

European Integration and National Identity

The challenge of the Nordic states

Edited by
Lene Hansen and Ole Wæver

The New International Relations

European Integration And National Identity The Challenge Of The Nordic States

Lars Trägårdh

European Integration And National Identity The Challenge Of The Nordic States:

European Integration and National Identity Lene Hansen, Ole Waever, 2003-08-29 The four Nordic countries Denmark Finland Sweden and Norway have all held referenda on their relationship to the European Union in the 1990 s These referenda catalysed heated debates should Finland and Sweden give up neutrality Should Denmark follow the European Union s move towards higher degrees of integration And had there been enough change in Norway to reverse the rejection of European Community membership in 1972 These key questions about the future of European integration are addressed in this highly topical book by examining the crucial role played by national identity

European Integration and National Identity Lene Hansen, Ole Wæver, 2001

Scandinavia in World Politics Christine Ingebritsen, 2006 This clear and engaging text offers a sustained appraisal of Scandinavia s foreign policy and role in the global economy in the post Cold War period In an era when good citizenship in the global community has become a diplomatic priority for many states Christine Ingebritsen argues that Scandinavia has both the legitimacy and the domestic political attributes to be an important international player She examines how social innovators such as Sweden and Finland seek to influence European integration and how Norway has cultivated a unique and innovative niche in its foreign relations Scandinavia she convincingly shows has become a norm entrepreneur exercising its influence abroad through moral leadership from sponsoring the Nobel Prize and participating in global peacekeeping efforts to providing generous foreign aid and monitoring human rights abuses in the international community Demonstrating how Scandinavia has made its model of the good society viable on a global scale this text offers a fascinating case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world

Britain, Europe and National Identity J. Gibbins, 2014-10-05 This study patterns national identity over a number of important historical milestones and brings the debates over Europe up to date with an analysis of recent happenings including the referendum on Scottish independence the global economic crisis and the current crisis in Syria

State and Civil Society in Northern Europe Lars Trägårdh, 2007 In neo liberal political and economic climate it is suggested that a state stands in opposition to an autonomous civil society This book offers insights into the dynamics of state and civil society relations against trends of undermining the importance of the welfare state and presents autonomous civic participation as the only way forward

National Interests and European Integration K. Milzow, 2015-12-11 This study combines an account of Blair Chirac Schröder and their attitudes towards European integration It analyzes political discourses on national interests and the EU the frequently debated role of political discourse the concept of national interest and offers an alternative point of view on intergovernmental interaction

Iceland and European Integration Baldur Thorhallsson, 2004-03-01 Why has Iceland not sought membership of the European Union This unique volume uses the case

study of Iceland the only Nordic state to have never applied for EU membership to explore the complex attitudes of small states to European intergration and provide a new theoretical approach for understanding such relationships The contributors explain why the Icelandic political elite has been reluctant to participate in European integration In this context they analyse the influence that Iceland s special relationship with the US and the fisheries sector have had on their dealings with the EU Also considered are new variables such as national administrative characteristics and particular features of the domestic arena of the political elite as well as the elite s perception of international relations and its political discourse concerning independence and sovereignty Iceland and European Integration will appeal to all those interested in European integration and the international relations of small states

The Routledge Handbook of Critical European Studies Didier Bigo, Thomas Diez, Evangelos Fanoulis, Ben Rosamond, Yannis A. Stivachtis, 2020-12-21 This handbook comprehensively defines and shapes the field of Critical European Union Studies sets the research agenda and highlights emerging areas of study Bringing together critical analyses of European Union politics policies and processes with an expert range of contributors it overcomes disciplinary borders and paradigms and addresses four main thematic areas pertaining to the study of the European Union and its policies Critical approaches to European integration Critical approaches to European political economy Critical approaches to the EU s internal security Critical approaches to the EU s external relations and foreign affairs In their contributions to this volume the authors take a sympathetic yet critical approach to the European integration process and the present structures of the European Union Furthermore the book provides graduate students and faculty with ideas for future research activity and introduces critical analyses rooted in a broad spectrum of theoretical perspectives The Routledge Handbook of Critical European Union Studies will be an essential reference for scholars students researchers and practitioners interested and working in the fields of EU politics studies European integration European political economy and public policy EU foreign policy EU freedom of movement and security practices and more broadly in international relations the wider social sciences and humanities

