Is There Healing Power:

The Healing Power of Mind Tulku Thondup, 1998-02-03 The true nature of our minds is enlightened and peaceful as the depth of the ocean is calm and clear But when we mentally grasp and emotionally cling to our wants and worries with all our energy we lose our own enlightened freedom and healing power only to gain stress and exhaustion suffering and overexcitement like the turbulent waves rolling on the surface of the ocean Our minds possess the power to heal pain and stress and to blossom into peace and joy by loosening the clinging attitudes that Buddhists call grasping at self If we apply the mind's healing power we can heal not only our mental and emotional afflictions but physical problems also This book is an invitation to awaken the healing power of mind through inspiring images and sounds mindful movements positive perceptions soothing feelings trusting confidence and the realization of openness The healing principle on which these exercises are based is the universal nature and omnipresent power envisioned in Mahayana Buddhism Yet for healing we don't have to be believers in any particular faith We can heal body and mind simply by being what we truly are and by allowing our own natural healing qualities to manifest a peaceful and open mind a loving and positive attitude and warm joyful energy in a state of balance and harmony

The Healing Power of God Stan Jantz, 2021-01-05 Do you really believe in miracles You believe God is who he says he is but it's easy for that belief to be more theoretical than practical You have faith he can heal you know he has performed miracles and you agree he does love you yet if you're honest you don't expect him to intervene supernaturally in your life The Healing Power of God is here to shatter those limited expectations of your Creator and let you realize his ability and willingness to do the impossible Author Stan Jantz will inspire you to embrace God's supernatural nature and increase your awareness of how God can work in your daily life This book will help you understand what obstacles keep you from accepting and anticipating miracles why recognizing God's supernatural character is an integral part of your faith how you can actively experience God's restorative touch on earth You don't have to wait for heaven to witness God's wondrous abilities in action The Healing Power of God will enable you to live each day confident that your heavenly Father's readiness to perform miracles is as real as it was in the times of the Bible Includes a 30 Day Devotional Journey to a Biblical Embrace of the Supernatural Today
