Life-Study of Luke Witness Lee, 2001-03 **Life-study of John** Witness Lee, 2023-09-26 Although the language of the Gospel of John is simple this book is deep and profound In this life study Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1:14 we see that Christ in the flesh was the tabernacle for God's habitation among men on earth In 2:19-21 Christ's human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God's building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father's house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the believers will be built together as God's eternal habitation with many abodes Thus as the Lord's last prayer in John 17 indicates all His believers must be built up into one The first section of the Gospel of John composed of the first 13 chapters is on the coming of the Lord Jesus to bring God into man and to declare God to man The second section composed of the last eight chapters is on the Lord's going in death and coming back in resurrection to bring man into God and to abide in and with man for God's building
