Isaac And Ishmael:

Isaac and Ishmael Mary F Burns,2014-03 Abraham s divine and mythic destiny is to be the father of not just one but two great peoples the Hebrews and the Arabs His son Ishmael was born to an Egyptian princess who was a captive slave in his household at a point in the patriarch s life when he despaired of having any children by his wife Sarah But then the three mysterious messengers of Yahweh appear and tell him that Sarah in her old age will conceive a son Ishmael and his mother Hagar are sent into the desert by Sarah jealous of her husband s affection for his first born son And so the trouble begins This work of fiction follows the familiar story lines in the Hebrew Bible Christian Old Testament but presents individual persons on a human scale in order to explore the thorny complex and delicate relations between these brothers who live in a place where time and eternity touch A new God is coming into being here Yahweh the uncanny irascible mischievous bargaining God who participates in the life of a new people and compels them to a new way of being human **Isaac and Ishmael** Mary Frances Burns,2018-12-27 Abraham s divine and mythic destiny is to be the father of not just one but two great peoples the Hebrews and the Arabs His son Ishmael was born to an Egyptian princess who was a captive slave in his household at a point in the patriarch s life when he despaired of having any children by his wife Sarah But then the three mysterious messengers of Yahweh appear and tell him that Sarah in her old age will conceive a son Ishmael and his mother Hagar are sent into the desert by Sarah jealous of her husband s affection for his first born son And so the trouble begins This work of fiction follows the familiar story lines in the Hebrew Bible Christian Old Testament but presents individual persons on a human scale in order to explore the thorny complex and delicate relations between these brothers who live in a place where time and eternity touch A new God is coming into being here Yahweh the uncanny irascible mischievous bargaining God who participates in the life of a new people and compels them to a new way of being human Abraham's Sacrifice: Ishmael Or Isaac? Goodnews Adolphus,Goodnews D Adolphus Rev,2011-06-13 It was a very long time argument as regards which of the two sons of Abraham Isaac or Ishmael was used for Sacrifice The Holy Koran mentioned Ishmael while the Holy bible mentioned Isaac However this story being a historical event was written by Moses whose Mentor was Jetho his father in law being one of the descendants of the Ishmaelites that Isaac would have been used for the sacrifice after the departure of Ishmael with his mother This could be the real story based on the fact that it was a recorded event which proceed the Koran and Jethro was one of Ishmaelite sources that Moses used and was a student of Jethro who had educated him much about the God of Abraham and his promise to bring his people out of Egypt which he had not learned in Egypt He got this education and information from Jethro first and Moses sought for the opportunity before God appeared to him in the form of a burning bush The Islamic Hadith written by Prophet Mohammed confirmed that Ishmael and his mother departed from Abraham when he was sucking her breast which is quite similar to that written by Moses in Genesis Therefore Ishmael was used as symbol of Isaac in the Holy Koran being a prophetic book Other story in the bible include the KAABA in the Holy

city of Mecca based on the prophecy of Isaiah and based on the Abrahamic covenant with the nation of Ishmael called Saudi Arabia and many more

Ishmael Instructs Isaac John Kaltner, 2017-06-15 Jews Christians and Muslims trace their roots to Abraham and yet it is a shock to many Bible readers that some of the characters and stories in their sacred text are also found in the pages of Islam's sacred text the Qur'an By exploring the relationship between the Bible and the Qur'an in *Ishmael Instructs Isaac* John Kaltner challenges Bible readers to think about their sacred book in new exciting ways In doing so he leads all to a better appreciation of Islam After a brief overview of the text themes structure and use of the Qur'an Kaltner focuses on traditions that are shared with the Bible He explains that the Bible and Qur'an contain many of the same themes figures and episodes However at times there are significant differences in their descriptions of the same event or figure By discussing such topics and figures as God humanity prophecy creation life after death Abraham Moses Jesus and Mary Kaltner examines the similarities and differences between the two texts This comparative method allows readers to better appreciate both what is distinctive about Islam and what it shares with Judaism and Christianity Jews and Christians view Isaac as the son of Abraham in whom the family line continued Muslims on the other hand view Isaac's brother Ishmael as the rightful heir This difference must not obscure what is held in common a belief in the one God and a family albeit distant relationship Written for undergraduate and seminary courses on Islam the Qur'an comparative religions inter religious dialogue world scriptures and biblical interpretation *Ishmael Instructs Isaac* is also a useful resource for discussion groups in churches synagogues and mosques Includes English translations of the Qur'anic texts discussed John Kaltner PhD is assistant professor of religious studies at Rhodes College where he teaches courses in the Bible and Islam He has worked in the Middle East with the Catholic Foreign Mission Society of America

