpret what God himself has spoken to us in the Bible God is active in his holy Word and he is also active in man s seeking and study in his research and knowledge In Judaism the study of Scripture has always had a prominent place and the same is true of Christianity from the beginning as can be seen above all in the writings of the Church Fathers Some modern scholars have also made important discoveries that help illuminate even more the Bible s broad colorful vistas Yet without prayer scholarship is only superficial glitter destined to fade away Father Stinissen teaches that prayer and the reading of Scripture belong inseparably together and he shows the reader how combining them leads a person to close communion with God [The Ministry of the Word, Vol. 22, No. 08](#) Various Authors,2018-08-01 This issue of The Ministry of the Word contains the six messages from the Memorial Day weekend conference held in Kansas City Missouri on May 25 through 28 2018 The subject of this series of messages is The Spiritual Warfare of the Church as the New Man The banners in the following section embody the crucial truths and the main burden of the conference The Reports and Announcements section at the end of this issue contains the report Update on the Lord s Move in Europe as well as information concerning upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **The Revelation of the Mystery** Witness Lee,2002-06 **Justification and the Kingdom of God, Volume One** Paul Chul Hong Kang,2025-01-17 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether you will accept these treasures The Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God s righteousness This encourages readers to remember God s righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life Just as God s righteousness is the foundation of his word for his kingdom God s word is the standard for wisdom knowledge judgment and actions Through his word God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom Now lives of faith on this earth carry eternal consequences This book asks What would you do with this gift God s word