The European Mosaic David Gowland, Richard Dunphy, Charlotte Lythe, 2014-01-14 The European Mosaic is an up to date introduction to all aspects of the politics economics culture and recent history of the European Union in particular and Europe in general The European Mosaic effectively familiarizes students with EU issues that are currently in the news and likely to remain so for the foreseeable future It is a clear and accessible introduction to the European polity Its strongly interdisciplinary focus provides a multidimensional understanding of contemporary Europe of the process of European integration and of the dynamics of the European Union Suitable for undergraduate courses in European politics

Small States in Europe Robert Steinmetz, 2016-04-01 The effects of recent institutional change within the European Union on small states have often been overlooked This book offers an accessible coherent and informative analysis of contemporary and future foreign policy challenges facing small states in Europe Leading experts analyze the experiences of a number of small states including the

Netherlands the Czech Republic Slovakia Luxembourg Cyprus Iceland Austria and Switzerland Each account written to a common template explores the challenges and opportunities faced by each state as a consequence of EU integration and how their behaviour regarding EU integration has been characterized In particular the contributors emphasize the importance of power politics institutional dynamics and lessons of the past Innovative and sophisticated the study draws on the relational understanding of small states to emphasize the implications of institutional change at the European level for the smaller states and to explain how the foreign and European policies of small states in the region are affected by the European Union

The Routledge Handbook of Scandinavian Politics Peter Nedergaard, Anders Wivel, 2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity the politics and the policy of Scandinavia Coherently structured with a multi level thematic approach it explains and details Scandinavian politics today through a series of cutting edge chapters It will be a key reference point both for advanced level students developing knowledge about the subject as well as researchers producing new material in the area and beyond It brings geographical scope and depth with comparative chapters contributed by experts across the region Methodologically and theoretically pluralistic the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars students researchers and practitioners interested and working in the fields of Scandinavian politics European politics comparative politics and international relations Foreign Policy Steve Smith, Amelia Hadfield, Timothy Dunne, 2016 The only introduction to foreign policy to combine theories actors and cases in one volume

The European Neighbourhood Policy in a Comparative Perspective Sieglinde Gstohl, 2016-07-22 The European Neighbourhood Policy ENP has evolved into one of the European Union s major foreign policy instruments and received considerable attention However other EU neighbourhood policies and their relevance for the ENP also require examination The Arab uprisings civil wars in Libya and Syria the continuing Israeli Palestinian conflict the crisis in Ukraine and Russia s annexation of the Crimean peninsula have all brought the institutional design and tools of the ENP into question and a comparative perspective is crucial to understand EU neighbourhood policies in a wider sense This timely book puts the ENP into context by exploring the major challenges and key lessons of the EU s other policy frameworks with neighbouring countries Mapping the EU s bi lateral and multilateral neighbourhood relations in comparison to the ENP and investigating the major challenges faced it provides a comprehensive up to date view of the EU s relations with its neighbours Focusing on current affairs and future challenges the comparison with the ENP and the lessons to be drawn generate novel insights into the EU s closest external relations This book will be of key interest to students and scholars studying European Politics policies and comparative politics *European Union Enlargement* Jurgen Elvert, Wolfram Kaiser, 2004-08-02 European Union Enlargement provides a comparative analysis of the post war European policies of those

states that joined the European Union between 1973 and 1995 The volume draws upon new empirical research in order to investigate the policies that these newcomer states have had towards Europe since 1945 with an emphasis on their experience of membership and its possible Europeanising effect A final comparative chapter draws the national European policies of the newcomers together and outlines what they have brought to the EU The book also tests integration theories against the available evidence demonstrating their limited explanatory value and the economic political and cultural specificity of different national paths towards EU integration *Global Citizen and European Republic* Ben Tonra, 2006 In

this book Ben Tonra applies a new and innovative way of looking at Irish foreign policy as well as offering a unique understanding of Ireland's place in Europe and the wider world

Constructivism, Narrative and Foreign Policy

Analysis Christopher S. Browning, 2008 Building on constructivist approaches to international relations this book develops a narrative theory of identity action and foreign policy which is then applied to account for the evolution of Finnish foreign policy The book adopts an innovative approach by showing how foreign policy orientations need to be seen as grounded in overlapping and competing sets of identity narratives that reappear in different forms through history By emphasising the dynamism implicit within identity narratives the book not only challenges traditional rationalist materialist approaches to foreign policy analysis but also the current tendency to depict the story of Finnish foreign policy identity and history as one of a gradual move towards a Western location Rather the book emphasises elements of multiplicity and contingency whilst re-establishing foreign policy as a highly political process concerned with power and the right to define reality and national subjectivity *Opposing Europe?: The Comparative Party Politics of Euroscepticism* Aleks Szczerbiak, Paul

