Lifetime Beginner An Autobiography:

Lifetime Beginner Nikkyō Niwano, 1978 *Establishing the Revolutionary* Birgit Staemmler, Ulrich M. Dehn, 2011 New religions in Japan claim millions of members and simultaneously provoke criticism and fulfil social functions This publication serves as a handbook about these new religions on the basis of recent research written by an international range of scholarly experts

The Global Repositioning of Japanese Religions Ugo Dessi, 2016-07-01 The Global Repositioning of Japanese Religions An Integrated Approach explores how Japanese religions respond to the relativizing effects of globalization thereby repositioning themselves as global players Organized around concrete case studies focusing on the engagement of Japanese Buddhism Shinto and several new religious movements in areas such as ecology inter religious dialogue and politics this book shows that the globalization of Japanese religions cannot be explained simply in terms of worldwide institutional expansion Rather it is a complex phenomenon conditioned by a set of pervasive factors changes in consciousness the perception of affinities and resonances at the systemic and cultural levels processes of decontextualization and a wide range of power issues including the re enactment of cultural chauvinism The author investigates these dynamics systematically with attention to broader theoretical questions cross cultural similarities the definition of religion and the perils of ethnocentrism in order to develop his Global Repositioning model which constitutes an integrated approach to the study of Japanese religions under globalization An empirically grounded and theoretically informed study of the effects of global trends on local religions this book will appeal to scholars and students with interests in globalization religious studies Japanese studies Hawaii sociology anthropology and ecology

Handbook of East Asian New Religious Movements Lukas Pokorny, Franz Winter, 2018-04-24 This Handbook has won the ICAS Edited Volume Accolade 2019 Brill warmly congratulates editors Lukas Pokorny and Franz Winter and their authors with this award A vibrant cauldron of new religious developments East Asia China Taiwan Korea Japan and Vietnam presents a fascinating arena of related research for scholars across disciplines Edited by Lukas Pokorny and Franz Winter the Handbook of East Asian New Religious Movements provides the first comprehensive and reliable guide to explore the vast East Asian new religious panorama Penned by leading scholars in the field the assembled contributions render the Handbook an invaluable resource for those interested in the crucial new religious actors and trajectories of the region

The Sound of Liberating Truth Paul Ingram, Sallie B. King, 2013-10-23 Offers essays and dialogues by well known Buddhist and Christian scholars on topics that were of primary interest to Frederick J Streng in whose honour the volume was created Topics include interreligious dialogue ultimate reality nature and ecology social and political issues of liberation and ultimate transformation or liberation

Asian American Religious Cultures Jonathan H. X. Lee, Fumitaka Matsuoka, Edmond Yee, Ronald Y. Nakasone, 2015-09-01 A resource ideal for students as well as general readers this two volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience Despite constituting a fairly small proportion of the U S population roughly 5 percent Asian Americans

are a widely diverse group with equally heterogeneous religious beliefs and traditions This encyclopedia provides a single source for authoritative information on the Asian American and Pacific Islander religious experience addressing South Asian Americans such as Indian Americans and Pakistani Americans East Asian Americans including Chinese Americans Japanese Americans and Korean Americans and Southeast Asian Americans whose ethnicities include Filipino Americans Thai Americans and Vietnamese Americans Pacific Islanders include Hawaiians Samoans Marshallese Tongan and Chamorro The coverage includes not only traditional eastern belief systems and traditions such as Buddhism Confucianism and Hinduism as well as Micronesian and Polynesian religious traditions in the United States but also the culture and religious rituals of Asian American Christians *Japanese Religions and Globalization* Ugo Dessì, 2013 This book analyzes the variety of ways through which Japanese religions Buddhism Shint and new religious movements contribute to the dynamics of accelerated globalization in recent decades It looks at how Japanese religions provide material to cultural global flows thus acting as carriers of globalization and how they respond to these flows by shaping new global identities The book highlights how paradoxically these processes of religious hybridization may be closely intertwined with the promotion of cultural chauvinism It shows how on the one hand religion in Japan is engaged in border negotiation with global subsystems such as politics secular education and science and how on the other hand it tries to find new legitimation by addressing pressing global problems such as war the environmental crisis and economic disparities left unsolved by the dominant subsystems A significant contribution to advancing an understanding of modern Japanese religious life this book is of interest to academics working in the fields of Japanese Studies Asian history and religion and the sociology of religion *Dharma World* ,1987

