**Rethinking Christmas** S T Kimbrough Jr.,2020-06-15 In the poems that appear here imagination plays a significant role We do not know exactly what people expect or anticipate at Advent but we know it can be radically different depending on one s situation in life the poor the homeless those enveloped in war the wealthy the desperately ill or injured What one awaits does not change the nature of Christ s coming but it greatly influences how Christ is received One thing is quite clear it is the love of God that descends to earth in this child a child of peace and goodwill If one is not awaiting these things one s celebration may be well meaning but very wrong headed These poems imagine what

**Christmas Contrasts** S T Kimbrough,2023-10-31 Is it possible to understand Christmas more meaningfully through the contrasts that it creates and we create While some contrasts of Christmas are troubling others are comforting The poems in this book juxtapose some of these There are contrasts of the past and present contrasts within past and present time contrasts of wealth and poverty etc They evoke vivid images many of which we know well Some are pleasant and others are disturbing How do we deal with the reality of many of these contrasts that emphasize our failure to grasp the meaning of Christmas in such a way that we live out the message of peace and goodwill The Advent and Christmas seasons are seasons of hope and failure The hope of peace and goodwill inaugurated in the birth of the Christ Child is contrasted with the failure of his followers to realize the peace and goodwill of which the angels sing How does a careful look at the contrasts of Christmas help us better understand its meaning and how its meaning can be fulfilled in us These poems explore this question and offer some helpful and timely responses
