Introduction to Advertising, Public Relations & Corporate Communication Mr. Rohit Manglik,2023-11-23

Fundamental tools for persuasive messaging and brand image management *Aspects of Tourist Behavior* Metin Kozak,2013-07-26 As in other fields of research the behaviour of consumers has also received a great deal of attention in tourism research over the past few decades due to its growing importance in the efficient marketing and management of tourism operations The rapid development of IT applications and the equally swift changes of needs and wants have influenced consumers in terms of the behaviour involved in searching for information and in decision making processes As such this book encompasses a collection of chapters addressing various aspects of tourist behaviour from need recognition to post consumption supported through selected practical examples from a range of countries such as Portugal Italy New Zealand Jamaica Taiwan Malaysia and South Africa among others The book systematic in structure and thorough in content is very useful for people who wish to improve and update their current knowledge of tourist behaviour and also to those carrying out further research on this field **Impact of ICTs on Event Management and Marketing** Birdir, Kemal,Birdir, Sevda,Dalgic, Ali,Toksoz, Derya,2020-12-04 Conferences symposiums and other large events that take place at far away hotels require many hours of preparation to plan and need a capable event staff to market Without the innovative technologies that have changed the face of the tourism industry many destinations would be unequipped to handle such a task Impact of ICTs on Event Management and Marketing is a collection of innovative research on the methods and applications of information and communications technologies on almost all facets of hospitality and tourism related businesses including hotels restaurants and other tourism areas While highlighting topics including digital marketing artificial intelligence and event tourism this book is ideally designed for business managers event planners and marketing professionals *Events and Sustainability* Andrew Smith,Judith Mair,2022-09-05 This book examines the links between events and sustainability with a particular focus on how festivals and events contribute to making places more inclusive resilient and sustainable Previous sustainability research in events often focused on reducing the negative environmental impacts with a corresponding lack of consideration of socio economic dimensions More recently research has begun to consider events in relation to a range of economic and social issues highlighting the growing importance of examining events through a critical lens This book adopts a critical and broader approach to event sustainability arguing that scholars should examine how events might contribute to sustainable development rather than merely exploring how individual events could be made more sustainable Accordingly the contributors to this edited book address how events might change attitudes and behaviours by promoting sustainable lifestyles communities and technologies Following a detailed introduction the book features 16 chapters written by scholars from across the world The chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism
