No one who has seen the iconic photograph can ever forget its emotional pull: a grinning Gene Stallings hoisted into the air at midfield in the arms of his lifelong mentor Paul Bear Bryant moments after the final gun sounded for the 1968 Cotton Bowl. Stallings's upstart Aggies delivered an unbelievable upset of Bryant's Crimson Tide, a team that had dominated its SEC rivals under the leadership of a young quarterback who later achieved NFL fame: Kenny Stabler. Yet the famous image captured on that memorable day is merely the culmination of a greater story. In Bebes and the Bear, Gene Stallings, Coach Bryant, and Their 1968 Cotton Bowl Showdown, Ron J. Jackson Jr. unpacks for readers the heartwarming journey of two coaches and their lifelong mutual respect and admiration. From the rocky drought-plagued practice fields in Junction, Texas, in the summer of 1954 through the memorable 1967 autumn campaign that led both coaches to their highly publicized Cotton Bowl matchup, Jackson chronicles the story of Bryant, Stallings, and the two storied football traditions that bound them together. Based on hours of interviews with Stallings, his players, and other eyewitnesses and painstaking research in the archives at both Texas A M University and the University of Alabama, Jackson has reconstructed the pivotal moments of play, the coaching decisions, and the athletic heroics that combined to create one of the most unforgettable moments in college football history.

Bear Speaks Laura Carpini, 2010-10-01 *Bear Speaks* is a marvelous fantastical teaching tale in the tradition of *The Celestine Prophecy*. A young professional woman from Los Angeles goes camping in the Montana wilderness to find herself and escape the pressures of family and fiancé, about whom she's having some doubts. As she explores the natural world around her, she encounters the trickster coyote, a wise old spider, and an adventurous raven, all of whom have the ability to shape-shift and communicate with her mind-to-mind. And soon she finds herself falling in love with a magnificent bear named Ishmel. As she gets to know Ishmel, he transmits to her seven sacred lessons: 1. All your needs will be met. 2. Time is an illusion. 3. Have no fear. 4. Release into love. 5. Create a loving reality. 6. Connect energy lines to heal the world. 7. Vibrate with joy. These lessons are both familiar and new, with the ring of truth from various spiritual traditions. Life's Lessons from a Father to His Daughter Bob Grossmann, 2003-05-21 Life's Lessons from a Father to his Daughter uses twenty four stories pictures and artwork to help teach our children life's lessons with the aim of helping our children learn to make good decision making skills Decision making skills are often not well taught or integrated into a strong sense of personal philosophy Human nature can be impulsive The use of stories real life or metaphors to pass on life lessons from one generation to another is at the core of our oral and written traditions Parents can help to pass on this information as a creative way to install core values help reduce the chance of mishap and enhance lifelong success Part of the challenge is establishing a dialogue that allows worldviews to be discussed both the commonalities and the differences Perhaps part of the failure to achieve a sustained

dialogue is that we as parents wait too long to start the dialogue Part of the challenge too is that the lessons have different levels of meaning as we age So Life s Lessons from a Father to his Daughter was written to have meaning at the different stages of life in one s mid teens mid twenties and again in mid life Value exists in the stories being real Non fiction can carry more weight Children need to learn early that their parents continue to go through what they are experiencing We too make mistakes that we try and fail and we are both individuals and members of larger communities All the increasing access to information may not make decision making easier Greater discrimination and better choices will be essential So read the vignettes with your children and see where the discussion goes Be sure to have a few good laughs along the way Life s Lessons from a Father to his Daughter is a tool to help parents communicate with their children by providing a context for parents to add their own personal stories **Life's Lessons: a tale. By the author of "Tales which might be true."**