Taggart, 2008-04-24 The project of European integration now spans Europe but in becoming bigger and broader the European Union has brought on itself significant criticism As the EU becomes deeper wider and more ambitious so opposition and scepticism become more prominent for citizens and more problematic for elites Concerns about a democratic deficit and the distance between European elites and publics have come to be a common feature of European politics As a consequence Euroscepticism has become a part of the terrain of conflict between political parties across Europe *Opposing Europe* provides the first comprehensive review of party based Euroscepticism across the breadth of contemporary Europe and the first in depth comparative academic study of Euroscepticism This the first of two volumes is made up of chapters that map describe and analyse Euroscepticism in the party systems of a range of countries and the European Parliament Each is written to a common frame of reference that differentiates hard and soft Euroscepticism The volume looks across Europe and includes EU member states and candidate and non member states in order to draw out comparative lessons that relate to the nature of political parties party systems and the domestic politics of European integration *Opposing Europe* is a groundbreaking state of the art book that provides a definitive review of a key issue in European politics It is also one of the few attempts to integrate the fields of EU studies with both West European and East European studies in order to draw

lessons about the way in which the EU interacts with domestic politics in both member and non member states Examining the way that parties position themselves and compete on the European issue provides powerful lessons for the trajectory of the European integration project more generally and on the prospects for the emergence of a European political system and polity

Democracy, Federalism, the European Revolution, and Global Governance Andrea Bosco, 2020-06-10 The European Union is facing today the greatest crisis since its creation Brexit could mean not only the reversal of its steady enlargement from 6 to 28 member states but also the beginning of an inexorable decline leading to its disintegration However few today seem to recollect that it was precisely the British who were the first to promulgate the political culture which inspired the European Union's construction democracy and federalism and the first who tried to realise in June 1940 a European federation on the basis of an Anglo French union This volume traces the fundamental stages of the European unification process placing it in relation to the wider process of world economic and political integration In particular it analyses the historical significance of the European Revolution which is identified in the overcoming of the nation state namely the modern political formula which institutionalised the political division of mankind and the birth of the first truly international state The universal historical significance of the European Revolution lies in its exportability as for the other great European revolutions and therefore its potential as progressively extensible to all the states of the planet Europe was indeed the first region of the world where the barriers between national states fell and a post national political identity emerged complementary to national political identities It is in fact in the context of the European Union that democracy beyond the borders of the nation state has first been realized constituting a guiding principle for global governance

Explaining the EU's Common Security and Defence Policy X. Kurowska, F. Breuer, 2011-11-22 An engaging assessment of the theoretical debates on the EU's Common Security and Defence Policy CSDP The contributions to this volume bring together sophisticated theoretical frameworks and extensive empirical research Pluralistic in its approach the volume emphasizes the role of conceptual diversity for better explaining the EU's CSDP

The Oxford Handbook of Religion and Europe Grace Davie, Lucian Leuştean, 2022 Features contributions from leading scholars providing crucial insight into the role of religious ideas structures and institutions in the making of Europe Introduces the building blocks of Europe's religious and the part that they played in the formation of the continent Explores the relationship between religious communities and ideologies in the twentieth century connections that play out very differently in East and West Europe Examines the role of religion in the construction of the European Union from the end of the Second World War until the present day Assesses the relationship between the major world religions and the idea of Europe Book jacket

Enjoying the Tune of Phrase: An Emotional Symphony within **European Integration And National Identity The Challenge Of The Nordic States**

In a global used by displays and the ceaseless chatter of instantaneous transmission, the melodic elegance and emotional symphony created by the prepared word usually disappear in to the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, situated within the pages of **European Integration And National Identity The Challenge Of The Nordic States** a charming fictional prize full of organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that captivating masterpiece conducts readers on a psychological journey, skillfully unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this emotional analysis, we will discover the book is key harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

European Integration And National Identity The Challenge Of The Nordic States Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free European Integration And National Identity The Challenge Of The Nordic States PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most

significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free European Integration And National Identity The Challenge Of The Nordic States PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of European Integration And National Identity The Challenge Of The Nordic States free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About European Integration And National Identity The Challenge Of The Nordic States Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
