Cyd Holsclaw, Geoff Holsclaw, 2020-01-21 We might believe in God s love in the abstract but we often live our lives without experiencing it in any deep or lasting way In this warm engaging book pastors Cyd and Geoff Holsclaw share personal stories and simple clear teaching from the story of Scripture that God not only likes us and wants to be with us he also wants to work through us to bless the whole world **What's God Really Like** S.J. Hill, 2018-04-10 For many God is a distant frightening entity God may be personal but they would not think of him as having a personality much less an enjoyable friendly relatable personality Author S J Hill has spent years studying and more importantly experiencing this topic He has counseled many people young and old whose ideas about God left them frightened and hopeless He has also experience the presence and love of a wonderful heavenly father who has a fascinating personality The result is his book What s God Really Like Unique Insights into His Fascinating Personality What if God can laugh and dance What if the One True God is affectionate rather than angry beautiful rather than mean and ugly deliberately weak instead of a cosmic bully S J Hill pulls back one veil after another allowing you to see God as few authors have ever described This God is actually joyful and beautiful beyond anything you ve possibly ever imagined This book is a powerful tool for personal study As you read you will be ushered out of the hog pen of prodigal living and personal striving and into the healing arms of a Father who wants to dance with His sons and daughters It is also a powerful tool for teaching and ministry The way we think of God will impact our experience and our ability to live a fulfilling Christian life The way a teacher thinks and teaches about God can be either helpful or very destructive to those he or she teaches Imagine what could happen in our churches if we gave witness to a God such as this Whether you re reading it for yourself or using it in teaching What s God Really Like will change your perception of God and it will change you *Okay, God... Really? God's Love When Life Doesn't Go As Planned* Rhonda Hengst, 2020-01-10 God is good Multiple sclerosis is not When Rhonda Hengst imagined what her life would look like in the future she thought she d get married have a few children live in a nice home and have a happy life She didn t account for multiple sclerosis Though her plans changed God s plan for her life became ever clearer Looking back on the frustration

surrounding her diagnosis and how she and her family coped with the world shaking news of such a huge change to come Rhonda recounts the strength she found in God and the plan she knew He had in store for her Though difficult at times she summoned the courage to put her trust and faith in the Father she knew would never push her further than she could bear Looking ever onward in her journey of complete healing and faith Rhonda has become stronger than ever before as she finds her medicine and hope in God above and shares her message of the importance of being unconditionally faithful and believing in her healing no matter what

The Goodness of Judgment Jeff McSwain, 2024-11-12 In this volume McSwain continues to deploy Karl Barth Julian of Norwich Athanasius James Cone and dozens of others to buttress his claim about human duplicity and the Easter asymmetry which allows us to properly interpret our lives by the gospel Specifically the focus is on Christ's cross which provides the radical discontinuity judgment needed to preserve the continuity of God's good creation In resurrection light we see the inner connection of re-creation to creation an atonement that disentangles good from evil righteousness from sin and life from death Even though the perfect clarity of this liberating separation is reserved for judgment day this same judgment of grace frees us to live now as eschatological activists in the Liberator's way of justice and peace In view of the cross the Spirit empowers us to live in the hidden truth of who Christ is and who we have always been in Christ as God's beloved in the Trinitarian communion McSwain's cosmic vision pictures all people sharing in Christ's sufferings and also in his glory Thus the reconciled human community genuinely participates as one in Christ's victory over sin death and the devil

The Question of God's Perfection Yoram Hazony, Dru Johnson, 2018-11-26 Philosophers have often described theism as the belief in the existence of a perfect being a being that is said to possess all possible perfections so that it is all powerful all knowing immutable perfectly good perfectly simple and necessarily existent among other qualities But such a theology is difficult to reconcile with the God we find in the Bible and Talmud The Question of God's Perfection brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources Contributors are James A Diamond Lenn E Goodman Edward C Halper Yoram Hazony

Steffens,2018-02-13 The Obvious Secret A Discipleship Journey to Christian Maturity By Bruce C Steffens The Obvious Secret explores the various major beliefs of the Christian faith from a logical and analytical standpoint It is intended for two purposes First it is a resource to develop Christian discipleship curriculum for teachers and instructors Secondly it is self study resource for seekers new believers and even established believers It contains a systemic approach to understand the why of what we believe and then helps one to establish and deepen a personal relationship with God The book is not intended to tell someone what to believe but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves However without a vibrant relationship with God all the understanding of God's principles and truths are academic A mature disciple is the person whose best friend is God and who helps those around him or her to know God's love and create their own relationship with God I Be Thinking Kevins "K.C." Jones,2018-12-13 This collection of anecdotes was written over a period of ten years and combined into a weekly devotional K C Jones takes some of his life experiences and make them useful in explaining some of the truths of the Bible Each story comes with its own scripture references which coincide with the point being made Some of the topics addressed in this devotional are Be Who You Are a lesson on Christian living Has Your Cake Been Cut a lesson on dealing with hurt Prolonging the Time a lesson on patience This devotional also includes a bonus section which contains poems and a collection of Christmas songs The songs can be used as an easy way to teach children about the birth and purpose of our Lord and Savior Jesus Christ **The Evangelical Universalist** Gregory MacDonald,2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that

in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index

Confessing and Believing Trevor Hart, 2022-08-02 In *Confessing and Believing* Trevor Hart takes readers on a guided tour of the Apostles Creed one of the most ancient universally recognized and important statements of faith ever penned by the Christian Church The Creeds lasting value is not owed simply to its age it has identifiable roots in the earliest baptismal ceremonies of the earliest Christians but because as Hart s careful interpretation demonstrates the Creed is as comprehensive in its scope as it is concise in its testimony While the Creeds intrinsic values make it ideal for regular use in worship Hart capitalizes on the Creed s structure and highly concentrated nature to provide a framework for teaching the essentials of Christian belief Hart reveals that there is far more to the Creed than ancient statements about God Jesus the Holy Spirit or the Church Hart employs the Creeds twelve clauses to reveal the vibrant theology behind in and in front of the Creed His interpretation of the Creed is not just an historical exercise i e to discover what Christians once believed but to understand what has been believed everywhere always and by all and to do so in a way that addresses the intellectual and cultural contexts of the 21st Century Hart s perceptive analysis reveals why the Creed has been is and will continue to be both confessed and believed

Our True Beloved Michael S. Whiting, 2024-10-17 C S Lewis s masterpiece *The Four Loves* published in 1960 provided the world with a Christian exploration of four dimensions of human love extolling

the divine blessings and warning of the idolatrous distortions in familial belonging storge friendship as a common quest philia romantic desire for personal union eros and concluding with the perfection of divine unconditional love agape Whiting uses the four loves as a framework to interpret the Christian love of God in historical movements across Catholic Orthodox Protestant and Pentecostal Charismatic churches He illuminates the often reactionary and competing tensions swinging between emphases on loving God in liturgical ritual and worship storge the active moral life philia personal spiritual experience eros and approaches of faith to suffering agape Synthesizing a panoramic view of Christian history with philosophy literature and biblical reflection Whiting shows how the love of God is diminished when the loves become fractured He advocates for an integrated holistic love of God that both avoids excesses and challenges the modern narrative of secular progress
