Is Jesus A Republican Or A Democrat And 14 Other Polarizing Issues:

Was Jesus a Moderate? Tony Campolo,1996-02 **A False Kind of Christianity** Dan Jensen,2017-06-15 In this work Dan Jensen offers the conservative Evangelical community a no nonsense assessment of the growing and aggressive progressive Christian movement Jensen provides two chapters of personal testimony a short overview of the history behind the progressive Christian movement a brief summary of the teachings of the movement and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation Jensen makes it clear why this movement must be countered by conservative Evangelicals **Is Jesus a Republican Or a Democrat?** Anthony Campolo,1995 The Logic of Intersubjectivity Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

Sisk,2007-12-17 How do clergy preach to meet the legitimate needs of

their congregation and live up to standards of professionalism and personal integrity Preaching Ethically offers guidelines for preaching in light of a range of factors that might tempt a preacher to misuse the pulpit How do you preach about controversial issues What do you say from the pulpit when your marriage is in trouble What are the ethics of preaching in times of local or national crisis How do you draw from resources found on the Internet and elsewhere without plagiarizing or misleading listeners about the source of the materials How do you write a sermon when you know very little about a subject Why and how do you feed a congregation a balanced sermonic diet To be true to ourselves and our calling says Sisk we must examine how the many factors that can influence our preaching come into play the calling to preach to gospel compels us to preach in ways that keep the gospel foremost treat the congregation fairly and are true to our own convictions and our personal integrity

Joel, Obadiah, Malachi David Weston Baker, 2006 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Preaching and Politics Tim J. R. Trumper, 2009-04-08 Today's culture war raises questions about pulpit ministry the answers to which are often assumed but rarely thought through Drawing on his transatlantic studies of both politics and theology scholar pastor Tim Trumper weighs the various homiletical approaches to political engagement In doing so he eschews the predominant apolitical and party political tendencies of the day preferring a mediating biblical political approach that upholds the sanctity of the preacher's calling and the expository method of preaching The result is a tract for our times one that calls for the sermonic pre eminence of the Kingdom of Heaven and the prophetic application of its lessons to the church and to the world

Growing God's Family Samuel L Perry, 2016-12-06 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level Growing God's Family ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a

The Christian Librarian, 1995 **God Is Not a Republican** Daniel Korie, 2024-04-09 This book explores the intersections of partisan politics and Christianity in contemporary society It examines how biblical values such as equitable justice honesty love of other people and help to the poor have been compromised for partisan politics which presents an unprecedented danger to the integrity of the Christian faith The book presents compelling biblical teachings that contradict the misinformation promoted by some evangelical preachers to give the impression that the Republican Party's political agendas represent God's values To demystify such misconceptions and present clarifications concerning significant political and social issues the book draws parallel comparisons of the practices and policies of the Republican Party and Democratic Party and contrasts them with biblical teachings **YGod** Danielle D'Souza, 2012-11-05 Faith is a dynamic thing a lively thing of asking questions and finding answers says Danielle D Souza In *Y God* she addresses more than thirty of the most interesting and pressing questions being asked about God by believers and skeptics alike Rather than coming across as having all the answers Danielle puts her ideas in the form of a conversation Yet at her core she has convictions that come from a faith rooted in her heart as well as her head *Y God* will appeal to Millennials the Y generation and anyone who has ever had doubts about the biblical story of God Questions include Is faith reasonable Are miracles really possible Is the Bible
