Adams-Robinson, 2011-11-17 Have you ever noticed that people rarely say that they are happy anymore We may be

okay alright or hanging in there but seldom do you hear anyone say they are happy or wonderful or having an outstanding day We have become a nation of make do people with a just getting by mentality and have allowed the traumas and difficulties of our past to define who we are and how we live We fervently hang on to the negative anger frustrations disappointments setbacks and unforgiveness as a sign that we are meant to live less than lives We have become so comfortable with the negativity that it is impossible for God to elevate us from the pit of our mess to a position of power and authority The problem with hanging on your past mess is that it keeps you bound in mediocrity and misery The negativity easily becomes a cloak that you wear and makes it impossible to believe that you can ever be more or have more than the less than life you have settled for The mess muck and mire of the past has eroded the ability to hope dream and aspire to anything more than mere existence Isn t it time to move past existing and begin to truly live this glorious thing called life If you know in the deepest core of your being that life has more to offer than what you have settled for it s time to take a bold stand to take back all that has been taken from you It s time for you to embrace all those awesome promises of God's Word to live your best life now It s time to tap into the power and greatness within you to be all that you are called to be The Power Within is a life changing guide that teaches you how to make the journey from hopelessness to hope filled purpose It provides God directed guidance and strategic steps to release the trash bags of your past and embrace the glory of true living and destiny If you are sick and tired of being sick and tired and WANT to get off the roller coast of mediocrity the power for you to prosper and overcome is within you Whether you are confused and lost about your purpose and need some direction on how to make it to your next level or anger and unforgiveness has consumed you and you need help figuring out how to begin your journey of release or you are highly accomplished and don t know why you still have that empty void The Power Within will help you get on track to walking in your purpose Don t let the mess muck and mire of your past keep you stuck in neutral living a less than life You were born for greatness but only you can take that bold step to make it happen The Power Within is your roadmap to become all that God has called you to be and live your happy hope filled purposed destiny **Who Lives** Adam Pryor, 2014-01-13 Christian theology has affirmed throughout its history that God is a living God But what does it mean that God lives Why does it matter Does God live like us If God does not live like us what is the difference between our living and God's living These are the questions Adam Pryor addresses in The God Who Lives The book considers life as a conceptual problem examining how new studies about the emergence of life have critical implications for interpreting the religious symbol God is living In particular Pryor suggests how absence and desire what is termed abstential desire are critical principles of life for scientific and philosophical thinking today He goes on to develop a constructive theological proposal in which the theological meaning of the symbol God is living is interpreted in terms of the insights garnered from the principle of abstential desire concluding that God can be understood as akin to the role played by absence in living things Life is an absent but effective whole in relation to the material parts of which it is comprised God as living is a