Buddhism in the Modern World Steven Heine, Charles S. Prebish, 2003-09-11 The history of Buddhism has been characterized by an ongoing tension between attempts to preserve traditional ideals and modes of practice and the need to adapt to changing cultural conditions Many developments in Buddhist history such as the infusion of esoteric rituals the rise of devotionism and lay movements and the assimilation of warrior practices reflect the impact of widespread social changes on traditional religious structures At the same time Buddhism has been able to maintain its doctrinal purity to a remarkable degree This volume explores how traditional Buddhist communities have responded to the challenges of modernity such as science and technology colonialism and globalization Editors Steven Heine and Charles S Prebish have commissioned ten essays by leading scholars each examining a particular traditional Buddhist school in its cultural context The essays consider how the encounter with modernity has impacted the disciplinary textual ritual devotional practical and socio political traditions of Buddhist thought throughout Asia Taken together these essays reveal the diversity and vitality of contemporary Buddhism and offer a wide ranging look at the way Buddhism interacts with the modern world *Prophets of Peace* Robert Kisala, 1999-10-01 Wars in the Persian Gulf and Yugoslavia have given new impetus to the ongoing debate in Japan concerning its postwar constitution and related issues of national security and world order Although often overlooked in this

debate Japanese religious groups especially some of the New Religions have promoted peace as a major theme of their doctrine and activities often explicitly supporting a pacifist position This study undertaken in the wake of the Persian Gulf War looks at a representative group of New Religions and explores their concepts and practices of peace Many of the Japanese New Religions draw on a tradition that emphasizes individual moral cultivation and use of prewar terms to describe their mission One expression hakko ichiu literally the whole world under one roof conveys the ideal of world unity under Japanese direction leading to the establishment of peace In this way it is a prime example of the prewar idea of establishing peace through the spread of Japanese civilization The author cites evidence pointing to the prevalence of a mistaken notion of the implications of the pacifist position a situation that both reflects and contributes to the confusion surrounding popular debates on pacifism in Japan Prophets of Peace is an attempt to correct that misperception by providing a critical study of the social ethic of the Japanese New Religions a topic that has been largely ignored in research on new religious movements worldwide Professor Kisala draws on the literature that presents their doctrine and surveys their believers to describe their approach to the question of peace The results of this fieldwork are placed within the dual framework of Western peace studies and the modern Japanese intellectual tradition highlighting the issues of pacifism and the cultural approach to peace in Japan In his analysis of these results he offers some observations on the role of religion in contemporary Japanese society and advocates a more positive engagement in the debate on Japan's role in international security arrangements By offering a representative sample of New Religion groups and focusing on their doctrines Prophets of Peace provides a different perspective for those whose primary interest is the Japanese New Religions Although students and scholars of Japanese religion will be the book's first audience its accessibility and thematic approach also recommend it to readers with a broader interest in contemporary Japanese society peace studies and the role of religious groups in modern society **Sacred**

Schisms James R. Lewis, Sarah M. Lewis, 2009-05-14 Schism from the Greek to split refers to a group that breaks away from another usually larger organisation and forms a new organisation Though the term is typically confined to religious schisms it can be extended to other kinds of breakaway groups Because schisms emerge out of controversies the term has negative connotations Though they are an important component of many analyses schisms in general have not been subjected to systematic analysis This volume provides the first book length study of religious schisms as a general phenomenon Some chapters examine specific case studies while others provide surveys of the history of schisms within larger religious traditions such as Islam and Buddhism Other chapters are more theoretically focused Examples are drawn from a wide variety of different traditions and geographical areas from early Mediterranean Christianity to modern Japanese New Religions and from the Jehovah's Witnesses to Neo Pagans *Buddhism in the Modern World : Adaptations of an Ancient Tradition* Steven Heine Professor of Religious Studies and Director of the Asian Studies Florida International University, Charles S. Prebish Professor of Religious Studies Pennsylvania State University, 2003-08-14 The history of

Buddhism has been characterized by an ongoing tension between attempts to preserve traditional ideals and modes of practice and the need to adapt to changing cultural conditions. Many developments in Buddhist history such as the infusion of esoteric rituals, the rise of devotionism and lay movements, and the assimilation of warrior practices reflect the impact of widespread social changes on traditional religious structures. At the same time, Buddhism has been able to maintain its doctrinal purity to a remarkable degree. This volume explores how traditional Buddhist communities have responded to the challenges of modernity such as science and technology, colonialism, and globalization. Editors Steven Heine and Charles S. Prebish have commissioned ten essays by leading scholars, each examining a particular traditional Buddhist school in its cultural context. The essays consider how the encounter with modernity has impacted the disciplinary, textual, ritual, devotional, practical, and socio-political traditions of Buddhist thought throughout Asia. Taken together, these essays reveal the diversity and vitality of contemporary Buddhism and offer a wide-ranging look at the way Buddhism interacts with the modern world.

Talking Dialogue Karsten Lehmann, 2021-02-22. Throughout the last two decades, the modern dialogue movement has gained worldwide significance. The knowledge about its origins is, however, still very limited. This book presents a wide range of insights from eleven case studies into the early history of several important international interreligious interfaith dialogue organizations that have shaped the modern development of interreligious dialogue from the late nineteenth century up to the present. Based on new archival research, they describe on the one hand how these actors put their ideals into practice and on the other how they faced many challenges as pioneers in the establishment of new interreligious interfaith organizational structures. This book concludes with a comparison of those case studies, bringing to light new and broader historical-sociological understanding of the beginnings of international and multi-religious interreligious interfaith dialogue organizations over more than one century.

The World's Parliament of Religions 1893
 The Religions of Mankind 1921
 The World Congress of Faiths 1933
 1950 The Committee on the Church and the Jewish People of the World
 Council of Churches 1961
 The Temple of Understanding 1968
 The International Association for Religious Freedom 1969
 The World Conference on Religion and Peace 1970
 The Council for a Parliament of the World's Religions 1989
 1991 The Oxford International Interfaith Centre
 1993 The United Religions Initiative
 2000 The Universal Peace Federation
 2005

Based on these analyses, the authors identify three distinct groups with sometimes conflicting interests that are shaping the movement: individual religious virtuosi, countercultural activists, and representatives of religious institutions. Published in cooperation with the King Abdullah Bin Abdulaziz International Centre for Interreligious Intercultural Dialogue, Vienna.

The Stories of the Lotus Sutra Gene Reeves, 2010-11. The Lotus Sutra is one of the world's great religious scriptures and most influential texts. It has been a seminal work in the development of Buddhism throughout East Asia and, by extension, in the development of Mahayana Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others on breaking

down sharp distinctions between the ideals of the fully enlightened buddha and the bodhisattva who vows to postpone personal salvation until all beings may share it together and especially on each and every being's innate capacity to become a buddha

Religious Celebrations Bloomsbury Publishing, 2011-09-13 This two volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe Religious Celebrations is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the world's major religious communities as well as many of the minor faith traditions The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries providing information on numerous celebratory activities never before covered in a reference work Offering the most comprehensive coverage of religious holidays ever assembled this two volume book covers festivals commemorations holidays and annual religious gatherings all over the world with special attention paid to the celebrations in larger countries Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event be it fasting or feasting frenzied activity or the universal cessation of work a huge gathering of the faithful en masse or a small family centered event The work spotlights celebrations that currently exist without overlooking now abandoned celebrations that still impact the modern world

Bibliography of Japanese New Religious Movements Peter B Clarke, 2013-12-16 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs converging history beliefs and practices main publications branches worldwide and membership

Lifetime Beginner An Autobiography Introduction

In today's digital age, the availability of Lifetime Beginner An Autobiography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lifetime Beginner An Autobiography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lifetime Beginner An Autobiography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lifetime Beginner An Autobiography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lifetime Beginner An Autobiography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lifetime Beginner An Autobiography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lifetime Beginner An Autobiography books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lifetime Beginner An Autobiography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lifetime Beginner An Autobiography books and manuals for download and embark on your journey of knowledge?

FAQs About Lifetime Beginner An Autobiography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