Isaac and Ishmael Charles Lee Feinberg, 194? *Abraham, Ishmael, and Isaac* Maxwell Shimba, 2024-12-28 Abraham Ishmael and Isaac Abraham Ishmael and Isaac by Dr Maxwell Shimba offers a profound exploration of three of the most pivotal figures in biblical history Abraham his firstborn son Ishmael and his promised heir Isaac Dr Shimba's work provides readers with a deep and insightful examination of the lives struggles and legacies of these patriarchs presenting their stories in a way that highlights both their human experiences and their divine significance Through his narrative the author invites readers to consider the far reaching implications of their lives not just for the ancient world but for the foundations of faith and history in Judaism Christianity and Islam The book begins with Abraham the father of many nations tracing his journey from Ur to Canaan as he responds to God's call and sets out in faith Dr Shimba emphasizes Abraham's relationship with God particularly focusing on the covenant that promised him descendants as numerous as the stars The analysis of this covenant is one of the central themes of the book showcasing how Abraham's faith and obedience became a model for all believers The narrative also considers the challenges Abraham faced including his doubts and moments of uncertainty making his story

deeply relatable Dr Shimba's exploration of Ishmael Abraham's firstborn son sheds new light on a figure who is often overlooked in biblical studies. Ishmael, born to Hagar, is examined not only as a son of Abraham but as a patriarch in his own right. His destiny as the father of a great nation is traced throughout history with attention paid to how Ishmael's story has been interpreted in both Jewish and Islamic traditions. The book emphasizes the significance of Ishmael's role in the larger narrative of God's plan for Abraham's family, offering readers a balanced and thoughtful perspective on this often misunderstood figure. Isaac, the child of promise, is given equal attention. Dr Shimba explores Isaac's birth as the fulfillment of God's covenant with Abraham and Sarah, as well as his near sacrifice on Mount Moriah. This momentous event is analyzed in theological depth as it not only tested Abraham's faith but also symbolized future sacrificial themes in both Jewish and Christian traditions. Isaac's quiet yet powerful presence in the narrative, his role as the link between Abraham and the next generation, is skillfully examined, showing how he played a critical part in the unfolding of God's covenant. One of the most compelling aspects of the book is Dr Shimba's focus on the relationship between Isaac and Ishmael. The book delves into the tension between the two brothers and the lasting impact of their separation, while also exploring the moments of reconciliation that provide hope for unity. This sibling dynamic is essential to understanding the development of the family's legacy, and the book offers a fresh perspective on how their lives were interconnected despite their different paths. The narrative then moves to the stories of Isaac's sons, Jacob and Esau, whose conflict mirrors the struggles of the previous generation. Dr Shimba traces the blessings, deceptions, and eventual reconciliation between the brothers, showing how their actions set the stage for the future of Israel. The inclusion of Joseph's story, his betrayal by his brothers, his rise to power in Egypt, and the ultimate reconciliation with his family, completes the cycle of familial conflict and forgiveness, a recurring theme throughout the book.

Isaac and Ishmael : Two Covenants and Two Kinds of Children A. Bjerkreim, Knudtson, Eilert, 195? **Ishmael and Islam Vs. Isaac and Christianity** Dan Gayman, 2002-01-01

Once again the sons of Ishmael have struck terror into the hearts of the Anglo-Saxon world. On the bright and beautiful morning of September 11, 2001, nineteen Muslim hijackers, all foreign nationals without warning or provocation, commandeered four American passenger jets with women and children aboard, headed to West Coast destinations. Three of these four jetliners were turned into guided missiles that left almost 3,000 American civilians dead, 15,000 orphan children, one hundred billion in property damage, and an estimated one trillion in business losses. The number of dead and property losses far exceeded any event to ever transpire on the soil of the United States of America. This 9/11 event has caused the whole world to carefully examine the Muslim world, and they have correctly identified the sons of Ishmael as the nineteen hijackers born in Saudi Arabia and Egypt. Now that the whole world knows who Ishmael is, the time has come for the world to identify Isaac. If the sons of Ishmael, originating with Father Abraham, can be identified, why not the millions descended from Abraham through Isaac as well? In the pages of this book, you will not only

examine the age old rivalry between Ishmael and Isaac but more important you will discover the identification of both of these peoples in modern history The incredible story of Isaac vs Ishmael will transform your understanding of the Bible and the front page of your hometown newspaper
