Douglas,1998 **What Does God Want?** Fr. Michael Scanlan,2019-02-03 Here Fr Michael Scanlan former president of the Franciscan University of Steubenville lays out for you the five critical questions you must answer as you wrestle with important but naggingly difficult decisions that keep you up at night *Spiritual Interpretations* Roosevelt Jackson,2014-11-26 The reason why readers would be so interested is because of the spirituality Learning the spiritual side of life how good God really is and how to include the word of God into the equation in every area of their lives whether it be financially physically mentally by faith in which we walk by Faith is simply believing that God is our source and not the world economy To understand that God has given us very things that we need to accommodate us in this life Most things we can do for ourselves because of the abilities that God has bestowed upon us but the Heavenly things we have to declare and decree from Heaven such as when we pray whatsoever we pray for believe that we already received them and then you will have them You have to trust God first before you receive whatever it is that you ask for in Jesus name It is always have to be in Jesus name if not in Jesus name then you might have a delay you see that s how the gospel works Jesus died for us to have the things that we are so deserving of all we have to do is believe it declare it and decree it and it shall be given to us But if you dont spend time in the word of God then you have no clue what to expect you have no knowledge of all the promises that God said yes to there is over seventy seven hundred promises in the Bible that God said yes to we just have to believe and say yes to them in order to receive the promises of God you see it s simple when you know the word of God for your lives I ve study the word of God for the last ten years of my life So I am a witness to the fact And here s another fact I use to wake up every morning with back pain I would stumble to my feet but once I d reach for my bible and started to read it before I could get through the first paragraph the pain had

vanished Once I d learn how to pray and study the bible I haven t taken a pain pill since February of 2010 I would like for everyone to experience the goodness of God and the example of Jesus Christ our Lord and Savior If only I knew back then what I know now I would have been committed myself to Jesus I just pray that everyone will learn to give their lives over to Jesus So that s how much I think that my book will be an inspiration to others So yes I am completely satisfied with my work so I approve it in every way for publishing I thanked God for giving me the strength to endure the last two and a half years to complete this book it has been a blessing and honor to credit this book to God Almighty My way of showing appreciation for all that God has done for me in my life So there you have it Thanks for the word Roosevelt Jackson Bless you all In Jesus name Until next time

an uncompromising expose Emotionally and sexually abused by religious leaders God has anointed me in the area of my affliction to purely expose the devices of Satan and challenge the Body of Christ to raise the standard of holiness purity and integrity As I am willing to become transparent in this three part series From Mistress to Ministry my testimony capitalizes on scriptural references and information in conjunction with past experiences to present a biblical reformation that will promote genuine holiness in a wayward church The principle of spiritual warfare is that we must be called to order before we can advance to the next level of victory My objective is three fold to nurture damaged spirits to foster a healing process for victims of abuse and to present the deliverance that repentance brings to those who are trapped in sexual sins Pastors can God count on you to avoid the damaging effects of committing spiritual incest Husbands can your wives trust you to shun the immoral acts of adultery fornication Fathers can your daughters lean on you to steer clear of raping them of their innocence Teachers can our children expect you to be mentors and not molesters Executives can your subordinates rely on you to refrain from sexual harassment violations Officials can your citizens depend on you to protect us against economic hardship President of the United States can God trust you to call this nation back to Him and snatch us out of the hand of the enemy More than mere members of an organization or a population we are your sons and daughters Powerful ambassadors of God will you cover us in our imperfections and not continue to exploit our vulnerabilities For the time is come that judgment deliverance through investigation or examination must begin at the house of God When the Kingdom of God does not influence the nation through truth and righteousness the leadership of the nation is not equipped to positively affect its citizens However the nation cannot be healed until the church has been cleansed Thus we can not afford to remain complacent to the issues of clergy misconduct and the abuse and misuse of spiritual power Secret issues can only be eradicated by exposing old wounds otherwise hidden infection will inevitably spread throughout the Body In presenting this 21st century exposition of the consequences of making ungodly decisions I minister based on where I am after I have judged myself based on where I was Therefore seeing we have this ministry as we have received mercy we faint not but have renounced the hidden things of dishonesty not walking in craftiness nor handling the Word of God deceitfully but by manifestation of the truth commending ourselves to every man s conscious in the sight of God II Cor 4 1 2 **Media, the Second God** Tony Schwartz,1983 Examines the media s increasing influence in medicine education business politics and daily life **My Letter from God** Mike F.
