Tenets of the Doctrine of the Spirit-filled Church vol. 1 Francis Vlok, 2020-09-01 I rejoice at Your word as one who finds great treasure Psalm 119 162 NKJV How unsearchable are his judgments and his ways past finding out Romans 11 33 These Scriptures declare the awesome greatness of God and to some born again believers they issue a challenge to search the scriptures Acts 17 11 to study to show thyself approved unto God 2 Timothy 2 15 and to live and move and have our being in Him Acts 17 28 It is a God ordained desire and call for all people to find as much as they can about God and His perfect will for mankind With this divine emphasis on a born again believer's life the Holy Spirit issued the call and by His grace the next few volumes titled *Tenets of the Doctrine of the Spirit-filled Church* are a continuation of the first book *Doctrine of the Spirit-filled Church* Each tenet in these volumes is examined in greater detail and gives deeper insight into the spiritual meaning and its application The examination also compares the original Apostolic Church of the first century to the current Spirit-filled church and in so doing references to the earliest writings from the ancient records help clarify the original church's structure as well as the doctrinal and theological understandings of that time and how that structure has progressed until this day The one overriding constant in all these examinations and explanations is the fact that they are biblically based If there is no Scripture to support the tenet's explanation then it is supposition assumption and speculation and thus unworthy of discussion The plumb line Amos 7 7 NKJV is always the Word The basis of every tenet is always the Holy Writ The implementation of every tenet is always according to the Bible The church is traveling at lightning speed towards the soon return of Jesus Christ The onslaught and evil outpouring of the diabolical immoral and total blasphemy against the Holy God has never been more vicious than it is today The blatant evil and acceptance of anti-God living which is thrown into everyone's face today coupled with many nations corrupt laws legalizing people's actions that are contrary to God's holy instructions have brought and will continue to bring many to a disastrous end While believers do not get distraught by the world's actions God said in His word it would happen they must keep their eyes steadfastly fixed on Jesus the author and finisher of their faith Hebrews 12 2 To do this believers must be rooted and grounded Ephesians 3 17 in the holy divine oracle of God which is His divinely inspired breathed Word 2 Timothy 3 16 It is with this urgency in mind namely the decay and rottenness of society that have cast the Word aside and the hunger and thirst of many believers to grow in grace and in the knowledge of our Lord and Savior Jesus Christ 2 Peter 3 18 that the author was led to expound further on the original book *Doctrine of the Spirit-filled Church* The church is in need of the truth that will help believers stay the course and become entrenched in the solid foundation as purposed by God in His Word enabling them to withstand the wiles of the devil More than ever must believers now return to the stronghold of the Word to keep themselves rooted and grounded steadfast and unmovable and dwell in the secret place of the Most High so that they can remain faithful to the end and be overcomers Revelation 2 7 11 17 26 3 5 12 21

The Message of Love Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word It

is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today

Worldviews and Christian Education W. Shipton, E. Coetzee & R. Takeuchi, 2014-04 In Worldviews and Christian Education editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse and animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism Back Cover Pauline Baptism among the Mysteries Donghyun Jeong, 2023-07-04 This monograph provides an alternative model for looking at the old question about Paul and the mysteries in a new light Specifically this study compares rituals baptism in the Pauline communities and the initiation rituals of the mysteries through the lens of cultural anthropology and the sociology of religion Three research questions lead the project What benefits does each initiation ritual promise its participants What are the underlying messages or structures that guarantee the efficacy of those rituals How and to what extent is the initiation ritual connected to the participants cognition and ethics beyond initiation itself Taking those questions as the analytical framework this study substantiates two points first in terms of ritual messages baptism in the Pauline communities is a ritual analogous to mystery initiation and second Paul is an innovative interpreter of ritual who recalibrates the messages of preexisting rituals for his theological and ethical program seeking to radically extend the implications of initiation to the embodied life of every Christ believer Students and scholars of New Testament early Christianity classics and ritual studies will benefit from engaging this volume Lessons for Living P. J. Wallis, 2024-03-01 God has set the stage for our life story to be acted out on and with the gift of a free will it s up to each of us to decide what role we want to play wilderness wanderers as the Israelites of ancient times so close to the Promised Land yet not permitted to enter or a believer in God s eternal promises fulfilled in Christ There are only two options God does have a plan for humanity he has set forth a calendar established a timetable and we all live along that timetable somewhere from

its beginning to the end of all human rule on Earth He needs each of us to start again spiritually to become willing participants in the inward transformation of our disposition ready for the day to come Becoming a Christian is easy Maintaining the claim that Christ lives in you will be the most challenging life changing experience How do we change our inner self to take on Christlikeness How do we react in times when our faith is put to the test times of unknowables those things sometimes beyond the limits of human experience or understanding The primary purpose of this book is to introduce the real God because if we seek a relationship with him we must think of it in terms of a valuable human relationship There needs to be a degree of attractiveness we need to share similar values as God possesses to even begin to flourish and grow

The Supernatural and the Circuit Riders Rimi Xhemajli,2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today
