Author and Title Index**, 1975 The Irish Short Story at the Turn of the Twenty-First Century Madalina Armie, 2022-12-30 In the mid 1990s Ireland was experiencing the best of times The Celtic Tiger seemed to instil in the national consciousness that poverty was a problem of the past The impressive economic performance ensured that the Republic occupied one of the top positions among the world's economic powers During the boom dissident voices continuously criticised what they considered to be a mirage identifying

the precariousness of its structures and foretelling its eventual crash The 2008 recession proved them right Throughout this time the Irish contemporary short story expressed distrust Enabled by its capacity to reflect change with immediacy and dexterity the short story saw through the smokescreen created by the Celtic Tiger discourse of well being It reinterpreted and captured the worst and the best of the country and became a bridge connecting tradition and modernity The major objective of this book is to analyse the interactions between fiction and reality during this period in Ireland by studying the short stories written by old and emergent voices published between the birth of the Celtic Tiger in 1995 up to its immediate aftermath in 2013 **The Collected Short Stories of George Moore Vol 2** Ann Heilmann, Mark Llewellyn, 2024-11-01

Forde, 2014-09-09 I grew up on my mother's stories Although an Irish woman of small stature and imaginative mind stories didn't come any taller than those tales told by my mother They would stretch the bounds of one's credulity beyond the realms of possibility and yet she always made me want to believe them Having been persuaded to return to writing I decided to recount some of the stories told to me by my mother long ago Being a person with my own imagination I have taken the germ of her tale and elaborated it with the aid of 70 years of wisdom and a splash of literary licence to come up with the final result The Priest's Calling Card is about a Portlaw Priest who leaves his walking stick outside any house he visits as a sign of his presence there and with the clear understanding he is never to be interrupted during his home visits by any other callers to the house where he is *Space and Irish Lesbian Fiction* Amy Jeffrey, 2022-06-15 *Space and Irish Lesbian Fiction* offers an original and much needed study of Irish Lesbian fiction Evaluating a wide body of Irish lesbian fiction ranging from the Victorian era to the contemporary age this book advocates for women writers who have been largely ignored in Irish literary history and criticism This volume examines the use and applications of space in Irish lesbian fiction In recent years it can be

argued that Irish society has created a new space for LGBT or queer people The concept of space is thus important both symbolically and physically for lesbian literature In asking if Irish women writers have moved out of the shadows so to speak what space is open to the Irish lesbian author How is spatiality reflected in lesbian representation throughout Irish literary history *Space and Irish Lesbian Fiction* examines a diverse range of writers from the nineteenth century to the contemporary age evaluating the contributions of largely unknown authors who have been overlooked alongside more established voices within Irish literature The concept of liminality that this volume takes as its theme and focus engage with notions of intersectionality thresholds crossings and transitions In suggesting the overlap between the indeterminate threshold of the liminal space and its ambiguously queer potentiality to examine the dynamics of space and its relationship to lesbianism this ground breaking project both locates and charts spaces of queer liminality in Irish lesbian fiction
