 KENYON     *An Amazing Human Journey* Shakuntala Modi, M.D.,2014-07-22 When did the first humans begin to inhabit the  
 Earth How did they get here Why and for what purpose were they put here How did they evolve from the first humans who  
 looked like a Botticelli painting to ape like humans to modern day humans You will also read about Lamuria and Atlantis and  
 without spirituality how Atlanteans destroyed themselves and their continent Dr Modi explains all this and more in her  
 remarkable work about the astounding past and future of mankind In doing this she describes how spirituality is the key to  
 successfully fulfilling mankind s desire to become one with God According to Dr Modi human beings have the unique  
 potential to create a heaven like society on Earth by spreading the spirituality on Earth that will eventually spread to  
 neighboring planets galaxies and the entire universe through the continued development and enhancement of spirituality  
 From what was to what is could well include a future with the entire universe going home to God The book takes you on what  
 can only be described as An Amazing Human Journey     **Reflections - The Masters Remember** Edwin  
 Courtenay,2004-01-01 THE ASCENDED MASTERS PATH TO PERFECTION Many people are fascinated by the idea of  
 reincarnation yet it is important to live fully in the here and now So it is not this book s intention to promote an escape from  
 reality but rather to show how memories from past lives can actually help us to walk the path of our current life For this  
 reason the Masters have decided to speak about who they were in past lives and what they have learnt Saint Germain tells us  
 about his lives as Merlin Christopher Columbus Francis Bacon and Saint Germain Jesus speaks of his time in Atlantis and  
 Serapis Bey of his experiences as an incarnate angel Also read the stories of Lady Portia Kwan Yin Mother Mary Mary  
 Magdalene and Djwal Khul The themes of their lives are mirrored in our lives the search for our own identity our  
 relationships finding our life purpose self acceptance surrender and compassion As with Edwin Courtenay s first book The  
 Ascended Masters Book of Ritual and Prayer this one also radiates magic charm love and understanding Those passages  
 which touch us most give us messages and pointers to the areas we may need to work on in this life What could be more  
 consoling than to know that our brothers and sisters in the light the Ascended Masters had to overcome the same issues as

we do Be comforted embraced and enchanted by the stories in this book      **The Complete Idiot's Guide to Discovering Your Past Lives, 2nd Edition** Michael Hathaway, 2011-05-03 Unlock the mystery of your past lives and discover your future potential By discovering your past lives you can unlock the secret influence they have on your present one enabling you to enjoy greater balance success and happiness This edition has been revised and updated to address the questions people are asking now It includes new case histories a new chapter Healing the Past exploring past lives in which a traumatic event has impeded a person s growth in their current life as well as new information on Twin Flames two souls who begin their journey as one energy and then travel through lifetimes independently      **Blood and Thunder: The Life and Art of Robert E.
