Quinn, Walter R. Strickland II, 2016-04-25 Pastors and chaplains aren't the only ones in ministry every Christian is called to be a minister through his or her work in the world But in order to fully understand what this entails we must look to the Bible and develop a fuller understanding of work as any way we interact with God's creation Doing so may transform our view of how Sunday morning impacts our work a day lives and vice versa In *Every Waking Hour* Benjamin Quinn and Walter R Strickland develop a biblically and theologically rich view of work vocation and how we may glorify God through everything we do **Mission in Acts** Robert L. **Theological Commentary** R. Michael Allen, 2011-12-15      **Ordained Ministry in Free Church Perspective** Jan Martijn Abrahamse, 2020-10-12 In *Ordained Ministry in Free Church Perspective* Jan Martijn Abrahamse presents a constructive theology of ordained ministry by returning to the life and thought of the English Separatist Robert Browne c 1550-1633. This study makes a substantial contribution not only by solving one of the most thorny problems in congregational ecclesiology but also by recovering the legacy of this ecclesial pioneer. Through an in-depth analysis of Browne's literature the author provides a covenantal theology of ordained ministry in conversation with present-day authors Stanley Hauerwas and Kevin Vanhoozer. Inspired by the emerging trend of theology of retrieval, Abrahamse offers a methodologically innovative way of doing systematic theology in a manner in which voices from the past can be made fruitful for today.      **The Message of Ephesians** John Stott, 2021-01-12 Paul's letter to the Ephesians clearly sets forth God's eternal purpose to create the church, God's new society. In this revised BST volume John Stott expounds Paul's theme of uniting all things in Christ by uniting his church. Guiding readers passage by passage through Ephesians, he provides helpful background, highlights key themes, and offers applications for Christians today.      Equipping Biblical Counselors Bob Kelleman, 2022-06-14 Equipping the body of Christ for personal ministry has been Bob's life work. This practical, step-by-step manual is the mature fruit of that lifelong commitment. Paul David Tripp, author of *Instruments in the Redeemer's Hand*, believes every spiritually fit church has leaders in the constant process of preparing other members to become counselors who nurture one another in ministry. But the success of this mission requires a practical, results-driven process for training the next generation to serve. In *Equipping Biblical Counselors*, pastor and counselor Bob Kelleman shares a proven strategy for envisioning, enlisting, equipping, and empowering new Christian counselors. A practical, four-step process he has spent decades refining, with this book Dr. Kelleman humbly comes alongside church leaders to help them assess their congregation's strengths and weaknesses, shepherd new leaders with confidence, and wisdom encourage the consistent spiritual growth God longs to see in his followers. Invest where it matters most. *Equipping Biblical Counselors* reveals the steps ministry leaders can take to fulfill the calling in Ephesians 4:11-16 to embolden the body of Christ to continue changing lives with his unchanging truth.      *Listening for God's Call* Susan H. Jones, 2014-11-24 The *Learning Church* series offers a range of short and accessible introductions on some of the key themes in Christian theology and discipleship. This book discusses the basic Christian belief that God has a purpose and plan for the world and that God calls us to work with God to bring that purpose and plan to fruition. In contemporary Christian thinking, God's call is to discipleship and ministry. This book is designed to help readers grasp the theology of call and of vocation and to discern God's call to them.      *Breakout Churches* Thom S. Rainer, 2010-01-10 This is the story of thirteen churches and the leaders who moved them from stagnancy to growth and from mediocrity to greatness. Drawing on one of the most comprehensive studies ever on the church, this book reveals the process of becoming a breakout church and the factors that lead to this spiritual metamorphosis.
