A Taste of Heaven Larry R. Dick, 2002 Does the Bible tell us specifically what heaven will be like What will the new earth and the capital city New Jerusalem be like Is heaven a real physical place or just some kind of spiritual realm unlike anything on earth What will people look like in heaven What will we do forever and ever Will there be buildings families nations in heaven What language will we speak Where is heaven Will we see God there Find answers to these and over 300 questions you've always wanted to ask about Heaven This easy to read book is based on doctoral research but written for the layman to present a Biblical picture of what life in eternity will be like My hope is to bring new excitement and understanding to the average person in the pew as well as to the Bible scholar Perhaps it will even encourage those who do not believe everything in the Bible but do believe in a heaven Yes I believe the Bible tells us much about what Heaven will be like Eden the tabernacle the promised land the kingdom parables the millennial kingdom the church all paint a picture of eternity Many of the great themes and teachings of Scripture present at the very least a type or taste of what Heaven will be like Eye hath not seen nor ear heard neither have entered into the heart of man the things which God hath prepared for them that love him But God hath revealed them unto us by his Spirit 1 Cor 2 9 10 Life is short and full of troubles The good things of this world are so temporary They are but a taste of better eternal things to come Only those things which last forever are real and worthwhile But how can you look forward to something you know little about I hope this book will fill in some of those blanks for you encourage you to read God's Word and give you a taste of heaven
