Evangelization From A Liberation Perspective American University Studies:

Evangelization from a Liberation Perspective Priscilla Pope-Levison, 1991 In this pioneering work Dr Pope Levison marshalls an enormous amount of material on the topic of evangelization in Latin American liberation theology By analyzing the writings of ten theologians she demonstrates convincingly that evangelization serves uniquely as a bridge between theology and praxis This study is indispensable for students of contextual theology and evangelization In addition the introductory discussion of evangelization in recent documents from the Roman Catholic Church and the World Council of Churches renders this an invaluable tool for ecumenical studies as well

Evangelical Theologies of Liberation and Justice Mae Elise Cannon, Andrea Smith, 2019-09-10 Despite the current evangelical focus on justice work evangelical theologians have not adequately developed a theological foundation for this activism In this insightful resource evangelical academics activists and pastors come together to survey the history and outlines of liberation theology opening a conversation for developing a specifically evangelical view of liberation that speaks to the critical justice issues of our time

Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close

readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context **AAR/SBL Annual Meeting Program** American Academy of Religion.

Meeting,1991 **Evangelism for Non-Evangelists** Mark R. Teasdale,2016-11-06 We have met evangelists and they are not us Sympathetic to the discomfort his students have about evangelism Mark Teasdale gives us this refreshing practical look at sharing the good news He opens up a nonthreatening space helping us learn how to express the gospel in a manner true to what we believe authentic to who we are and compelling to others **International Mission Bibliography** Norman E. Thomas,2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry **Missiology** ,1991 An international review

The Cumulative Book Index ,1991 A world list of books in the English language **An Interpretation of Evangelization** Eileen M. Fagan,1998-04 This is the first study to present Jon Sobrino s theology of evangelization The work shows Sobrino s theological method in action in his christology and ecclesiology Dr Fagan provides a comprehensive historical picture of the Latin American church s journey to evangelization and Sobrino s place in that journey *The Poor in Liberation Theology* Tim Noble,2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism The Poor in Liberation Theology questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an ideological construct but remain icons of God Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy **Bibliographic Index** ,1991 **Forthcoming Books** Rose Army,1991

Subject Guide to Books in Print ,1997 **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of

evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic **Liberating Eschatology** Letty M. Russell, Margaret A. Farley, Serene Jones, 1999-01-01 This volume addresses a theme long essential to feminist and liberationist theology in what can we hope and what role should hope play in our actions and our lives It provides a constructive set of proposals and fills a crucial gap in theological resources as well known contributors address the theme from their different contexts and fields **Graceful Evangelism** Frances S. Adeney, 2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today s religiously pluralistic and secular contexts This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God s good news with the world **American Book Publishing Record Cumulative 1993** R R Bowker Publishing, 1994-03 Cited in BCL3 Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence some 41 700 titles for books published or distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker an *Salt, Light, and a City, Second Edition* Graham Joseph Hill, 2017-06-13 Graham Hill s pioneering classic remains the seminal work on missional ecclesiology The bestselling first edition redefined theology for the missional church Hill builds biblical foundations in conversation with major theologians including Sarah Coakley John Zizioulas Stanley Hauerwas Miroslav Volf and Jurgen Moltmann In this major update he offers new insights and provides fresh examples of missional churches In the first edition Hill interacted with twelve major theologians to build a missional ecclesiology In this thoroughly updated edition he interacts with sixteen major theologians from the Western world This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology It also offers a new study guide that has been uploaded on an innovative website linked to this book This expanded edition now becomes volume 1 in a series on missional ecclesiology In volume 2 Hill will turn our attention to voices from the Majority World Known for his groundbreaking approach to theology theology for the global missional community Hill shows how God is releasing his global church to mission across all cultures and Christian traditions This extensive update to Hill s influential work offers pioneering theology and practices that will continue to shape the global missional church for generations *Latino Studies Journal* , 1994
